The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Heyward Jeffers.

DIGEST

SB 319 Engrossed | 2016 Regular Session | Perry

Present law provides exceptions to certain schools or business enterprises under the definitions for proprietary schools.

Proposed law provides an exception that schools or business enterprises which provide students with advanced training techniques for police and service dogs are not proprietary schools.

Effective August 1, 2016.
