15.22 Sec. 3. **DIGITAL WELL-BEING GRANT.**

15.23 Subdivision 1. Findings; grant. (a) The legislature finds that the negative effects of
15.24 screen overuse and misuse impact the healthy development of young people. Research
15.25 supports a growing amount of evidence on the effects of screen overuse and misuse on the
15.26 following dimensions of well-being:

15.27 (1) physically, including sleep disturbances, eye strain, headaches, obesity, back and
15.28 neck pain, and physiological changes in the brain;

15.29 (2) mentally, including depression, anxiety, suicidal ideation, and addictive tendencies;

16.1 (3) socially, including loneliness, social upward mobility comparison, nomophobia,
16.2 sexting, cyberbullying, unfiltered access to pornography, and diminished social and
16.3 interpersonal skills;

16.4 (4) emotionally, including emotional dysregulation, decreased ability to express empathy,
16.5 and lowered self-esteem; and

16.6 (5) cognitive distraction, including diminished academic performance, decreased working
16.7 memory, decrease in cognitive capacity and functioning, and increase in ADHD.

16.10 mobility comparisons, academic achievement, distraction by devices in the learning
16.11 environment, compromised use of technology as a learning tool, reduced social and emotional
16.12 learning skills, and lower levels of learning motivation and self-confidence.

16.13 (c) The negative effects of social media on young people include sleep disruption,
16.14 increased cyberbullying and rumor spreading, increased depression and anxiety, declines
16.15 in life satisfaction, loss of interest in daily activities with peers, increased tendency to send

16.25 Subd. 3. **Network of organizations.** LiveMore ScreenLess must identify key local and
16.26 national organizations focused on particular aspects of healthy screen use and healthy youth
16.27 development, including the issues of cyberbullying, suicide prevention, mental health,

16.29 network for addressing digital well-being. LiveMore ScreenLess must collaborate, coordinate,

16.31 overuse and misuse with other advocates of young people.

SPECIAL EDUCATION

Section 1. SPECIAL EDUCATION RECOVERY SERVICES AND SUPPORTS.

Subdivision 1. Special education recovery. The commissioner of education, school districts, and charter schools must collaborate with families of students with disabilities as provided in this section to address the impact of disruptions to in-person instruction on students' access to a free appropriate public education related to the COVID-19 pandemic.

Subd. 2. Special education services and supports. (a) A school district or charter school that serves one or more students with disabilities must invite the parents of a student with a disability to a meeting of each individualized education program (IEP) team as soon as practicable but no later than December 1, 2021, to determine whether special education services and supports are necessary to address lack of progress on IEP goals or in the general education curriculum or loss of learning or skills due to disruptions related to the COVID-19 pandemic. The services and supports may include but are not limited to extended school year services, additional IEP services, compensatory services, or other appropriate services. This meeting may occur in an annual or other regularly scheduled IEP meeting. If the IEP team determines that the services and supports are necessary, the team shall determine what services and supports are appropriate for the student and when and how those services should be provided, in accordance with relevant guidance from the Minnesota Department of Education and the United States Department of Education. The services and supports must be included in the IEP of the student. A district or charter school must report to the commissioner, in the form and manner determined by the commissioner, the services and supports provided to students with disabilities under this section, including the cost of providing the services.

(b) In determining whether a student is eligible for services and supports described in paragraph (a), and what services and supports are appropriate for the student, the IEP team must consider, in conjunction with any other considerations advised by guidance from the Minnesota Department of Education or the United States Department of Education:

(1) services and supports provided to the student before the disruptions to in-person instruction related to the COVID-19 pandemic;

(2) the ability of the student to access services and supports;

(3) the student's progress toward IEP goals, including the goals in the IEP in effect before disruptions to in-person instruction related to the COVID-19 pandemic, and progress in the general education curriculum;

41.2 (5) other significant influences on the student's ability to participate in and benefit from
41.3 instruction related to the COVID-19 pandemic, including family loss, changed family
41.4 circumstances, other trauma, and illness; and

41.5 (6) the types of services and supports that would benefit the student and improve the
41.6 student's ability to benefit from school, including academic supports, behavioral supports,
41.7 mental health supports, related services, and other services and supports.

41.8 (c) When considering how and when the services and supports described in paragraph
41.9 (a) should be provided, the IEP team must take into account the timing and delivery method
41.10 most appropriate for the student, such as time of day, day of the week, or time of year, and
41.11 the availability of other services accessible to the student to address learning loss. The IEP
41.12 team may determine that providers in addition to school district or charter school staff are
41.13 most appropriate to provide the services and supports described in paragraph (a).

41.14 (d) A school district or charter school must make available the services and supports
41.15 included in an IEP, as described in paragraph (a), until the IEP team determines that services
41.16 and supports are no longer necessary to address lack of progress on IEP goals or in the
41.17 general education curriculum or loss of learning or skills due to disruptions related to the
41.18 COVID-19 pandemic.

41.19 (e) A school district providing special education services on a shared time basis to a
41.20 student enrolled in a nonpublic school must offer the student special education services and
41.21 supports in accordance with this section.

41.22 (f) The commissioner may identify school district, charter school, and cooperative unit
41.23 pandemic-related expenses incurred under this section, and if the commissioner determines
41.24 the costs are eligible for funding using the additional funds set aside under the American
41.25 Rescue Plan Act, section 2014, for the Individuals with Disabilities Education Act, the
41.26 commissioner may allocate the federal funds for 100 percent of the costs of the services
41.27 provided under this section and exclude these expenses from state special education aid
41.28 under Minnesota Statutes, sections 125A.76 and 125A.79.

47.4 Section 1. Minnesota Statutes 2020, section 124D.111, is amended to read:

47.5 **124D.111 SCHOOL MEALS POLICIES; LUNCH AID; FOOD SERVICE**
47.6 **ACCOUNTING.**

47.7 Subdivision 1. **School ~~lunch aid computation~~ meals policies.** (a) Each Minnesota
47.8 participant in the national school lunch program must adopt and post to its website, or the
47.9 website of the organization where the meal is served, a school meals policy.

47.10 (b) The policy must be in writing and clearly communicate student meal charges when
47.11 payment cannot be collected at the point of service. The policy must be reasonable and
47.12 well-defined and maintain the dignity of students by prohibiting lunch shaming or otherwise
47.13 ostracizing the student.

47.14 (c) The policy must address whether the participant uses a collections agency to collect
47.15 unpaid school meals debt.

47.16 (d) The policy must ensure that once a participant has placed a meal on a tray or otherwise
47.17 served the meal to a student, the meal may not be subsequently withdrawn from the student
47.18 by the cashier or other school official, whether or not the student has an outstanding meals
47.19 balance.

47.20 (e) The policy must ensure that a student who has been determined eligible for free and
47.21 reduced-price lunch must always be served a reimbursable meal even if the student has an
47.22 outstanding debt.

47.23 (f) If a school contracts with a third party for its meal services, it must provide the vendor
47.24 with its school meals policy. Any contract between the school and a third-party provider
47.25 entered into or modified after July 1, 2021, must ensure that the third-party provider adheres
47.26 to the participant's school meals policy.

47.27 **Subd. 1a. School lunch aid amounts.** Each school year, the state must pay participants
47.28 in the national school lunch program the amount of 12.5 cents for each full paid and free
47.29 student lunch and 52.5 cents for each reduced-price lunch served to students.

47.30 **Subd. 2. Application.** A school district, charter school, nonpublic school, or other
47.31 participant in the national school lunch program shall apply to the department for this
47.32 payment on forms provided by the department.

48.1 Subd. 2a. **Federal child and adult care food program; criteria and notice.** The
48.2 commissioner must post on the department's website eligibility criteria and application
48.3 information for nonprofit organizations interested in applying to the commissioner for
48.4 approval as a multisite sponsoring organization under the federal child and adult care food
48.5 program. The posted criteria and information must inform interested nonprofit organizations
48.6 about:

48.7 (1) the criteria the commissioner uses to approve or disapprove an application, including
48.8 how an applicant demonstrates financial viability for the Minnesota program, among other
48.9 criteria;

48.10 (2) the commissioner's process and time line for notifying an applicant when its
48.11 application is approved or disapproved and, if the application is disapproved, the explanation
48.12 the commissioner provides to the applicant; and

48.13 (3) any appeal or other recourse available to a disapproved applicant.

48.14 Subd. 3. **School food service fund.** (a) The expenses described in this subdivision must
48.15 be recorded as provided in this subdivision.

48.16 (b) In each district, the expenses for a school food service program for pupils must be
48.17 attributed to a school food service fund. Under a food service program, the school food
48.18 service may prepare or serve milk, meals, or snacks in connection with school or community
48.19 service activities.

48.20 (c) Revenues and expenditures for food service activities must be recorded in the food
48.21 service fund. The costs of processing applications, accounting for meals, preparing and
48.22 serving food, providing kitchen custodial services, and other expenses involving the preparing
48.23 of meals or the kitchen section of the lunchroom may be charged to the food service fund
48.24 or to the general fund of the district. The costs of lunchroom supervision, lunchroom custodial
48.25 services, lunchroom utilities, and other administrative costs of the food service program
48.26 must be charged to the general fund.

48.27 That portion of superintendent and fiscal manager costs that can be documented as
48.28 attributable to the food service program may be charged to the food service fund provided
48.29 that the school district does not employ or contract with a food service director or other
48.30 individual who manages the food service program, or food service management company.
48.31 If the cost of the superintendent or fiscal manager is charged to the food service fund, the
48.32 charge must be at a wage rate not to exceed the statewide average for food service directors
48.33 as determined by the department.

49.1 (d) Capital expenditures for the purchase of food service equipment must be made from
49.2 the general fund and not the food service fund, unless the restricted balance in the food
49.3 service fund at the end of the last fiscal year is greater than the cost of the equipment to be
49.4 purchased.

49.5 (e) If the condition set out in paragraph (d) applies, the equipment may be purchased
49.6 from the food service fund.

49.7 (f) If a deficit in the food service fund exists at the end of a fiscal year, and the deficit
49.8 is not eliminated by revenues from food service operations in the next fiscal year, then the
49.9 deficit must be eliminated by a permanent fund transfer from the general fund at the end of
49.10 that second fiscal year. However, if a district contracts with a food service management
49.11 company during the period in which the deficit has accrued, the deficit must be eliminated
49.12 by a payment from the food service management company.

49.13 (g) Notwithstanding paragraph (f), a district may incur a deficit in the food service fund
49.14 for up to three years without making the permanent transfer if the district submits to the
49.15 commissioner by January 1 of the second fiscal year a plan for eliminating that deficit at
49.16 the end of the third fiscal year.

49.17 (h) If a surplus in the food service fund exists at the end of a fiscal year for three
49.18 successive years, a district may recode for that fiscal year the costs of lunchroom supervision,
49.19 lunchroom custodial services, lunchroom utilities, and other administrative costs of the food
49.20 service program charged to the general fund according to paragraph (c) and charge those
49.21 costs to the food service fund in a total amount not to exceed the amount of surplus in the
49.22 food service fund.

49.23 Subd. 4. **No fees.** A participant that receives school lunch aid under this section must
49.24 make lunch available without charge and must not deny a school lunch to all participating
49.25 students who qualify for free or reduced-price meals, whether or not that student has an
49.26 outstanding balance in the student's meals account attributable to a la carte purchases or for
49.27 any other reason.

49.28 Subd. 5. **Respectful treatment.** (a) The participant must also provide meals to students
49.29 in a respectful manner according to the policy adopted under subdivision 1. The participant
49.30 must ensure that any reminders for payment of outstanding student meal balances do not
49.31 demean or stigmatize any child participating in the school lunch program; including but
49.32 not limited to dumping meals, withdrawing a meal that has been served, announcing or
49.33 listing students' names publicly, or affixing stickers, stamps, or pins. The participant must
49.34 not impose any other restriction prohibited under section 123B.37 due to unpaid student

50.1 meal balances. The participant must not limit a student's participation in any school activities,
 50.2 graduation ceremonies, field trips, athletics, activity clubs, or other extracurricular activities
 50.3 or access to materials, technology, or other items provided to students due to an unpaid
 50.4 student meal balance.

50.5 (b) If the commissioner or the commissioner's designee determines a participant has
 50.6 violated the requirement to provide meals to participating students in a respectful manner,
 50.7 the commissioner or the commissioner's designee must send a letter of noncompliance to
 50.8 the participant. The participant is required to respond and, if applicable, remedy the practice
 50.9 within 60 days.

50.10 **Sec. 2. SCHOOL NUTRITION FORMULAS ADJUSTED.**

50.11 (a) Notwithstanding any law to the contrary, for school meals served during the
 50.12 2020-2021 school year, the commissioner of education may adjust the appropriations under
 50.13 Laws 2020, chapter 116, article 6, sections 20, 21, and 22, as amended by this act, as specified
 50.14 in paragraph (b).

50.15 (b) On June 30, 2021, the commissioner must subtract the amount actually paid to
 50.16 participants for the 2020-2021 school year under Laws 2020, chapter 116, article 6, sections
 50.17 20, 21, and 22, as amended by this act, from the total appropriations for each program. The
 50.18 commissioner must then allocate the remaining funds under each appropriation to participants
 50.19 in the summer food service program on a per meal basis for meals served during the
