16 building and, with the consent of the president of the senate and the speaker of the
17 house of representatives, in a building or space used for legislative activities. In
18 addition, a program may be located in a privately owned building or facility that is
19 convenient to the place of employment of the officers and employees the program
20 serves.

21 (b) If a child care program under AS 39.90.200 - 39.90.290 occupies a state-
