11 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

12 \* **Section 1.** The uncodified law of the State of Alaska is amended by adding a new section

1 to read:

2 PURPOSE. The purpose of this Act is to replace existing state money transmission  
3 laws to modernize licensure requirements, to add model language for the burgeoning virtual-  
4 currency industry, to allow the Department of Commerce, Community, and Economic  
5 Development to coordinate with other states in regulation, licensing, and supervision, to  
6 standardize the types of activities that are subject to licensing, and to modernize safety and  
7 soundness requirements for money transmission.

8 \* **Sec. 2.** AS 06.55.101(a) is amended to read:

9 (a) A person may not engage in the business of money transmission or  
10 advertise, solicit, or hold **itself** [THE PERSON] out as providing money transmission  
11 unless the person

12 (1) holds a [MONEY TRANSMISSION] license; [OR]

13 (2) is an authorized delegate of a **licensee and is acting within the**  
14 **scope of that authority under a written contract with the licensee; or**

15 **(3) is exempt under AS 06.55.802 and does not engage in money**  
16 **transmission outside the scope of that exemption** [PERSON WHO HOLDS A  
17 MONEY TRANSMISSION LICENSE].

18 \* **Sec. 3.** AS 06.55.102 is repealed and reenacted to read:

19 **Sec. 06.55.102. Application for license.** (a) An applicant for a license shall  
20 submit

21 (1) an application in a form and in a medium prescribed by the  
22 department; the application must contain information on the applicant's organization,  
23 operations, financial responsibility, background, experience, competence, and  
24 activities;

25 (2) any other information reasonably required by the department or  
26 registry with respect to the applicant;

27 (3) an application fee;

28 (4) an initial license fee; and

29 (5) a surety bond or other security as required by AS 06.55.505.

30 (b) The department may waive a requirement of (a)(1) - (4) of this section or  
31 permit an applicant to submit other information in lieu of the required information.

1 \* **Sec. 4.** AS 06.55.105 is repealed and reenacted to read:

2 **Sec. 06.55.105. Issuance of license.** (a) When an application for an initial  
3 license under this chapter appears to include all required content and address all  
4 matters required by the department, the application is considered complete, and the  
5 department shall notify the applicant in a record of the date on which the application  
6 was determined to be complete. The department shall approve or deny the application  
7 within 120 days after the date the application was determined to be complete. If the  
8 application is not approved or denied within 120 days after the completion date,

9 (1) the application is approved; and

10 (2) the license takes effect as of the first business day after expiration  
11 of the 120-day period.

12 (b) The department may for good cause extend the period for approving or  
13 denying an application under (a) of this section.

14 (c) A determination by the department that an application is complete and the  
15 application being accepted for processing means only that the application, on its face,  
16 appears to include all required items, including a criminal background check, and  
17 address all required matters. The department's determination is not an assessment of  
18 the substance of the application or of the sufficiency of the information provided.

19 (d) When an application is filed and considered to be complete under (a) of  
20 this section, the department shall investigate the applicant's financial condition,  
21 financial responsibility, financial experience, business experience, competence level,  
22 character, and general fitness. The department may conduct an on-site investigation of  
23 the applicant, the reasonable cost of which the applicant shall pay. The department  
24 shall issue a license to an applicant if the department finds that

25 (1) the applicant has complied with AS 06.55.102, 06.55.109, and  
26 applicable regulations; and

27 (2) the financial condition, financial responsibility, financial

29 the applicant, and the experience, competence level, character, and general fitness of  
30 the key individuals and persons in control of the applicant indicate that it is in the  
31 public interest to allow the applicant to engage in money transmission.

1 (e) If an applicant is subject to a multistate licensing process, the department  
2 may

3 (1) accept the investigation results of a lead investigative state for the  
4 purposes of (d) of this section; or

5 (2) investigate the applicant in accordance with (d) of this section and  
6 the timeframes established by agreement through the multistate licensing process,  
7 provided those timeframes comply with the application period set out in (a) of this  
8 section.

9 (f) The department shall issue a formal written notice of a denial of a license  
10 application within 30 days of the decision to deny the application. The department  
11 shall set out in the notice of denial the specific reasons for the denial. An applicant  
12 may appeal a denial to the department within 30 days of receipt of the written notice  
13 of the denial and may request a hearing.

14 (g) The initial license term begins on the day the application is approved. The  
15 license expires on December 31 of the year in which the license is issued, unless

16 (1) the initial license date is between November 1 and December 31, in  
17 which instance the initial license term runs through December 31 of the following  
18 year; or

19 (2) the license is revoked, suspended, surrendered, or its term  
20 otherwise adjusted in accordance with regulations adopted by the department.

21 \* **Sec. 5.** AS 06.55.106 is repealed and reenacted to read:

22 **Sec. 06.55.106. Renewal of license.** (a) A licensee shall renew its license  
23 annually. A licensee shall pay an annual renewal fee by the renewal filing deadline  
24 established by the department. The renewal term is for a period of one year and begins

26 the year the renewal term begins.

27 (b) A licensee shall submit a renewal report with the renewal fee in a form and  
28 in a medium prescribed by the department. The renewal report must describe each  
29 material change in information submitted by the licensee in the licensee's initial  
30 license application that has not been reported to the department.

31 (c) The department may for good cause grant an extension of the renewal

1 filing deadline.

2 (d) The department may use the registry to process license renewals.

3 \* **Sec. 6.** AS 06.55 is amended by adding new sections to article 1 to read:

4 **Sec. 06.55.108. Maintenance of license.** (a) A licensee shall at all times meet  
5 the requirements of this chapter.

6 (b) If a licensee does not continue to meet the qualifications or satisfy the  
7 requirements that apply to an applicant for a new license, the department may suspend  
8 or revoke the licensee's license in accordance with this chapter or other applicable law.

9 **Sec. 06.55.109. Information requirements for certain individuals.** (a) An  
10 individual in control of a licensee or applicant, an individual who seeks to acquire  
11 control of a licensee, and each key individual shall furnish to the department through  
12 the registry the following items:

13 (1) the individual's fingerprints for submission to the Federal Bureau

15 individual currently resides outside the United States and has resided outside the

26 contract.

27 (b) If the individual has resided outside the United States for four or more  
28 years in the 10 years before the date of furnishing the information under (a) of this  
29 section, the individual shall also provide an investigative background report prepared  
30 by an independent search firm. The independent search firm may not be affiliated with  
31 or have an interest in the individual it is researching. At a minimum, the investigative

1 background report must

2 (1) demonstrate that the independent search firm has sufficient  
3 knowledge, resources, and employs accepted and reasonable methodologies to conduct  
4 the research of the background report;

5 (2) be written in English and contain the following:

6 (A) if available in the individual's current jurisdiction of  
7 residency, a comprehensive credit report or equivalent information obtained or  
8 generated by the independent search firm to accomplish a comprehensive  
9 credit report, including a search of the court data in the countries, provinces,  
10 states, cities, towns, and contiguous areas where the individual has resided and  
11 worked;

12 (B) criminal records information for the previous 10 years,  
13 including felonies, misdemeanors, or similar convictions for violations of law  
14 in the countries, provinces, states, cities, towns, and contiguous areas where  
15 the individual has resided and worked;

16 (C) employment history;

17 (D) media history, including an electronic search of national  
18 and local publications, wire services, and business applications; and

19 (E) regulatory history related to financial services, including  
20 money transmission, securities, banking, insurance, and mortgage-related  
21 industries.

22 **Sec. 06.55.110. Consistent state licensing.** (a) To establish consistent  
23 licensing between this state and other states, the department may

24 (1) implement all licensing provisions of this chapter in a manner that  
25 is consistent with other states that have adopted multistate licensing processes; and

26 (2) participate in nationwide protocols for licensing cooperation and  
27 coordination among state regulators if the nationwide protocols are consistent with this  
28 chapter.

29 (b) To fulfill the purposes of this chapter, the department may establish  
30 relationships or contracts with the registry or other entities designated by the registry  
31 to enable the department to

- 1 (1) collect and maintain records;  
 2 (2) coordinate multistate licensing processes and supervision  
 3 processes;  
 4 (3) process fees; and  
 5 (4) facilitate communication between the department and licensees or

 16 is

- 17 (1) licensed under this chapter; or  
 18 (2) exempt from licensing under AS 06.55.802.

19 (b) A person that is licensed to engage in virtual currency business activity is

 25 the department determines to be reasonably necessary for the protection of persons.  
 26 The department shall determine by regulation or order the time and form required for  
 27 disclosure. A disclosure required by this section must be made separately from any  
 28 other information provided by the licensee and in a clear and conspicuous manner in a  
 29 record the person may keep. A licensee may propose for the department's approval  
 30 alternative disclosures as more appropriate for its virtual currency business activity.

31 (b) Before establishing a relationship with a person, a licensee shall disclose,

1 to the extent applicable to the virtual currency business activity the licensee will  
2 undertake with the person,

5 and the timing of the fees and charges;

6 (2) whether the product or service provided by the licensee is covered  
7 by

8 (A) a form of insurance or is otherwise guaranteed against loss  
9 by an agency of the United States

10 (i) up to the dollar equivalent of virtual currency  
11 purchased from the licensee or for control of virtual currency by the  
12 licensee as of the date of the placement or purchase, including the  
13 maximum amount provided by insurance under the Federal Deposit  
14 Insurance Corporation or otherwise available from the Securities  
15 Investor Protection Corporation; or

16 (ii) if not provided at the dollar equivalent of virtual  
17 currency purchased from the licensee or for control of virtual currency  
18 by the licensee, the maximum amount of coverage for each person  
19 expressed in the dollar equivalent of the virtual currency; or

20 (B) private insurance against theft or loss, including cyber  
21 theft;

22 (3) the irrevocability of a virtual currency transfer or virtual currency

6 date or time when the person initiates an instruction to make the transfer or exchange;

7 (6) whether the person has a right to stop a pre-authorized payment or  
8 revoke authorization for a virtual currency transfer and the procedure to initiate a stop-

10 (7) the person's right to receive a receipt, trade ticket, or other evidence  
11 of a virtual currency transfer or virtual currency exchange;

12 (8) the person's right to at least 30 days' prior notice of a change in the  
13 licensee's fee schedule, other terms and conditions of operating the licensee's virtual-  
14 currency business activity with the person, and the policies applicable to the person's  
15 account; and

16 (9) that virtual currency is not money, that other persons are not  
17 required to take payment in virtual currency, that the value of virtual currency can  
18 change, and that virtual currency may not be backed by a governmental agency.

19 (c) Except as provided in (d) of this section, at the conclusion of a virtual  
20 currency transaction with or on behalf of a person, a licensee shall provide the person

28 (d) If a licensee discloses that it will provide a daily confirmation in the initial  
29 disclosure under (c) of this section, the licensee may elect to provide a single, daily

1           **Sec. 06.55.160. Property interests and entitlements to virtual currency. (a)**

2           A licensee that has control of virtual currency for a person shall maintain in the  
3           licensee's control an amount of each type of virtual currency sufficient to satisfy the  
4           aggregate entitlements of the person to the type of virtual currency.

5           (b) If a licensee violates (a) of this section, the property interests of the person  
6           in the virtual currency are pro rata property interests in the type of virtual currency to  
7           which the person is entitled, without regard to the time the person became entitled to  
8           the virtual currency or the licensee obtained control of the virtual currency.

9           (c) The virtual currency referred to in this section is

- 10                   (1) held for the person entitled to the virtual currency;  
11                   (2) not property of the licensee;  
12                   (3) not subject to the claims of creditors of the licensee; and  
13                   (4) considered a permissible investment under this chapter.

16           activity shall comply with all provisions of this chapter to the extent applicable to the  
17           licensee's activities.

18           (b) A licensee engaged in a virtual currency business activity may include  
19           virtual currency in the licensee's calculation of tangible net worth, except virtual  
20           currency controlled by a person entitled to the protections of AS 06.55.160. The  
21           virtual currency is measured by the average value of the virtual currency expressed in  
22           the dollar equivalent over the previous six calendar months.

23           (c) For five years after the date of virtual currency business activity with or on  
24           behalf of a person, a licensee shall maintain a record of

- 25                   (1) each transaction of the licensee with or on behalf of the person or  
26           for the licensee's account in this state, including  
27                           (A) the identity of the person;  
28                           (B) the form of the transaction;  
29                           (C) the amount, date, and payment instructions given by the  
30           person; and  
31                           (D) the account number, name, and mailing address of the

1 resident, and to the extent feasible, other parties to the transaction;

2 (2) the aggregate number of transactions and aggregate value of  
3 transactions by the licensee with or on behalf of the person and for the licensee's  
4 account in this state, expressed in the dollar equivalent of virtual currency for the  
5 previous 12 calendar months;

6 (3) each transaction in which the licensee engaged in a virtual currency  
7 exchange of one form of virtual currency for money or another form of virtual  
8 currency with or on behalf of the person;

9 (4) a general ledger posted at least monthly that lists all assets,  
10 liabilities, capital, income, and expenses of the licensee;

11 (5) each report required to be submitted under AS 06.55.403;

12 (6) bank statements and bank reconciliation records for the licensee  
13 and the name, account number, and mailing address of each bank the licensee uses in  
14 the conduct of its virtual currency business activity with or on behalf of the person;

15 (7) a report of any dispute with the person; and

16 (8) a report of any virtual currency business activity transaction with or  
17 on behalf of the person that the licensee was unable to complete.

18 (d) A licensee shall maintain the records required by (c) of this section in a  
19 form that enables the department to determine whether the licensee is in compliance  
20 with a court order, this chapter, or other law of this state.

21 **Sec. 06.55.170. Scope.** (a) The provisions of AS 06.55.150 - 06.55.165 do not

9 **Sec. 06.55.301. Relationship between licensee and authorized delegate.** (a)

10 Before a licensee is authorized to conduct business through an authorized delegate or  
11 to allow a person to act as the licensee's authorized delegate, the licensee shall

12 (1) adopt, and update as necessary, written policies and procedures  
13 reasonably designed to ensure that the authorized delegate complies with applicable

20 (b) An authorized delegate shall operate in compliance with this chapter.

21 (c) The written contract required by (a)(2) of this section must be signed by  
22 the licensee and the authorized delegate and, at a minimum, must

23 (1) appoint the person signing the contract as the licensee's authorized  
24 delegate with the authority to conduct money transmission on behalf of the licensee;

25 (2) set out the nature and scope of the relationship between the licensee

27 (3) require the authorized delegate to agree to comply with all  
28 applicable state and federal laws, rules, and regulations pertaining to money

6 requested by the department;

7 (7) acknowledge that the authorized delegate consents to examination  
8 or investigation by the department;

9 (8) state that the licensee is subject to regulation by the department and  
10 that, as part of that regulation, the department may suspend or revoke an authorized  
11 delegate designation or require the licensee to terminate an authorized delegate  
12 designation; and

13 (9) acknowledge receipt of the written policies and procedures  
14 required under (a)(1) of this section.

15 (d) If the licensee's license is suspended, revoked, surrendered, or expired, the

17 the licensee has notified all applicable authorized delegates of the licensee whose  
18 names are in a record filed with the department of the suspension, revocation,  
19 surrender, or expiration. Upon suspension, revocation, surrender, or expiration of a

21 transmission as an authorized delegate of the licensee.

22 (e) An authorized delegate of a licensee holds in trust for the benefit of the  
23 licensee all money net of fees received from money transmission. If an authorized  
24 delegate commingles any funds received from money transmission with any other  
25 funds or property owned or controlled by the authorized delegate, all commingled  
26 funds and other property shall be considered held in trust in favor of the licensee in an  
27 amount equal to the amount of money net of fees received from money transmission.

28 (f) An authorized delegate may not use a subdelegate to conduct money  
29 transmission on behalf of a licensee.

30 (g) In this section, "remit" means to make direct payments of money to a  
31 licensee or its representative authorized to receive money or to deposit money in a

1 bank account specified by the licensee.

 17 Fund Transfer Act of 1978), P.L. 106-102 (Gramm-Leach-Bliley Act), and P.L. 107-

21 (2) conduct an examination in conjunction with an examination  
 22 conducted by representatives of other agencies of this state, another state, or the  
 23 federal government;

24 (3) accept the examination report of another agency of this state,

 29 licensee or authorized delegate and require the key individual or employee to produce  
 30 records regarding any matter related to the condition and business of the licensee or  
 31 authorized delegate.

1 (b) A licensee or authorized delegate shall provide, and the department shall  
 2 have complete access to, all records the department reasonably requires to conduct a  
 3 complete examination. The licensee or authorized delegate shall provide the records at  
 4 the location and in the format specified by the department. The department may use  
 5 multistate record production standards and examination procedures when the standards  
 6 and procedures will reasonably achieve the requirements of this section.

7 (c) Unless otherwise directed by the department, a licensee shall pay all costs  
 8 reasonably incurred in connection with an examination of the licensee or the licensee's  
 9 authorized delegate.

10 (d) Information obtained during an examination under this chapter may be  
 11 disclosed only as provided in AS 06.55.407.

14 \* **Sec. 13.** AS 06.55.403(c) is amended to read:

5 \* **Sec. 14.** AS 06.55.403 is amended by adding a new subsection to read:

6 (d) The department may use the registry for the submission of reports required  
7 by this section.

8 \* **Sec. 15.** AS 06.55.404 is repealed and reenacted to read:

9 **Sec. 06.55.404. Control; acquisition; passive investor.** (a) A person or group  
10 of persons acting in concert seeking to acquire control of a licensee shall obtain the  
11 written approval of the department before acquiring control. An individual is not  
12 deemed to acquire control of a licensee when that individual becomes a key individual  
13 in the ordinary course of business.

14 (b) A person or group of persons acting in concert seeking to acquire control  
15 of a licensee shall, in cooperation with the licensee,

16 (1) submit an application in a form and in a medium prescribed by the  
17 department that includes the information required by AS 06.55.412, as applicable; and

18 (2) submit a nonrefundable fee with the request for approval.

19 (c) The department may permit a licensee or the person, or group of persons  
20 acting in concert, to submit some or all information required by the department under  
21 (b)(1) of this section without using the registry.

22 (d) When an application for acquisition of control appears to include all  
23 required content and address all matters required by the department, the application is  
24 considered complete, and the department shall notify the applicant in a record of the  
25 date on which the department determines the application is complete. The department  
26 shall approve or deny the application within 120 days after the date the application  
27 was determined to be complete. If the application is not approved or denied within 120  
28 days after the completion date,

29 (1) the application is approved; and

30 (2) the person or group of persons acting in concert is not prohibited  
31 from acquiring control.

1 (e) The department may for good cause extend the period for approving or  
2 denying an application under (d) of this section.

3 (f) A determination by the department that an application is complete and the  
4 application being accepted for processing means only that the application, on its face,  
5 appears to include all required items, including a criminal background check, and  
6 address all required matters. The department's determination is not an assessment of  
7 the substance of the application or of the sufficiency of the information provided.

8 (g) When an application is filed and considered to be complete under (d) of  
9 this section, the department shall investigate the financial condition, financial  
10 responsibility, financial experience, business experience, competence level, character,  
11 and general fitness of the person or group of persons acting in concert seeking to  
12 acquire control. The department shall approve a request for acquisition of control if  
13 the department finds that

14 (1) the requirements of (b) of this section have been met, as applicable;  
15 and

16 (2) the financial condition, financial responsibility, financial  
17 experience, business experience, competence level, character, and general fitness of  
18 the person or group of persons acting in concert seeking to acquire control, and the  
19 experience, competence level, character, and general fitness of the key individuals and  
20 persons that would be in control of the licensee after the acquisition of control indicate  
21 that it is in the public interest to permit the person or group of persons acting in  
22 concert to control the licensee.

23 (h) If an applicant for approval to acquire control is subject to a multistate  
24 licensing process, the department may

25 (1) accept the investigation results of a lead investigative state for the  
26 purposes of (g) of this section; or

27 (2) investigate the applicant in accordance with (g) of this section and  
28 the timeframes established by agreement through the multistate licensing process,  
29 provided those timeframes comply with the application period set out in (d) of this  
30 section.

31 (i) The department shall issue a formal written notice of a denial of an

1 application for approval to acquire control within 30 days after the decision to deny  
2 the application. The department shall set out in the notice of denial the specific reasons  
3 for the denial. An applicant may appeal a denial within 30 days after receiving the  
4 written notice of the denial.

5 (j) The requirements of (a) and (b) of this section do not apply to

6 (1) a person that acts as a proxy for the sole purpose of voting at a  
7 designated meeting of the shareholders or holders of voting shares or voting interests  
8 of a licensee or a person in control of a licensee;

9 (2) a person that acquires control of a licensee by devise or descent;

10 (3) a person that acquires control of a licensee as a personal  
11 representative, custodian, guardian, conservator, or trustee, or as an officer appointed  
12 by a court of competent jurisdiction or by operation of law;

13 (4) a person that is exempt under AS 06.55.802(4);

14 (5) a person that the department, by regulation or order, determines to  
15 be exempt from the requirements of (a) and (b) of this section because that exemption  
16 is in the public interest;

17 (6) a public offering of securities of a licensee or a person in control of  
18 a licensee; or

19 (7) an internal reorganization of a person in control of a licensee where  
20 the ultimate person in control of the licensee remains the same.

21 (k) A person exempt from the requirements of (a) and (b) of this section, in  
22 cooperation with the licensee, shall notify the department within 15 days after the  
23 acquisition of control.

24 (l) Before filing an application for approval to acquire control of a licensee, a  
25 person may request in writing a determination from the department as to whether the  
26 person would be considered a person in control of a licensee upon consummation of a  
27 proposed transaction. If the department determines that the person would not be a  
28 person in control of a licensee, the proposed person and transaction are not subject to  
29 the requirements of (a) and (b) of this section.

30 (m) If a multistate licensing process includes a determination made under (l)  
31 of this section and an applicant is subject to the multistate licensing process, the

1 department may

2 (1) accept the control determination of a lead investigative state; or

3 (2) investigate the applicant in accordance with this section and the  
4 timeframes established by agreement through the multistate licensing process.

5 (n) The requirements of (a) and (b) of this section do not apply to a person that  
6 has complied with and received approval to engage in money transmission under this  
7 chapter or was identified as a person in control in a previous application filed with and  
8 approved by the department, or by an accredited state in accordance with a multistate  
9 licensing process, if

10 (1) in the previous five years, the person has not had a license revoked  
11 or suspended or controlled a licensee that has had a license revoked or suspended  
12 while the person was in control of the licensee;

13 (2) the person is a licensee, is well managed, and has received at least a  
14 satisfactory rating for compliance at the person's most recent examination by an  
15 accredited state if a rating was given;

16 (3) the licensee to be acquired is projected to meet the requirements of  
17 this chapter, including AS 06.55.501, 06.55.505, and 06.55.510, after the acquisition  
18 of control is completed, and, if the person acquiring control is a licensee, the licensee  
19 is also projected to meet the requirements of this chapter, including AS 06.55.501,  
20 06.55.505, and 06.55.510, after the acquisition of control is completed;

21 (4) the licensee to be acquired will not implement any material  
22 changes to the licensee's business plan as a result of the acquisition of control, and, if  
23 the person acquiring control is a licensee, the licensee also will not implement any  
24 material changes to the licensee's business plan as a result of the acquisition of control;  
25 and

26 (5) the person provides notice of the acquisition in cooperation with  
27 the licensee and attests to (1) - (4) of this subsection in a form and in a medium  
28 prescribed by the department.

29 (o) If the notice required under (n)(5) of this section is not disapproved within  
30 30 days after the date on which the notice was determined to be complete, the notice is  
31 considered to be approved.

1 (p) A person is presumed to exercise a controlling influence when the person  
 2 holds the power to vote, directly or indirectly, at least 25 percent of the outstanding  
 3 voting shares or voting interests of a licensee or person in control of a licensee. To  
 4 determine the percentage of a person controlled by any other person, the interest of the  
 5 person presumed to have a controlling interest shall be aggregated with the interest of  
 6 any other immediate family member, including the person's spouse, parents, children,  
 7 siblings, relative by marriage, and any other person who shares the home of the person  
 8 presumed to have a controlling interest.

9 (q) A passive investor is not considered to have control under this chapter. To  
 10 be a passive investor, a person

11 (1) may not have the power to elect a majority of key individuals or  
 12 executive officers, managers, directors, trustees, or other persons exercising  
 13 managerial authority of a person in control of a licensee;

14 (2) may not be employed by or have managerial duties of the licensee  
 15 or person in control of a licensee;

16 (3) may not have the power to exercise, directly or indirectly, a  
 17 controlling influence over the management or policies of a licensee or person in  
 18 control of a licensee; and

19 (4) shall attest to (1) - (3) of this subsection in a form and in a medium  
 20 prescribed by the department or in a written affidavit.

7 the end of the licensee's fiscal year or within any extended period that the department  
8 establishes, file with the department

9 (1) an audited financial statement of the licensee for the licensee's  
10 fiscal year prepared in accordance with generally accepted accounting principles; and

11 (2) any other information the department reasonably requires.

12 (b) The audited financial statement must be prepared by an independent  
13 certified public accountant or independent public accountant who is satisfactory to the  
14 department.

15 (c) The audited financial statement must include a certificate of opinion of the  
16 independent certified public accountant or independent public accountant that is  
17 satisfactory in form and content to the department. If the certificate of opinion is

19 finds necessary to enable the independent certified public accountant or independent  
20 public accountant to remove the qualification.

21 **Sec. 06.55.409. Implementation.** (a) To carry out the purposes of this chapter,  
22 subject to AS 06.55.407, the department may

23 (1) enter into an agreement or relationship with a government official

2 an applicant or licensee and incorporate the audit reports into a report of examination  
3 or investigation.

4 (b) The department has broad administrative authority to administer, interpret  
5 and enforce this chapter, to adopt regulations implementing this chapter, and to  
6 recover the cost of administering and enforcing this chapter by imposing and  
7 collecting proportionate and equitable fees and costs associated with applications,  
8 examinations, investigations, and other actions required to achieve the purpose of this  
9 chapter.

10 **Sec. 06.55.410. Networked supervision.** (a) The department may participate  
11 in multistate supervisory processes established between and among states and  
12 coordinated through a nationally recognized organization acceptable to the department

14 participant in multistate supervision, subject to AS 06.55.407, the department may

17 (2) enter into written contracts or agreements with other state and  
18 federal regulators for the purposes of cooperating, coordinating, and sharing  
19 information with those state and federal regulators.

20 (b) Nothing in this section constitutes a waiver of the department's authority to  
21 conduct an examination or investigation or otherwise take independent action to  
22 enforce compliance with applicable state or federal law.

23 (c) A joint examination or investigation, or acceptance of an examination or  
24 investigation report, does not waive an examination assessment provided for in this  
25 chapter.

26 **Sec. 06.55.411. Relationship to federal law.** (a) If state money transmission  
27 jurisdiction is conditioned on a federal law, any inconsistency between a provision of  
28 this chapter and the federal law governing money transmission is governed by the  
29 applicable federal law to the extent of the inconsistency.

30 (b) When a federal law governs to the extent of an inconsistency in  
31 accordance with (a) of this section, the department may provide interpretive guidance

1 that

2 (1) identifies the inconsistency; and

3 (2) identifies the appropriate means of compliance with federal law.

4 **Sec. 06.55.412. Notice and information requirements for a change of key**  
 5 **individual.** (a) A licensee adding or replacing a key individual shall

8 (2) provide the information required under AS 06.55.109 within 45  
 9 days after the effective date of the key individual's appointment.

10 (b) The department may issue a notice of disapproval of a key individual if the  
 11 department finds that the individual's experience, competence level, character, or  
 12 integrity indicate that it would not be in the best interest of the public or the customers  
 13 of the licensee to permit the individual to be a key individual. The department shall  
 14 issue a notice of disapproval within 90 days after determining the notice provided  
 15 under (a) of this section is complete.

16 (c) A notice of disapproval shall contain a statement of the basis for the  
 17 disapproval and be sent to the licensee and the disapproved individual. A licensee may  
 18 appeal a notice of disapproval within 30 days after receipt of the notice.

19 (d) If the notice provided under (a) of this section is not disapproved within 90  
 20 days after the date the notice was determined to be complete, the key individual is  
 21 considered to be approved.

22 (e) If a multistate licensing process includes a key individual notice review  
 23 and disapproval process, and the licensee is subject to the multistate licensing process,  
 24 the department may

25 (1) accept the key individual notice review determination of another  
 26 state; or
