18 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:
19

20 SECTION 1. DO NOT CODIFY. Legislative intent.

21 The General Assembly finds that:

22 (1) Supporting strong families is a core value in Arkansas;

23 (2) After giving birth, mothers require time to recover for the
24 sake of their physical, mental, and emotional well-being, and both mothers
25 and infants require time with each other for the optimal health and
26 foundational development of the child;

27 (3) Qualified and productive employees are critical to high-
28 performing state government;

29 (4) Female employees of the State of Arkansas should not be
30 forced to choose between caring for a newborn baby and facing a family
31 financial crisis;

32 (5) Parents who take paid leave for the birth of a child are
33 more likely to return to work and contribute to Arkansas's economy and less
34 likely to require future dependence on government assistance; and

35 (6) Giving a mother time to bond with her child in the weeks
36 after birth not only benefits the mother, child, and family, but it also

1 benefits Arkansas as it strengthens the emotional, mental, and physical well-
2 being of the parents and children who contribute so much to our state.
