FOR AN ACT ENTITLED

1 **"An Act relating to self-storage facilities for personal property, including vehicles and**
2 **watercraft; distinguishing self-storage facility liens from another type of storage lien;**
3 **and excluding self-storage liens from the treatment of certain unclaimed property."**

4 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5 * **Section 1.** AS 28.11.025 is amended by adding a new subsection to read:

6 (d) This section does not apply to a vehicle in a self-storage facility under
7 AS 34.35.600 - 34.35.670.

8 * **Sec. 2.** AS 34.35 is amended by adding a new section to article 5 to read:

9 **Sec. 34.35.227. Application.** AS 34.35.220 and 34.35.225 do not apply to a
10 self-storage facility under AS 34.35.600 - 34.35.670.

11 * **Sec. 3.** AS 34.35 is amended by adding new sections to read:

12 **Article 13A. Self-Storage Facilities.**

13 **Sec. 34.35.600. Self-storage facility liens; fees.** (a) A facility owner has a
14 storage lien on personal property stored under a rental agreement in a storage unit at

1 the self-storage facility for rent, labor, late fees, and other charges, and for expenses
2 reasonably incurred in the sale or other disposition of the property under law.

3 (b) A facility owner may charge a reasonable late fee for each service period
4 in which a unit renter fails to pay rent or a fee when due. A late fee is reasonable if the
5 fee does not exceed the greater of

6 (1) \$20; or

7 (2) 20 percent of the monthly rent payment.

8 **Sec. 34.35.605. Priority of storage lien.** (a) Notwithstanding AS 28.10.371, if
9 a vehicle is an item of the unit property, a storage lien is superior to a lien or
10 encumbrance established under AS 28.10.371 - 28.10.401.

11 (b) A storage lien is superior to a security interest perfected under AS 45.29. A
12 storage lien is superior to another lien or security lien, except a tax lien.

13 **Sec. 34.35.610. Attachment of storage lien.** A storage lien attaches on the
14 date on which property is placed in a storage unit. A rental agreement must contain a
15 statement in bold type notifying the unit renter of the existence of the storage lien and
16 of the method by which the facility owner may enforce the storage lien under
17 AS 34.35.600 - 34.35.670.

18 **Sec. 34.35.615. Enforcement.** A facility owner may enforce a storage lien
19 after a unit renter has been continuously in default for at least 10 days.

20 **Sec. 34.35.620. Denial of access; removal of unit property.** (a) After a
21 default, a facility owner may

22 (1) deny the unit renter access to the storage unit;

23 (2) move the unit renter's unit property to another place for storage;

24 and

25 (3) if the unit property includes a vehicle or watercraft, tow or
26 otherwise remove the vehicle or watercraft from the storage facility, or have the
27 vehicle or watercraft towed or otherwise removed from the storage facility.

28 (b) A facility owner may not be held liable for damage incurred to a unit
29 renter's vehicle or watercraft after the facility owner removes the vehicle or watercraft
30 from the storage facility under this section. Removal of unit property from a self-
31 storage facility under this section releases the storage lien under AS 34.35.600.

1 **Sec. 34.35.625. Default notice.** (a) Before selling the unit property of a unit
 2 renter, a facility owner shall notify the unit renter that the unit renter is in default by
 3 electronic mail or first class mail sent to the most recent address provided by the unit
 4 renter in a rental agreement or subsequent written notice of change of address.

5 (b) At least 10 days after the notice of default required by (a) of this
 6 subsection is sent, hand deliver, send by electronic mail, send by certified mail, return
 7 receipt requested, or send by the United States Postal Service with a certificate of
 8 mailing a second notice of default to the most recent address provided by the unit
 9 renter in a rental agreement or subsequent written notice of change of address. The
 10 second notice of default must include

11 (1) a statement that the unit property of the unit renter is subject to a
 12 storage lien and that the unit renter has been or will be denied access to the property
 13 until the facility owner's claim is satisfied;

14 (2) the address of the self-storage facility, the name of the unit renter,
 15 and the number of the storage unit rented by the unit renter;

16 (3) a statement of the charges due, the date of default, and a demand
 17 for payment of the charges due by a specified date that is at least 20 days after the date
 18 the notice was sent;

19 (4) a statement in bold type providing that, unless the claim is paid by
 20 the date specified in the demand for payment, the unit property of the unit renter will
 21 be sold on or after a date specified in the notice; and

22 (5) the name, address, and telephone number of the facility owner or a
 23 designated agent the unit renter may contact to respond to the notice.

24 **Sec. 34.35.630. Authority to dispose of unit property.** If a unit renter does
 25 not cure a default and pay the amount due by the deadline specified in the notice
 26 required by AS 34.35.625, the facility owner may sell or dispose of unit property
 27 under AS 34.35.635.

28 **Sec. 34.35.635. Sale and disposal of unit property.** (a) A facility owner shall
 29 hold a sale of unit property

30 (1) at the storage facility or, if the storage facility is not a suitable
 31 location for the sale, at the nearest suitable location; or

1 (2) on a publicly accessible Internet website.

2 (b) A facility owner may dispose of property if the property was offered for
3 sale and did not receive a bid or offer.

4 **Sec. 34.35.640. Redemption by unit renter, vehicle owner, or vehicle**
5 **lienholder.** (a) Before a sale or disposal of a unit renter's unit property takes place
6 under AS 34.35.635, the unit renter may redeem the unit property by paying the
7 amount due. If the unit renter redeems the unit property, the facility owner shall
8 immediately return the unit property to the unit renter.

9 (b) If the vehicle owner of record or a lienholder listed on the vehicle title
10 pays the amount due before the facility owner sells or disposes of a vehicle under
11 AS 34.35.635, the facility owner shall transfer possession of the vehicle to that vehicle
12 owner or lienholder.

13 (c) If the facility owner returns unit property under (a) or (b) of this section,
14 the facility owner does not have any further liability with respect to the unit property.

15 **Sec. 34.35.645. Good faith purchasers.** A person who purchases unit property
16 in good faith and without notice of a noncompliance with AS 34.35.600 - 34.35.670 at
17 a sale held under AS 34.35.635 takes the unit property free of any rights of the unit
18 renter, the facility owner, and any lienholders, even if the facility owner has not
19 complied with AS 34.35.600 - 34.35.670.

20 **Sec. 34.35.650. Vehicle title.** If a vehicle is sold at a public sale held under
21 AS 34.35.635 and is titled under AS 28.10, the Department of Administration shall
22 transfer title to the vehicle to the purchaser who purchased the vehicle and who
23 requests the transfer.

24 **Sec. 34.35.655. Proceeds of sale.** If a sale is held, a facility owner may satisfy
25 a storage lien from the proceeds of the sale and shall hold the remaining balance, if
26 any, for delivery on demand to the unit renter or another recorded lienholder for a
27 period of three years from the date of sale. If unclaimed after three years, the funds
28 shall be considered abandoned under AS 34.45.110 and the facility owner shall remit
29 the funds to the Department of Revenue.

30 **Sec. 34.35.660. Limit on value of property stored.** If a rental agreement
31 specifies a limit on the value of property that a unit renter may store in the storage

1 unit, the limit specified in the rental agreement is considered to be the maximum value
2 of the unit renter's unit property stored in the storage unit.

3 **Sec. 34.35.665. Additional rights and obligations.** The provisions of
4 AS 34.35.600 - 34.35.670 do not prevent a rental agreement from containing other
5 rights, duties, and obligations that do not conflict with or arise from AS 34.35.600 -
6 34.35.670. The rights provided to a facility owner by AS 34.35.600 - 34.35.670 are in
7 addition to other rights provided by law to a creditor against a debtor.
