8 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

9 **WHEREAS**, in 1866, R.S. 2477 granted rights-of-way across unappropriated federal  
 10 land to encourage the development of western land; and

11 **WHEREAS** R.S. 2477 rights-of-way were perfected by simple use or development;  
 12 and

13 **WHEREAS** R.S. 2477 rights-of-way were established in the state through use or  
 14 development until virtually all federal land in the state was withdrawn in 1969; and

15 **WHEREAS**, when R.S. 2477 was repealed in 1976 under the Federal Land Policy  
 16 Management Act (43 U.S.C. 1701), valid existing rights under R.S. 2477 were expressly  
 17 protected; and

18 **WHEREAS** the Alaska State Legislature has recognized 602 rights-of-way in statute,  
 19 and the Department of Natural Resources has identified at least 67 additional valid R.S. 2477  
 20 rights-of-way; and

21 **WHEREAS** historic R.S. 2477 rights-of-way represent a key component of the

 23 settlement of the state's land and the development of the state's land and resources; and

24 **WHEREAS** the United States Department of the Interior and the United States Forest  
 25 Service refuse to recognize an R.S. 2477 right-of-way unless adjudicated and validated in a  
 26 decision by a court of competent jurisdiction; and

27 **WHEREAS** unilateral resistance by the federal government to the existence of the  
 28 state's rights-of-way causes great harm to the ability of the state to execute its duty to manage

1 state resources by making them accessible to Alaskans and available for maximum use  
2 consistent with the public interest, as required in art. VIII, sec. 1, of the Constitution of the  
3 State of Alaska; and

4 **WHEREAS** the State of Utah recently filed notices of intent to sue to enforce its  
5 interests in more than 18,000 R.S. 2477 rights-of-way in that state; and

6 **WHEREAS** the State of Alaska and the State of Utah share similar objections to the  
7 large withdrawals of Federal Conservation Units that are managed by the United States  
8 Department of the Interior and the United States Forest Service, agencies that both  
9 unilaterally deny the existence of valid state easements;

10 **BE IT RESOLVED** that the Alaska State Legislature commends the governor and the  
11 administration for aggressively working to protect the interests of the state in rights-of-way  
12 under R.S. 2477 and urges the governor and the attorney general to develop a working  
13 alliance with the governors, attorneys general, and legislatures in other western states to

19 various means, including initiating litigation in this state; and be it

20 **FURTHER RESOLVED** that the Alaska State Legislature urges the governor and the  
21 attorney general to develop a strategy for resolving the dispute over the right to continued  
22 access using R.S. 2477 rights-of-way in the state, including the possibility of bringing  
23 lawsuits against the federal government to preserve the state's interest in rights-of-way; and be  
24 it

25 **FURTHER RESOLVED** that the Alaska State Legislature urges the governor further  
26 to strengthen the resources of the state for protecting the state's rights by continuing to focus  
27 the efforts of the Department of Law, the Department of Natural Resources, the Department  
28 of Fish and Game, and other departments on defending the state's rights and powers with  
29 regard to access and federalism issues; and be it

31 Congress to enact legislation requiring federal agencies with land management authority to
