18 (b) In developing enforceable policies in its coastal management plan under
 19 (a) of this section, a coastal resource district shall **meet the requirements of**

 27 **concern; and**

28 **(4) employ the least restrictive means to achieve the objective of**
 29 **the enforceable policy** [MEET THE REQUIREMENTS OF AS 46.40.070 AND
 30 MAY NOT DUPLICATE, RESTATE, OR INCORPORATE BY REFERENCE

14 (3) any other relevant factors.

16 (b) **Notwithstanding any other provision of law,** AS 46.03, AS 46.04,
17 AS 46.09, AS 46.14, and the regulations adopted under those statutes constitute the
18 exclusive enforceable policies of the Alaska coastal management program for those
19 purposes. For those purposes only,

20 (1) the issuance of permits, certifications, approvals, and
21 authorizations by the Department of Environmental Conservation establishes
22 consistency with the Alaska coastal management program for those activities of a
23 proposed project subject to those permits, certifications, approvals, and authorizations;

24 (2) for a consistency review of an activity that does not require a
25 Department of Environmental Conservation permit, certification, approval, or

27 federal land or the federal outer continental shelf, consistency with AS 46.03,
28 AS 46.04, AS 46.09, and AS 46.14 and the regulations adopted under those statutes
29 shall be established on the basis of whether the Department of Environmental
30 Conservation finds that the activity satisfies the requirements of those statutes and
31 regulations.

1 * **Sec. 10.** AS 46.40.050 is amended by adding a new subsection to read:

2 (c) A coastal resource district shall resubmit its coastal management plan, as
3 may be directed by the board under AS 46.39.005(k)(3).

4 * **Sec. 11.** AS 46.40.060(a) is amended to read:

5 (a) If, upon submission of a district coastal management plan for approval, the
6 department finds that the plan meets the provisions of this chapter [AND THE
7 STATEWIDE STANDARDS AND DISTRICT PLAN CRITERIA ADOPTED BY
8 THE DEPARTMENT AND DOES NOT ARBITRARILY OR UNREASONABLY
9 RESTRICT OR EXCLUDE USES OF STATE CONCERN], the department may

11 plan that meet those requirements.

12 * **Sec. 12.** AS 46.40.060(b) is amended to read:

13 (b) If the department finds that a district coastal management plan is not
14 approvable or is approvable only in part under (a) of this section, **the department**
15 **shall explain in writing the basis for its decision. The coastal resource district that**
16 **submitted the plan may request that the department submit the plan or portions**
17 **of the plan to the board for review. The board shall review the plan or portions of**
18 **the plan and make recommendations relating to whether the department should**
19 **approve or modify the district coastal management plan in whole or in part** [IT
20 SHALL DIRECT THAT DEFICIENCIES IN THE PLAN SUBMITTED BY THE
21 COASTAL RESOURCE DISTRICT BE MEDIATED. IN MEDIATING THE
22 DEFICIENCIES, THE DEPARTMENT MAY CALL FOR ONE OR MORE PUBLIC
23 HEARINGS IN THE DISTRICT. THE DEPARTMENT SHALL MEET WITH
24 OFFICIALS OF THE COASTAL RESOURCE DISTRICT IN ORDER TO
25 RESOLVE DIFFERENCES].

26 * **Sec. 13.** AS 46.40.060(c) is amended to read:

30 department shall enter findings and, by order, may [REQUIRE]

31 (1) **approve the plan or portions of the plan;**

1 **(2) require** that the district coastal management plan be amended to
 2 **meet** [SATISFY] the provisions of this chapter [OR MEET THE STATEWIDE
 3 STANDARDS] and district plan criteria adopted by the department;

4 **(3) require** [(2)] that the district coastal management plan be revised
 5 to accommodate a use of state concern; or

6 **(4) require the coastal resource district to submit additional**
 7 **information if, in the judgment of the department, additional information is**
 8 **necessary for the department to approve the plan or portions of the plan** [(3)
 9 ANY OTHER ACTION BE TAKEN BY THE COASTAL RESOURCE DISTRICT
 10 AS APPROPRIATE].

11 * **Sec. 14.** AS 46.40.060 is amended by adding new subsections to read:

12 (e) Only a coastal resource district affected by a decision of the department
 13 under this section may request reconsideration of the decision. The request must be
 14 made within 15 days after the decision, must be in writing, and must include a
 15 statement of the specific issues and material facts that the coastal resource district
 16 contends that the department overlooked, failed to consider, or misconceived. The
 17 commissioner of natural resources may review the department's decision on the basis
 18 of the request and determine whether the decision should be changed. The
 19 commissioner may issue a determination in writing within 20 days after the issuance
 20 of the decision. If the commissioner has not issued a written decision within the 20-
 21 day period, the request for reconsideration shall be considered as denied. Denial of a
 22 request for reconsideration is a final administrative order and decision of the
 23 department.

24 (f) The superior courts of the state have jurisdiction to enforce orders of the
 25 department entered under (c) and (e) of this section.

26 * **Sec. 15.** AS 46.40.070 is repealed and reenacted to read:

27 **Sec. 46.40.070. Requirements for department review and approval.** (a) The
 28 department shall approve a district coastal management plan submitted for review and
 29 approval if, as determined by the department, the

30 (1) district coastal management plan meets the requirements of this
 31 chapter and the district plan criteria adopted by the department; and

1 (2) enforceable policies of the district coastal management plan

2 (A) do not duplicate, restate, incorporate by reference,
3 rephrase, or adopt state or federal statutes or regulations;

4 (B) are not preempted by or in conflict with state or federal
5 statutes or regulations;

6 (C) employ the least restrictive means to achieve the objective
7 of the enforceable policies;

8 (D) do not arbitrarily or unreasonably restrict uses of state
9 concern; and

10 (E) meet the requirements of (b) and (c) of this section.

11 (b) The enforceable policies in a district coastal management plan submitted
12 for review under this section that meet the requirements of (a) of this section may
13 establish new standards or requirements that are within the authority of a state or
14 federal agency unless

15 (1) a state agency specifically objects to the proposed new standards or
16 requirements on the grounds that the proposed standards or requirements

17 (A) are based on aggregate evidence that is relied upon by the
18 coastal resource district to satisfy the requirements of AS 46.40.030 but that
19 conflicts with the agency's interpretation of the aggregate evidence within the
20 agency's area of expertise;

21 (B) conflict with the agency's allocation of existing or planned
22 agency resources to meet state policies and objectives; or

23 (C) conflict with agency priorities or objectives, or other state
24 policies;

25 (2) the proposed new standards or requirements address discharges,
26 emissions, contaminants, conditions, risks, or other matters that fall within the
27 authority of the Department of Environmental Conservation under AS 46.03,
28 AS 46.04, AS 46.09, AS 46.14, and regulations adopted under those statutes.

29 (c) An approval of a district coastal management plan with enforceable
30 policies may not affect a person's rights or authorizations under an unexpired permit,
31 lease, or other valid existing right to explore or develop natural resources that predates

1 the date that the enforceable policy becomes final. An enforceable policy becomes
 2 final when its adoption is no longer subject to further review through either a judicial
 3 or administrative process.

4 (d) Notwithstanding AS 46.40.030(a)(4), in reviewing and approving a district
 5 coastal management plan under (a) of this section, the department may not require a
 6 district to designate areas for the purpose of developing an enforceable policy.

7 (e) In this section, "specifically objects" means that, during a review of a
 8 district coastal management plan under AS 46.40.050 or 46.40.060 and their
 9 implementing regulations, a written objection to the enforceable policy that establishes
 10 the new standards or requirements is filed with the department by

- 11 (1) the commissioner or deputy commissioner of a state agency; or
- 12 (2) the attorney general of the state.

13 (f) Notwithstanding any other provision of this chapter, an enforceable policy
 14 that establishes requirements within the authority of a state or federal agency shall be
 15 superseded upon the enactment of a law or adoption of a regulation that is inconsistent
 16 with the enforceable policy.

17 * **Sec. 16.** AS 46.40.096(d) is amended to read:

18 (d) In preparing a consistency review and determination for a proposed
 19 project, the reviewing entity shall

20 (1) request consistency review comments for the proposed project
 21 from state resource agencies, affected coastal resource districts, and other interested
 22 parties as determined by regulation adopted by the department;

23 (2) prepare proposed consistency determinations;

24 (3) **conduct an elevated review** [COORDINATE SUBSEQUENT
 25 REVIEWS] of proposed consistency determinations prepared under (2) of this
 26 subsection; **an elevated** [A SUBSEQUENT] review of a proposed consistency
 27 determination under this paragraph

28 (A) **shall be conducted** [IS LIMITED TO A REVIEW] by the
 29 **commissioners or deputy commissioners of the resource agencies**
 30 [DEPARTMENT];

31 (B) may occur only if requested by

1 (i) the project applicant;

2 (ii) a state resource agency; or

3 (iii) an affected coastal resource district; and

4 (C) shall be completed **with the issuance of a written order**
 5 **signed by at least two of the commissioners or deputy commissioners of**
 6 **the resource agencies** [BY THE DEPARTMENT] within **60** [45] days after
 7 the initial request for **an elevated** [SUBSEQUENT] review under this
 8 paragraph; **if a written order is not issued in accordance with this**
 9 **subparagraph, the proposed consistency determination under (2) of this**
 10 **subsection is the final consistency determination and certification; and**

11 (4) render the final consistency determination and certification
 12 **consistent with this subsection.**

13 * **Sec. 17.** AS 46.40.096(o) is amended to read:

14 (o) The time limitations in (n) of this section

15 (1) do not apply to a consistency review involving the disposal of an
 16 interest in state land or resources;

17 (2) are suspended

18 (A) from the time the reviewing entity determines that the
 19 applicant has not adequately responded in writing within 14 days after the
 20 receipt of a written request from the reviewing entity for additional
 21 information, until the time the reviewing entity determines that the applicant
 22 has provided an adequate written response;

23 (B) during a period of time requested by the applicant;

24 (C) during the period of time a consistency review is
 25 undergoing **an elevated** [A SUBSEQUENT] review under (d)(3) of this
 26 section.

27 * **Sec. 18.** AS 46.40.096(q)(2) is amended to read:

28 (2) "reviewing entity" means the

29 (A) Department of Natural Resources, for a consistency review
 30 subject to AS 46.39.010;

31 (B) **commissioners or deputy commissioners of the resource**

1 **agencies for an elevated review;**

2 **(C)** state agency identified in (b) of this section, for a
3 consistency review not subject to AS 46.39.010.

4 * **Sec. 19.** AS 46.40.180(b) is amended to read:

5 (b) If a city or village within a coastal resource service area fails to approve a
6 portion of the district coastal management plan prepared and submitted for approval
7 under (a) of this section, the governing body shall advise the coastal resource service
8 area board of its objections to the proposed plan and suggest alternative elements or
9 components for inclusion in the district coastal management plan. New matter
10 submitted by a city or village that **is not inconsistent with the standards adopted**
11 **under AS 46.40.040 and** meets the [STATEWIDE STANDARDS AND] district plan
12 criteria adopted under this chapter shall be accepted and the district coastal
13 management plan modified accordingly. If a city or village fails to provide objections
14 and suggested alternatives within the time limits established in this section, the coastal
15 resource service area board may adopt the district coastal management plan as initially
16 offered.

17 * **Sec. 20.** AS 46.40.210 is amended by adding new paragraphs to read:

18 (13) "aggregate evidence" means the most complete and competent
19 information available that relates to an enforceable policy in a district coastal
20 management plan or the development of an enforceable policy in a proposed district
21 coastal management plan; in this paragraph, "information" includes

22 (A) data that are obtained through the scientific method, that
23 relate to established chemical, physical, biological, or ecosystem management
24 principles, that are in a form that allows resource agency review for scientific
25 merit, and that are supported by one or more of the following:

26 (i) written analysis based on field observations and
27 professional judgment along with photographic or other documentation;

28 (ii) written analysis from a professional scientist with
29 expertise in the specific discipline; or

 2 of that environment, including information passed down through generations,
 3 if that knowledge is

4 (i) derived from experience and observations;

 7 inconsistent with competent information described under (A) of this
 8 paragraph;

9 (14) "board" means the Alaska Coastal Policy Board established in
 10 AS 46.39.005;

11 (15) "commissioners" means the commissioners of the resource
 12 agencies;

13 (16) "elevated review" means a review of a proposed consistency

16 * **Sec. 21.** AS 46.39.005 is repealed.

17 * **Sec. 22.** AS 46.40.060(d) is repealed.
