The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Michael Bell.

DIGEST

SB 167 Original | 2019 Regular Session | LaFleur

Present law authorizes the governing authority of any parish to create by ordinance communication districts composed of any part or all of the territory lying wholly within the parish.

Present law provides that the governing authority creating the communication district may appoint a board of commissioners who shall be qualified electors of the district.

Present law provides that the board of commissioners for the Evangeline Parish Communications District shall serve without compensation.

Proposed law retains present law and authorizes the board of commissioners for Evangeline Parish Communications District to enter into cooperative endeavor agreements for a public purpose with a federal, state, or local governmental agency or with a private or public firm, partnership, corporation or other entity.

Effective August 1, 2019.
