11 **Sec. 14.25.330. Retirement plan election option.** (a) A teacher who is first

 14 retroactive to the date of hire and may transfer to that plan employee contributions, if
 15 any, and employer contributions, if any, that have been made to the defined benefit
 16 retirement plan under AS 14.25.009 - 14.25.220. Before employer contributions are

 18 AS 14.25.070.

19 (b) The election to participate in the defined contribution retirement plan
 20 under (a) of this section must be made within 90 days after the date of hire and be

 8 contributions, with investment earnings and losses through the final day of the
 9 teacher's participation in the defined benefit retirement plan, to be actuarially
 10 calculated and transferred to the teacher's designated account in the defined
 11 contribution retirement plan. The administrator shall establish transfer procedures by
 12 regulation, but the actual transfer may not be later than 30 days after the date the
 13 administrator receives the teacher's completed election form under (b) of this section,
 14 unless the major financial markets for securities available for a transfer are seriously
 15 disrupted by an unforeseen event that also causes the suspension of trading on any
 16 national securities exchange in the country where the securities were issued. In that
 17 event, the 30-day period may be extended by a resolution of the board. Transfers are
 18 not commissionable or subject to other fees and may be in the form of securities or

13 **Sec. 39.35.720. Retirement plan election option.** (a) A public employee who

 15 to participate in the defined contribution retirement plan under AS 39.35.700 -
 16 39.35.990 retroactive to the date of hire and may transfer to that plan employee
 17 contributions, if any, and employer contributions, if any, that have been made to the
 18 defined benefit retirement plan under AS 39.35.095 - 39.35.680. Before employer
 19 contributions are transferred under this subsection, the administrator shall recalculate
 20 them under AS 39.35.255.

21 (b) The election to participate in the defined contribution retirement plan
 22 under (a) of this section must be made within 90 days after the date of hire and be
 23 made in writing on a form and in the manner prescribed by the administrator. Before
 24 accepting an election to participate in the defined contribution retirement plan under
 25 AS 39.35.700 - 39.35.990, the administrator shall, within 20 days after the
 26 administrator receives notice of the public employee's date of hire, provide the
 27 employee eligible to make an election to participate in the defined contribution
 28 retirement plan with

29 (1) information, including calculations to illustrate the effect of
 30 moving the employee's retirement plan from the defined benefit retirement plan to the
 31 defined contribution retirement plan; and

1 (2) other information that clearly informs the employee of the potential
2 consequences of the employee's election.

3 (c) An election made under (a) of this section to participate in the defined
4 contribution retirement plan is irrevocable. Retroactive to the date of hire, the
5 employee shall be enrolled in the defined contribution retirement plan under
6 AS 39.35.700 - 39.35.990, the employee's participation in the plan shall be governed
7 by the provisions for the defined contribution retirement plan, and the employee's
8 participation in the defined benefit retirement plan under AS 39.35.095 - 39.35.680
9 shall terminate.

10 (d) When an employee makes an election under (a) of this section, the
11 administrator shall cause the total amount of the employee's employee and employer
12 contributions, with investment earnings and losses through the final day of the
13 employee's participation in the defined benefit retirement plan, to be actuarially
14 calculated and transferred to the employee's designated account in the defined
15 contribution retirement plan. The administrator shall establish transfer procedures by
16 regulation, but the actual transfer may not be later than 30 days after the date the
17 administrator receives the employee's completed election form under (b) of this
18 section, unless the major financial markets for securities available for a transfer are
19 seriously disrupted by an unforeseen event that also causes the suspension of trading
20 on any national securities exchange in the country where the securities were issued. In
21 that event, the 30-day period may be extended by a resolution of the board. Transfers
22 are not commissionable or subject to other fees and may be in the form of securities or
23 cash as determined by the board. Securities shall be valued on the date of receipt in the
24 employee's account.

25 (e) An election made under (a) of this section by an eligible employee who is

1 (j) A member who is appointed to disability benefits shall, within 30 days after
 2 the date disability benefits begin, provide the administrator with proof that the member
 3 has applied for enrollment in a vocational rehabilitation program approved by the
 4 administrator. Unless the member demonstrates cause, the benefits terminate at the
 5 end of the first month in which the member

6 (1) fails to provide the administrator with the required proof of
 7 application for enrollment;

8 (2) is certified by the administrator as failing to enroll in or cooperate
 9 with a vocational rehabilitation program approved under this subsection;

10 (3) fails to interview for a job; or

11 (4) fails to accept a job offered.

12 * **Sec. 27.** AS 14.25.012(c), 14.25.540; AS 39.35.940, and 39.35.957(b) are repealed.

 16 June 30, 2006, and before the effective date of this section and who is a member of the
 17 defined contribution plan of the teachers' retirement system under AS 14.25.310 - 14.25.590
 18 may make a one-time election, within 90 days after the effective date of this section, to
 19 participate in the defined benefit retirement plan under AS 14.25.009 - 14.25.220 and to
 20 transfer all contributions, including employer contributions, that have been made or should be
 21 made to the defined contribution retirement plan for service the member completes before the
 22 effective date of the member's participation in the defined benefit retirement plan.

23 (b) A public employee who was first hired after June 30, 2006, and before the
 24 effective date of this section and who is a member of the defined contribution plan of the
 25 public employees' retirement system under AS 39.35.700 - 39.35.990 may make a one-time
 26 election, within 90 days after the effective date of this section, to participate in the defined
 27 benefit retirement plan under AS 39.35.095 - 39.35.680 and to transfer all contributions,
 28 including employer contributions, that have been made or should be made to the defined
 29 contribution retirement plan for any service the member completes before the effective date of
 30 the member's participation in the defined benefit retirement plan.

31 * **Sec. 29.** The uncodified law of the State of Alaska is amended by adding a new section to

1 read:

2 RETIREMENT PLAN ELECTION PROCEDURE. (a) An election made under sec.
3 28 of this Act to participate in the defined benefit retirement plan under AS 14.25.009 -
4 14.25.220 or AS 39.35.095 - 39.35.680 must be made in writing on one or more forms and in
5 the manner prescribed by the administrator. Before an eligible member makes an election
6 under sec. 28 of this Act, the administrator shall provide to the member

7 (1) written notice of the member's eligibility; and
8 (2) information about potential consequences of the member's election,
9 including calculations that illustrate the effect of changing the member's retirement plan from
10 the defined contribution retirement plan to the defined benefit retirement plan.

11 (b) An election made under sec. 28 of this Act to participate in the defined benefit
12 retirement plan is irrevocable. On the effective date of the election, an eligible member who
13 makes the election shall be enrolled as a member of the defined benefit retirement plan, the
14 member's participation in the plan shall be governed by the provisions for the defined benefit
15 retirement plan, and the member's participation in the defined contribution retirement plan
16 shall terminate. The member's enrollment in the defined benefit retirement plan shall be
17 effective retroactive to the date of hire. An election made by an eligible member who is
18 married is not effective unless the election is signed by the member's spouse.

19 (c) When an eligible member makes a one-time election under sec. 28 of this Act, the
20 administrator shall cause the total amount of the member's employee and employer
21 contributions, with investment earnings and losses through the final day of the member's
22 participation as a member in the defined contribution retirement plan, to be actuarially
23 calculated and, subject to (d) of this section, transferred to the pension fund in the defined
24 benefit retirement plan. On the effective date of the member's participation in the defined
25 benefit retirement plan, the member shall be credited with service in the defined benefit
26 retirement plan that is equal to the member's service in years, including fractional years,
27 recognized for computing benefits that may be due from the defined contribution retirement
28 plan. The board shall establish transfer procedures by regulation, but the actual transfer may
29 not be later than 30 days after the date the administrator receives the member's completed
30 election forms under (a) of this section, unless the major financial markets for securities
31 available for a transfer are seriously disrupted by an unforeseen event that also causes the

1 suspension of trading on any national securities exchange in the country where the securities
 2 were issued. In that event, the 30-day period may be extended by a resolution of the board.
 3 Transfers are not commissionable or subject to other fees and may be in the form of securities
 4 or cash as determined by the board. Securities shall be valued on the date of receipt in the
 5 member's account.

6 (d) If the value actuarially calculated under (c) of this section is insufficient to pay for
 7 a service credit equal to the member's actual service, the administrator shall allow the member
 8 to create an indebtedness up to the amount needed to eliminate the insufficiency; however, if
 9 that value exceeds the amount needed to pay for a service credit equal to the member's actual
 10 service, the administrator shall cause the excess to be paid to the employee as a rollover
 11 transfer to either an individual employee annuity account in the Department of Administration
 12 under the terms of AS 39.30.150 - 39.30.180 (State of Alaska Supplemental Annuity Plan) or,
 13 if the member's employer does not participate in the State of Alaska Supplemental Annuity
 14 Plan, to an eligible retirement plan as defined in AS 14.25.360(d) or AS 39.35.760(d). An
 15 excess under this subsection may not be used to purchase service credit in a retirement plan
 16 administered under AS 14.25 or AS 39.35.

17 (e) The provisions of this section are subject to the requirements of the Internal
 18 Revenue Code and the limitations under AS 14.25.010, 14.25.320(c) and (d), 14.25.490,
 19 AS 39.35.115, 39.35.678, 39.35.710(c) and (d), and 39.35.895.

20 (f) In this section,

21 (1) "administrator" means the commissioner of administration or the person
 22 designated by the commissioner of administration under AS 39.35.003 for a public
