4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

- * Section 1. AS 16.05.110(b) is amended to read:
 - (b) Except for money received as fisheries fines or forfeitures in settlement of a claim or loss caused by damage to the fish resources of the state that is appropriated to or through the division of commercial fisheries management and development, appropriations of money from the fish and game fund and of money received by the state under the federal aid acts described under AS 16.05.140 shall be made to the division of wildlife conservation or the division of sport fish. The division of wildlife conservation or the division of sport fish may use money appropriated under this subsection to acquire administrative and other services from other agencies if the division acquires the services through reimbursable services agreements. The division

1	of wildlife conservation and the division of sport fish shall include as part of their
2	budgets prepared under <u>AS 37.07.085</u> [AS 37.07.050]
3	(1) a listing of the reimbursable services agreements that are to be
4	funded with money appropriated under this subsection;
5	(2) a description of the services to be provided under those
6	agreements; and
7	(3) a listing of the entities that are parties to those agreements.
8	* Sec. 2. AS 37.07.010 is amended to read:
9	Sec. 37.07.010. Statement of policy. It is the purpose of this chapter to
10	establish a comprehensive system for state program and financial management that
11	furthers the capacity of the governor and legislature to plan and finance the services
12	that they determine the state will provide for its citizens. The system must include
13	procedures for
14	(1) the orderly establishment, continuing review, and periodic revision
15	of the strategic plans, program goals, and policies of state agencies and financial
16	goals and policies of the state;
17	(2) the development, coordination, and review of long-range program
18	and financial plans that will implement established state strategies, goals, and
19	policies;
20	(3) the preparation, coordination, analysis, and enactment of a budget
21	that is organized to focus on the services provided by state agencies and on the cost of
22	those services and that provides for implementation of policies and plans [,] in the
23	succeeding budget <u>periods</u> [PERIOD];
24	(4) the evaluation of alternatives to existing <u>strategies</u> , policies, plans,
25	and procedures that offer potential for more efficient state services;
26	(5) the regular appraisal and reporting of program performance;
27	(6) public participation in the development of the annual budget,
28	including opportunity for the public to review and comment $\underline{\mathbf{on}}$ [UPON] the plans and
29	programs of the Office of the Governor and all state agencies in the executive branch,
30	the legislature, the judicial system, the University of Alaska, and the public
31	corporations of the state.

* Sec. 3. AS 37.07.014(a) is amended to read
--

- (a) To carry out its legislative power under art. II, sec. 1, Constitution of the State of Alaska, and to promote results-based government, the legislature shall <u>review and analyze</u> [ISSUE A] mission <u>statements and performance plans issued by the governor</u> [STATEMENT FOR EACH AGENCY AND THE DESIRED RESULTS THE AGENCY SHOULD ACHIEVE. A mission statement <u>and performance plan</u> [AND DESIRED RESULTS] should promote the efficient, measured use of the state's resources. A mission statement <u>and performance plan</u> [AND DESIRED RESULTS] constitute policy under which an agency shall operate, and, where appropriate, the mission statement may be implemented by statute.
- * **Sec. 4.** AS 37.07.014(b) is amended to read:
 - (b) The legislature shall provide for a budget review function that promotes results-based government. The [LEGISLATURE SHALL ADOPT A METHOD OF MEASURING RESULTS FOR EACH AGENCY, AND MEASUREMENTS SHALL BE REPORTED SEMI-ANNUALLY BY EACH AGENCY TO THE LEGISLATURE. THE REPORTS SHALL BE USED BY THE] legislature **shall use the information reported by a state entity under (f) of this section** to evaluate whether the **strategic plan and** mission [AND DESIRED RESULTS] for that **state entity** [AGENCY OR SUBUNIT OF THE AGENCY] are being achieved.
- * **Sec. 5.** AS 37.07.014(c) is amended to read:
 - (c) The legislature shall analyze the <u>strategic plans issued by the governor</u> <u>and the</u> comprehensive [OPERATING AND] capital improvements programs and financial plans recommended by the governor.
- * **Sec. 6.** AS 37.07.014(d) is amended to read:
 - (d) To foster results-based government, to <u>implement the strategic plans</u>, <u>and to</u> carry out the mission statements, [AND TO OBTAIN DESIRED RESULTS,] the legislature shall authorize the comprehensive [OPERATING AND] capital improvements programs and financial plans <u>necessary to implement state entity</u> <u>performance plans</u>. The legislature shall allocate the state's resources for effective

1	and efficient derivery of public services by
2	(1) reviewing and analyzing the strategic plans and mission
3	statements [CLEARLY IDENTIFYING DESIRED RESULTS];
4	(2) <u>assessing how performance plans and financial plans</u>
5	contribute to progress toward the strategic plans and mission statements
6	[SETTING PRIORITIES];
7	(3) assigning accountability; and
8	(4) <u>reviewing financial plans</u> [USING METHODS FOR
9	MEASURING, REPORTING, AND EVALUATING RESULTS].

Sec. 37.07.016. Governor's use of strategic plans, mission statements, and performance plans. To carry out the executive power under art. III, secs. [SEC.] 1 and [SEC.] 16, Constitution of the State of Alaska, the governor shall review the strategic plans, mission statements, and performance plans compiled and submitted by the office under AS 37.07.040(12) and (13). The governor may approve, or require the office to revise, the strategic plans, mission statements, and performance plans, in whole or in part. Once the governor approves the strategic plans and mission statements, the governor shall use the strategic plans and mission statements [AND DESIRED RESULTS ISSUED BY THE LEGISLATURE AS A GUIDE] to implement and execute the law. Once the governor approves the performance plans, the [THE] governor shall use the performance plans to ensure [ASSURE] that each agency complies with [THE MISSION STATEMENT] and achieves the desired results of the strategic plan and mission statements approved by the governor for that agency [IDENTIFIED BY THE LEGISLATURE].

* **Sec. 10.** AS 37.07.020(a) is amended to read:

(a) The governor shall prepare a budget for the succeeding fiscal year that must cover all estimated receipts, including all grants, loans, and money received from the federal government and all proposed expenditures of the state government. The budget shall be organized so that the proposed expenditures for each agency are presented separately. The budget must be accompanied by the information required under AS 37.07.050, 37.07.055, and 37.07.085 and by the following separate bills: (1) an appropriation bill authorizing the operating and capital expenditures of the state's integrated comprehensive mental health program under AS 37.14.003(a); (2) an appropriation bill authorizing state operating expenditures other than those included in the state's integrated comprehensive mental health program; (3) an appropriation bill authorizing capital expenditures other than those included in the state's integrated comprehensive mental health program; and (4) a bill or bills covering

recommendations, if any, in the budget for new or additional revenue. The budget for the succeeding fiscal year and each of the bills shall become public information on December 15 at which time the governor shall submit copies to the legislature and make copies available to the public. The bills, identical in content to the copies released on December 15, shall be delivered to the rules committee of each house before the fourth legislative day of the next regular session for introduction.

* **Sec. 11.** AS 37.07.040 is amended to read:

- Sec. 37.07.040. Office of management and budget. The Alaska office of management and budget shall
- (1) assist the governor in meeting the requirements of AS 37.07.020, including the coordination and analysis of state agency goals and objectives, **strategic**, **performance**, **and other** plans, and budget requests;
- (2) prepare for submission to the governor an annually updated sixyear capital improvements program and the proposed capital improvements budget for the coming fiscal year, the latter to include individual project justification with documentation of estimated project cost;
- (3) develop procedures to produce the information needed for effective policy decision making, including procedures to provide for the dissemination of information about plans, programs, and budget requests to be included in the annual budget and opportunity for public review and comment during the period of budget preparation;
- (4) assist state agencies in <u>developing and updating strategic plans</u>, <u>mission statements</u>, <u>performance plans</u>, <u>financial plans</u> [THEIR STATEMENT OF GOALS AND OBJECTIVES TO ACHIEVE, AMONG OTHER THINGS, THE LEGISLATURE'S MISSION AND DESIRED RESULTS, PREPARATION OF PLANS, ASSESSMENTS OF THE EXTENT TO WHICH MISSIONS AND DESIRED RESULTS HAVE BEEN ACHIEVED], budget requests, and reporting of program performance; all documents forwarded by the office to a state agency containing instructions for the preparation of program plans and budget requests and the reporting of program performance are public information after the date they are forwarded;

2	provisions of this chapter so that the policy decisions and budget determinations of the
3	governor and the legislature are implemented;
4	(6) provide the legislative finance division with the budget information
5	it may request;
6	(7) provide the legislative finance division with an advance copy of the
7	governor's budget workbooks at least seven days before the legislature convenes in a
8	regular session;
9	(8) prepare the proposed capital improvements budget for the coming
10	fiscal year evaluating both state and local requests from the standpoint of need, equity,
11	and priorities of the jurisdiction; other factors, including [SUCH AS] project amounts,
12	population, local financial match, federal funds being used for local match,
13	municipality or unincorporated community acceptance of the facility, and all
14	associated costs of the facility, may be considered;
15	(9) for each department in the executive branch, report to the
16	legislature by the 45th day of each regular session the amount of money appropriated
17	to the department that is expected to lapse into the general fund at the end of the
18	current fiscal year;
19	(10) [ESTABLISH AND ADMINISTER A STATE AGENCY
20	PROGRAM PERFORMANCE MANAGEMENT SYSTEM INVOLVING
21	PLANNING, PERFORMANCE BUDGETING, PERFORMANCE

24	USEFUL FOR MANAGING AND IMPROVING THE EFFICIENCY AND
25	EFFECTIVENESS OF AGENCY OPERATIONS;
26	(11)] by January 15, list each lease-purchase agreement entered into by
27	an agency during the immediately preceding fiscal year for the acquisition of
28	equipment or other personal property, together with a description of the property
29	acquired and financial details, including the purchase price, the term for payments, the
30	amount of each payment, and the amount of interest or financing charges paid;
31	(11) [(12)] work with state agencies to develop a standardized

1	methodology to collect and store energy consumption and expense data:
2	(12) compile the strategic plans and mission statements submitted
3	to the office under AS 37.07.050(a) and submit the strategic plans and mission
4	statements to the governor for the governor's consideration;
5	(13) compile the performance plans submitted to the office under
6	AS 37.07.085 and submit the performance plans to the governor for the
7	governor's consideration;
8	(14) maintain the strategic, performance, and financial plans and
9	mission statements submitted to the office under AS 37.07.050(a) and 37.07.085
10	on a publicly available Internet website;
11	(15) compile the quarterly reports submitted to the office under
12	AS 37.07.014(f) and submit the reports to the senate secretary and the chief clerk
13	of the house of representatives and notify the legislature that the reports are
14	<u>available</u> .
15	* Sec. 12. AS 37.07.050 is repealed and reenacted to read:
16	Sec. 37.07.050. Strategic plans; mission statements. (a) Each state entity
17	shall develop and submit to the office in an electronic format a comprehensive
18	strategic plan for the state entity and mission statements for the divisions of that state
19	entity consistent with the statutory authority of the state entity and the governor's
20	statewide priorities. The strategic plan must cover the following four fiscal years. Each
21	state entity shall update its strategic plan and mission statements at the beginning of
22	each gubernatorial term and at least once every two years after the beginning of the
23	gubernatorial term, and shall submit the updated plan and mission statements to the
24	office. A plan must, at a minimum,
25	(1) describe the strategic plan of the state entity and a mission
26	statement for each division within the state entity; a mission statement must concisely
27	state the fundamental public purpose of the division and its programs and describe the
28	services provided and activities conducted by the division, including an explanation of
29	why and for whom those services and activities are provided or conducted;
30	(2) identify three to six goals for the state entity;

(3) identify specific, measurable, realistic, and timely objectives

1	related to each goal that the state entity will use to achieve its goals based on the
2	recommendations of the division directors of the state entity;
3	(4) describe any user group surveys or other methods of gathering user
4	group opinions the state entity has used to identify ways to improve its program;
5	(5) describe the population served by the state entity and major trends
6	affecting that population, including relevant state or national trends;
7	(6) identify key factors external to and outside the control of the state
8	entity that could significantly affect the achievement of the goals and objectives
9	identified in the strategic plan; and
10	(7) identify legislation and regulatory changes required to implement
11	the proposed strategic plan.
12	(b) The office shall
13	(1) review each strategic plan and mission statement submitted to the
14	office under (a) of this section to determine whether each plan and mission statement
15	is consistent with the executive decisions and statewide priorities of the governor,
16	appropriations by the legislature, and other provisions of law, whether each plan
17	reflects proper planning and efficient management methods, and whether the planning
18	is consistent with the strategic plans and mission statements issued by the governor;
19	(2) approve the strategic plan and mission statement if satisfied that the
20	plan and mission statement meet the requirements under (1) of this subsection;
21	otherwise, the office shall require the state entity to revise the strategic plan or mission
22	statement, in whole or in part;
23	(3) review each performance plan submitted to the office under
24	AS 37.07.085 to determine whether the plan is consistent with the statewide priorities,
25	strategic plans, and mission statements issued by the governor;
26	(4) approve the performance plan if satisfied that the plan meets the
27	requirements under (3) of this subsection; otherwise, the office shall require the state
28	entity to revise the performance plan, in whole or in part.
29	(c) If a state entity fails to transmit the information as required under (a) of
30	this section by the specified date, the office may prepare the information.
31	(d) All strategic plans, mission statements, and other documents forwarded to

1	the office by a state entity under this section are public information after the date they
2	are forwarded.
3	(e) In this section, "state entity" has the meaning given in AS 37.07.014(g).
4	* Sec. 13. AS 37.07 is amended by adding a new section to read:
5	Sec. 37.07.055. Boards and commissions: programs; operations and
6	financial plans. (a) Each board and commission shall prepare and compile a financial
7	plan and shall, on or before December 15 of each year, submit the plan to the office,
8	the legislative finance division, the senate secretary, and the chief clerk of the house of
9	representatives and notify the legislature that the plan is available. The plan must
10	(1) include
11	(A) the budget requested to carry out the proposed plans of the
12	board or commission in the succeeding fiscal year;
13	(B) the expenditures made during the preceding fiscal year;
14	(C) the expenditures authorized for the current fiscal year;
15	(D) the expenditures proposed for the succeeding fiscal year;
16	(E) an explanation of the services to be provided in the
17	succeeding fiscal year, including the need for the services and the cost of the
18	services;
19	(F) the number of total positions for all persons employed or
20	under contract by the board or commission for personal services, including
21	those rendered for capital improvement projects; and
22	(G) other information requested by the office;
23	(2) include a report of receipts of the board or commission for
24	expenditures made during the preceding fiscal year, an estimate of receipts for
25	expenditures to be made during the current fiscal year, and an estimate of receipts for
26	expected expenditures for the succeeding fiscal year; and
27	(3) identify legislation required to implement the proposed financial
28	plans.
29	(b) Each board and commission shall prepare an annual plan for the operation
30	of each of its assigned programs except for programs that are exempted from this
31	requirement by the office. The operations plan shall be prepared in the form and

content and be transmitted	on the date	prescribed by the	he office.	The office shall

- (1) review each operations plan to determine whether the plan is consistent with the executive decisions of the governor, appropriations by the legislature, and other provisions of law, whether the plan reflects proper planning and efficient management methods, and whether appropriations have been made for the legislatively established purpose and will not be exhausted before the end of the fiscal year;
- (2) approve the operations plan if satisfied that the plan meets the requirements under (1) of this subsection; otherwise, the office shall require the board or commission to revise the operations plan, in whole or in part.
- (c) The office shall assist boards and commissions in the preparation of their financial plan under (a) of this section. This assistance may include technical assistance, organization of materials, centrally collected accounting, budgeting and personnel information, standards and guidelines formulation, population and other required data, and any other assistance that will help the boards and commissions produce the information necessary for efficient management and effective decision-making by the governor and the legislature.
- (d) If a board or commission fails to transmit the plan as required under (a) or (b) of this section by the specified date, the office may prepare the plan.
- (e) The office shall compile and submit to the governor-elect in any year when a new governor has been elected, not later than December 15, a summary of the financial plan prepared by boards and commissions under (a) of this section.
- (f) All goals and objectives, plans, programs, estimates, budgets, and other documents forwarded to the office by a board or commission under this section are public information after the date they are forwarded.
- (g) Budget requests for boards and commissions and for those agency programs for the fiscal year following termination under AS 44.66 shall be prepared and submitted. The recommended appropriation request must include
- (1) an identification of the objectives intended for the program and the problem or need that the activities and operations of the board, commission, or program is intended to address;

1	(2) an assessment of the degree to which the original objectives of the
2	program have been achieved expressed in terms of performance, effects, or
3	accomplishments of the program and of the program or need the objective was
4	intended to address;
5	(3) a statement of the performance and accomplishments of the
6	program in each of the last four completed fiscal years and of the costs incurred in the
7	operation of the program;
8	(4) a statement of the number and types of persons affected by
9	operation of the program;
10	(5) a summary statement, for each of the last three completed fiscal
11	years, of the number of personnel employed in carrying out the program and a
12	summary of the cost of personnel employed under contract in carrying out the
13	program;
14	(6) an assessment of the effect of the program on the economy of the
15	state;
16	(7) an assessment of the degree to which the overall policies of the
17	program, as expressed in regulations adopted by the agency, board, or commission and
18	its decisions, meet the objectives of the legislature in establishing the program;
19	(8) an analysis of the services and performance estimated to be
20	achieved if the life of the agency, board, or commission were to be continued;
21	(9) a prioritized list of the activities the agency, board, or commission
22	would be expected to perform if the life of the agency, board, or commission were to
23	be continued, from the most important to the least important.
24	(h) Each board and commission shall, with participation of its employees,
25	develop methods for measuring results. A group or committee established by a board
26	or commission to develop methods of measuring results shall include a representative
27	of each of the bargaining units that represents employees of the board or commission.
28	(i) The office shall report quarterly to the governor and the legislature on the
29	operations of each board and commission, relating actual accomplishments to those
30	planned and modifying, if necessary, the operations plan of any board or commission
31	for the balance of the fiscal year.

* **Sec. 14.** AS 37.07.060(a) is amended to read:

(a) The governor shall identify three to five statewide priorities and shall
formulate the operating and capital budget, capital improvements program, and fiscal
plan required to be recommended to the legislature by AS 37.07.020 after considering
the information provided under AS 37.07.040, 37.07.050, 37.07.055, and 37.07.085
[STATE AGENCY PROPOSED PROGRAM AND FINANCIAL PLANS
PREPARED IN ACCORDANCE WITH AS 37.07.050], and other programs and
alternatives that the governor considers appropriate. The plans must include the
governor's statewide priorities, strategic plans, mission statements, performance
plans [RECOMMENDED MISSIONS AND RESULTS, RECOMMENDED
STRATEGIES TO IMPLEMENT THE MISSIONS AND RESULTS,
RECOMMENDED MEASURES FOR DETERMINING WHETHER THE
MISSIONS AND DESIRED RESULTS ARE ACHIEVED, INCLUDING AN
ASSESSMENT OF WHETHER PRIOR YEAR MISSIONS AND DESIRED
RESULTS HAVE BEEN ACHIEVED], recommended operating program for the
succeeding fiscal year, recommended capital improvements program for the
succeeding six fiscal years, recommended programs for the upgrading of public
buildings and facilities prepared in accordance with AS 35.10.015, and recommended
revenue measures to support the programs.

* Sec. 15. AS 37.07.060 is amended by adding a new subsection to read:

(c) The governor shall present the governor's strategic plans and mission statements in a message to a joint session of the legislature at the same time the governor presents the governor's message under (b) of this section. The message under this subsection must be accompanied by an explanatory report that identifies the governor's statewide priorities and summarizes the strategic plans and mission statements. The governor may not update the strategic plans, mission statements, or explanatory report after the 30th legislative day following the convening of the legislature in regular session.

* **Sec. 16.** AS 37.07.070 is amended to read:

Sec. 37.07.070. Legislative review. The legislature shall consider the governor's statewide priorities, strategic plans, mission statements, financial

plans, performance plans, proposed comprehensive operating and capital
improvements programs, and fiscal plan if it is required under AS 37.07.020(b),
evaluate alternatives to the plans, make program selections among the various
alternatives, and determine, subject to available revenue [REVENUES], the level of
funding required to support authorized state services. The presiding officer of each
house may refer the fiscal plan to one or more committees. If the fiscal plan is
referred, the first committee of referral shall hold at least one hearing on it. The
operating and capital budgets of each agency shall be separately reviewed. During
each regular session of the legislature, legislative review of the governor's
supplemental appropriation bills and the governor's budget amendments are governed
by the following time limits:

- (1) requests by the governor for supplemental appropriations for state agency operating and capital budgets for the current fiscal year may be introduced by the rules committee only through the 15th legislative day;
- (2) requests by the governor for budget amendments to state agency budgets for the budget fiscal year may be received and reviewed by the finance committees only through the 30th legislative day.
- * **Sec. 17.** AS 37.07.080(a) is amended to read:

- (a) Except as limited by executive decisions of the governor, the <u>strategic</u> <u>plans and</u> mission statements [AND DESIRED RESULTS] issued by the <u>governor</u> [LEGISLATURE], appropriations by the legislature, and other provisions of law, [THE SEVERAL] state agencies have full authority for administering their program service assignments and are responsible for their proper management.
- * **Sec. 18.** AS 37.07.080(d) is amended to read:
 - (d) A state agency may not increase the salaries of its employees, employ additional employees, or expend money or incur obligations except in accordance with law and a properly approved **strategic, performance, or** operations plan, as applicable.
- * Sec. 19. AS 37.07 is amended by adding a new section to read:
 - Sec. 37.07.085. Performance plan and financial plan. (a) Each state entity shall annually establish a performance plan and a financial plan that are consistent

1	with the state entity strategic plan and submitted in a format and by a date prescribed
2	by the office. The office shall, on or before December 15 of each year, submit the
3	performance plan and the financial plan to the legislative finance division, the senate
4	secretary, and the chief clerk of the house of representatives and notify the legislature
5	that the plans are available.
6	(b) The performance plan must
7	(1) describe the program structure of the state entity and any proposed
8	changes to its current program structure;
9	(2) identify each program of the state entity and, for each program,
10	provide
11	(A) the constitutional or statutory authority for the program;
12	and
13	(B) a single statement identifying
14	(i) the services provided and customers served by the
15	program; and
16	(ii) the benefit to the public or intended outcome of the
17	program;
18	(3) identify performance measures that clearly assess and capture the
19	progress made by the state entity in meeting the goals and objectives of its divisions
20	and core functions of the state entity stated in the strategic plan required under
21	AS 37.07.050(a);
22	(4) identify the goals and objectives defined in the state entity strategic
23	plan that correspond to each performance measure identified under (3) of this
24	subsection;
25	(5) identify results for each performance measure for the prior four
26	fiscal years and, if historical data is not available, indicate whether the absence of
27	historical data is because a new performance measure is being used; and
28	(6) identify performance targets for each performance measure for the
29	succeeding fiscal year.
30	(c) The financial plan must include the following information:
31	(1) for the prior four fiscal years, identify revenue and expenditures for

1	the state entity and for each program of the state entity by fiscal year,
2	(2) breakdowns of the revenue and expenditures identified in (1) or
3	this subsection that list amounts received by each different revenue source and
4	amounts expended on each type of expenditure;
5	(3) estimates of revenue and expenditures for the current and
6	succeeding fiscal year;
7	(4) the budget requested to carry out the proposed plans of the state
8	entity in the succeeding fiscal year;
9	(5) the expenditures authorized for the current fiscal year;
10	(6) the expenditures proposed for the succeeding fiscal year;
11	(7) the number of total positions for all persons employed or under
12	contract by the state entity for personal services, including those rendered for capita
13	improvement projects;
14	(8) the cost of the services provided by each program identified under
15	(b)(2) of this section;
16	(9) a report of receipts of the state entity for expenditures made during
17	the preceding fiscal year, an estimate of receipts for expenditures to be made during
18	the current fiscal year, and an estimate of receipts for expected expenditures for the
19	succeeding fiscal year;
20	(10) identification of legislation required to implement the proposed
21	financial plan; and
22	(11) other financial information requested by the office.
23	(d) The office shall assist state entities in the preparation of their performance
24	plans and financial plans required by (a) - (c) of this section. This assistance may
25	include technical assistance, organization of materials, centrally collected accounting
26	budgeting and personnel information, standards and guidelines formulation
27	population and other required data, and any other assistance that will help the state
28	entities produce the information necessary for efficient state entity management and
29	effective decision-making by the governor and the legislature.
30	(e) If any state entity fails to transmit the performance plan or financial plan
31	required by (a) - (c) of this section by the date prescribed by the office, the office may

1	prepare the information.
2	(f) Once each calendar quarter, each state entity shall prepare a performance
3	report updating the performance information required under (b)(3) - (5) of this section
4	and present its performance report to the office in a format prescribed by the office.
5	(g) All performance plans, financial plans, reports, and other documents
6	forwarded to the office by a state entity under this section are public information after
7	the date they are forwarded. The office shall publish the plans and reports required
8	under this section on a publicly available Internet website.
9	(h) Each state entity shall develop its performance plan with the participation
10	of its employees. A group or committee established by a state entity to develop a
11	performance plan shall include a representative of each of the bargaining units that
12	represent employees of the state entity.
13	(i) In this section, "state entity" has the meaning given in AS 37.07.014(g).
14	* Sec. 20. AS 37.07.120 is amended by adding new paragraphs to read:
15	(11) "goal" means a broad statement generally describing a desired
16	outcome for a state entity or a program of the state entity;
17	(12) "objective" means a measurable target that describes the end
18	result that a service or program is expected to accomplish in a given amount of time;
19	(13) "performance measure" means a quantifiable and enduring
20	measure of an outcome, output, efficiency, or effectiveness;
21	(14) "strategic plan" means a strategic plan developed under
22	AS 37.07.050.
23	* Sec. 21. AS 44.66.050(a) is amended to read:
24	(a) Before the termination, dissolution, continuation, or reestablishment of a
25	board or commission under AS 08.03.010 or AS 44.66.010, a committee of reference
26	of each house, which shall be the standing committee of legislative jurisdiction as
27	provided in the Uniform Rules of the Legislature, shall hold one or more hearings to
28	receive testimony from the public, the commissioner of the department having
29	administrative responsibility for each named board or commission, and the members

31

of the board or commission involved. The hearings may be joint hearings. The

committee shall also consider the proposed budget of the board or commission

prepared in accordance with <u>AS 37.07.055(g)</u> [AS 37.07.050(f)] and the performance audit of the activities of the board or commission prepared by the legislative audit division as prescribed in AS 24.20.271(1). The committee may consider any other report of the activities of the board or commission, including annual reports, summaries prepared by the Legislative Affairs Agency, and any evaluation or general report of the manner of conduct of activities of the board or commission prepared by the office of the ombudsman.

- * Sec. 22. AS 37.07.080(b) and 37.07.080(c) are repealed.
- 9 * Sec. 23. This Act takes effect July 1, 2025.
