2017 ASSEMBLY RESOLUTION 10

May 10, 2017 - Introduced by Representatives RIEMER, C. TAYLOR, BARCA and HESSELBEIN.

AUTHORS SUBJECT TO CHANGE

Relating to: requiring the Committee on Assembly Organization to consider certain health insurance legislation.

Analysis by the Legislative Reference Bureau

This resolution requires the Committee on Assembly Organization to meet before May 18, 2017, to consider legislation to codify and require health insurance plans offered in the state to maintain equal treatment related to coverage and cost, regardless of whether the individual has a pre-existing medical condition, as currently required by federal law.

Resolved by the assembly, That the committee on assembly organization shall meet before May 18, 2017, to consider legislation to codify and require health insurance plans offered in the state to maintain equal treatment related to coverage and cost, regardless of whether the individual has a pre-existing medical condition, as currently required by federal law.
