	27 <b>* Sec. 3.</b> AS	14.03 is amended by adding a new section to read:
superintendents of each school district in the state shall provide to the Department of	28	Sec. 14.03.127. Department accountability. (a) By June 1 of each year, the
	29 superin	tendents of each school district in the state shall provide to the Department of
30 Administration an evaluation of the department that addresses the following matters:	30 Admin	istration an evaluation of the department that addresses the following matters:
31 (1) whether the department staff were supportive of the district;	31	(1) whether the department staff were supportive of the district;

1	
1	(2) a description of the support received, if any, from each division of
2	the department and an evaluation of the support;
3	(3) the level of contact the district had with the department, on a rating
4	scale of one to five, with five being an excellent level of contact;
5	(4) an evaluation of the reporting requirements on district activities to
6	the department, including level of burden, necessity, and redundancy of reporting
7	requirements;
8	(5) a statement on how the department may improve services to the
9	district.
10	(b) The Department of Administration shall annually compile the evaluations
11	provided under (a) of this section and provide to the governor, the legislature, and the
12	commissioner of education, in a manner that protects the identity of the
13	superintendents, a comprehensive description of evaluation results.
14	* Sec. 4. AS 14.07.020(a) is amended to read:
15	(a) The department shall
16	(1) exercise general supervision over the public schools of the state
17	except the University of Alaska;
18	(2) after providing notice and an opportunity for public school and
19	district administrators to participate, study the conditions and needs of the public
20	schools of the state, adopt or recommend plans, administer and evaluate grants to
21	improve school performance awarded under AS 14.03.125, and adopt regulations for
22	the improvement of the public schools; the plans adopted or recommended for
23	public schools must
24	(A) include appropriate cultural standards consistent with
25	the 1998 Alaska Standards for Culturally Responsive Schools adopted by
26	the Assembly of Alaska Native Educators;
27	(B) require appropriate cultural standards adopted by the
28	board to be included in instructional practices in districts in which 50
29	percent or more of the student population is of Alaska Native heritage;
30	(C) describe intensive early learning opportunities for each
31	district in the state;

1	(D) require an analysis of community involvement in the
2	district and methods for improving community involvement;
3	(E) address teaching capacity, retention, and development
4	and provide for technical assistance to teachers;
5	(F) establish routine evaluations and assistance to ensure
6	that districts develop and maintain elective and career and technical
7	<u>courses;</u>
8	(G) establish standards and timelines for restoration
9	activities after first notifying a district of a low performance designation
10	and offering technical assistance with predictable and research-based
11	strategies tailored to the state to improve performance;
12	(H) describe research-based strategies that target
13	educational performance of low-performing students in the state;
14	(3) <b>employ qualified personnel who shall</b> provide advisory and
15	consultative services to all public school governing bodies and personnel; the services
16	(A) must comply with AS 14.07.030(14); and
17	(B) may not include the use or employment of a trustee;
18	(4) prescribe by regulation a minimum course of study for the public
19	schools; the regulations must provide that, if a course in American Sign Language is
20	given, the course shall be given credit as a course in a foreign language;
21	(5) establish, in coordination with the Department of Health and Social
22	Services, a program for the continuing education of children who are held in detention
23	
	facilities in the state during the period of detention;
24	(6) accredit those public schools that meet accreditation standards
24 25	
	(6) accredit those public schools that meet accreditation standards
25	(6) accredit those public schools that meet accreditation standards prescribed by regulation by the department; these regulations shall be adopted by the
25 26	(6) accredit those public schools that meet accreditation standards prescribed by regulation by the department; these regulations shall be adopted by the department and presented to the legislature during the first 10 days of any regular
25 26 27	(6) accredit those public schools that meet accreditation standards prescribed by regulation by the department; these regulations shall be adopted by the department and presented to the legislature during the first 10 days of any regular session, and become effective 45 days after presentation or at the end of the session,
25 26 27 28	(6) accredit those public schools that meet accreditation standards prescribed by regulation by the department; these regulations shall be adopted by the department and presented to the legislature during the first 10 days of any regular session, and become effective 45 days after presentation or at the end of the session, whichever is earlier, unless disapproved by a resolution concurred in by a majority of

27-LS1171\U

conditions in the public and private schools of the state, including a requirement of physical examinations and immunizations in pre-elementary schools; the standards for private schools may not be more stringent than those for public schools;

(8) exercise general supervision over pre-elementary schools that receive direct state or federal funding;

6 (9) exercise general supervision over elementary and secondary 7 correspondence study programs offered by municipal school districts or regional 8 educational attendance areas; the department may also offer and make available to any 9 Alaskan through a centralized office a correspondence study program;

10 (10) accredit private schools that request accreditation and that meet 11 accreditation standards prescribed by regulation by the department; nothing in this 12 paragraph authorizes the department to require religious or other private schools to be 13 licensed;

(11) review plans for construction of new public elementary and
secondary schools and for additions to and major rehabilitation of existing public
elementary and secondary schools and, in accordance with regulations adopted by the
department, determine and approve the extent of eligibility for state aid of a school
construction or major maintenance project; for the purposes of this paragraph, "plans"
include educational specifications, schematic designs, projected energy consumption
and costs, and final contract documents;

(12) provide educational opportunities in the areas of vocational
education and training, and basic education to individuals over 16 years of age who
are no longer attending school;

(13) administer the grants awarded under AS 14.11;

25 (14) establish, in coordination with the Department of Public Safety, a
26 school bus driver training course;

27 (15) require the reporting of information relating to school disciplinary
28 and safety programs under AS 14.33.120 and of incidents of disruptive or violent
29 behavior;

30 (16) establish by regulation criteria, based on low student performance,
31 under which the department may <u>restore</u> [INTERVENE IN] a school <u>or</u> district to

1

1	improve instructional practices, as described in (19) of this subsection and
2	AS 14.07.030(14) or (15); the regulations must include
3	(A) a notice provision that alerts the <b><u>school and the</u></b> district to
4	the deficiencies and the instructional practice changes proposed by the
5	department;
6	(B) an end date for departmental restoration activities
7	[INTERVENTION], as described in AS 14.07.030(14)(A) - (D) [(A) AND
8	(B)] and (15), after the <b><u>school or</u></b> district demonstrates three consecutive years
9	of improvement on measures identified as indicators of student success and
10	achievement under AS 14.03.123(f); notwithstanding that a school or
11	district has demonstrated three consecutive years of improvement, the
12	district may, in its discretion, choose to receive restoration services for a
13	<u>fourth year</u> [CONSISTING OF NOT LESS THAN TWO PERCENT
14	INCREASES IN STUDENT PROFICIENCY ON STANDARDS-BASED
15	ASSESSMENTS IN MATHEMATICS, READING, AND WRITING AS
16	PROVIDED IN AS 14.03.123(f)(2)(A)]; and
17	(C) a process for districts to petition the department for
18	continuing or discontinuing the department's restoration activities
19	[INTERVENTION];
20	(17) notify the legislative committees having jurisdiction over
21	education before <u>restoring</u> [INTERVENING IN] a school <u>or</u> district under
22	AS 14.07.030(14) or redirecting public school funding under AS 14.07.030(15);
23	(18) assist the Department of Natural Resources in developing and
24	implementing the farm-to-school program established under AS 03.20.100:
25	(19) engage in a process of collaborative support to restore and
26	improve school performance when a school is designated as low performing
27	under AS 14.03.123; the process must include
28	(A) for the first school year after the designation of the
29	school as a low-performing school, by
30	(i) August 15, selection by the superintendent of the
31	district and the commissioner of an independent expert to evaluate

1	the areas of business services, board governance, leadership,
2	facilities, human relations, instruction, preparedness of students to
3	learn, or community involvement; the expert shall also evaluate the
4	extent to which the district has implemented the Alaska State
5	Cultural Standards; the expert shall visit the school or district for
6	not more than seven days to conduct the evaluation;
7	(ii) October 15, preparation of a written report by
8	the expert selected under (i) of this subparagraph and distribution
9	of the report to the commissioner, the local school board, and the
10	superintendent; a summary of the report shall be made available to
11	the public by posting the summary on the Internet;
12	(iii) November 15, mandatory selection and hiring of
13	two qualified coaches to advise the district with regard to the needs
14	identified in the evaluation completed under (ii) of this
15	subparagraph; one coach shall be selected jointly by the
16	superintendent and the department, and one coach shall be selected
17	jointly by the local school board and the department; the coaches
18	may advise the district for not more than 20 days in total for each
19	school year for which they are hired; and
20	(iv) June 1, provide to the department, parents, and
21	the legislature and publish on the Internet a summary of the
22	progress of the efforts to restore the school and the observations
23	and recommendations of the coaches hired under (iii) of this
24	subparagraph;
25	(B) for the second school year after the designation of a
26	school as a low-performing school, by
27	(i) September 15, mandatory selection and hiring of
28	two additional qualified coaches to advise the district with regard
29	to the needs identified in the evaluation completed under (A)(ii) of
30	this paragraph; one coach shall be selected by the superintendent,
31	and one coach shall be selected by the local school board, after

1	input from the Association of Alaska School Boards; the coaches
2	may advise the district for not more than 20 days in total for each
3	school year for which they are hired; and
4	(ii) June 1, provide to the state Board of Education
5	and Early Development, the department, parents, and the
6	legislature and publish on the Internet a summary of the progress
7	of the efforts to restore the school and the observations and
8	recommendations of the coaches hired under this subparagraph;
9	(C) for the third school year after the designation of a
10	school as a low-performing school,
11	<u>(i) that the department engage in frequent</u>
12	consultation with the staff at the low-performing school and with
13	the superintendent of the district in which the school is located;
14	<u>(ii) that the department establish a school</u>
15	improvement team for the purpose of advising the commissioner
16	on restoration activities; the team consists of the commissioner or
17	the commissioner's designee, a member of the state Board of
18	Education and Early Development, the superintendent of the
19	district, the four qualified coaches selected under (A) and (B) of
20	this paragraph, and one member of the local school board; the
21	team shall consider and evaluate evidence at the school of best
22	practices in the state for business services, instructional practices,
23	local school board governance, district leadership, facilities
24	maintenance, human resources, implementation of Alaska State
25	Cultural Standards, and preparedness of students to learn;
26	(iii) that the team established under (ii) of this
27	subparagraph develop a three-year plan to restore the school;
28	during the three-year plan, the team may redirect funding in the
29	district budget to improve instruction; the superintendent shall
30	implement the plan developed by the team; each year, at the end of
31	the school year, the team shall evaluate and adjust the plan as the
