SYNOPSIS:

This bill would prohibit any person from ordering, requesting, collecting, prefilling, obtaining, or delivering an absentee ballot application or absentee ballot of a voter in certain circumstances and would provide for exceptions.

This bill would prohibit any person from receiving a payment or providing a payment to another person for distributing, ordering, requesting, collecting, prefilling, completing, obtaining, or delivering an absentee ballot application or absentee ballot of a voter in certain circumstances.

The purpose or effect of this bill would be to
