Senate Bill 313

Committee: State Governmental Affairs

Sponsor: Senator Tom Butler

Analyst: Jennifer Farish

Date: 05/16/2023

Senate Bill 313 as introduced could increase the obligations of the Alabama Department of Economic and Community Affairs, and any other state entity the Department may contract with, by an undetermined amount to commission the design, construction and placement of a replica of the Saturn 1B Rocket at the northern most rest stop off of Interstate 65 in the state. However, any increased obligations of the Department, or other state entity the Department may contract with, could be offset by an undetermined amount provided that public or private gifts, grants, donations, in-kind services, and legislative appropriations are made available to the Department.
