8 SYNOPSIS: Existing law requires that an inspection fee
9 is collected on petroleum products sold, offered
10 for sale, stored, or used in the state. Currently,
11 this fee is collected by the Alabama Department of
12 Agriculture and Industries.

13 This bill would move the collection of the
14 inspection fee that pertains to gasoline to the
15 terminal excise tax return and dyed diesel fuel,
16 dyed kerosene, and lubricating oil products to a
17 separate return.

18 This bill would require the Alabama
19 Department of Revenue to collect the fees.

20 This bill would clarify the definitions used
21 for petroleum products fee under Title 8, Chapter
22 17, Code of Alabama 1975.

23 This bill would change the disposition of
24 the funds to provide for an amount to the Alabama
25 Department of Revenue for administration in
26 collecting the fees.

18 nor more than \$5,000; provided, however, that the commissioner
