30 SECTION 15. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
 31 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW.
 32 DIRECTOR'S OFFICE/OFFICE OF CHIEF COUNSEL - PURCHASE OF EVIDENCE. Upon
 33 approval by the Chief Fiscal Officer of the State, the Chief Counsel for the
 34 Department of Human Services may transfer an amount up to but not to exceed
 35 \$12,000 and deposit same in a bank account for the purpose of purchasing
 36 evidence in the course of investigating the illegal use of food

1 stamps/Electronic Benefit Transfer (EBT) cards. The funds so transferred
2 shall be subject to accounting in a manner substantially similar to that
3 employed by the Arkansas State Police for such transactions; provided
4 however, that information tending to identify participants in such
5 transactions shall be exempt from the Arkansas Freedom of Information Act.

6 The provisions of this section shall be in effect only from July 1, ~~2013~~
7 2014 through June 30, ~~2014~~ 2015.

8
9 SECTION 16. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
10 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. HUMAN
11 SERVICES RENOVATION FUND. Department of Human Services Renovation Fund.

12 (a) There is established on the books of the Treasurer of State, Auditor
13 of State, and the Chief Fiscal Officer of the State a fund to be known as the
14 Department of Human Services Renovation Fund.

15 (b) This fund shall be used for constructing, acquiring, renovating,
16 maintaining, repairing, and equipping facilities of the Department of Human
17 Services and for paying disallowances by the federal government.

18 (c) The fund shall consist of:

19 (1) Federal reimbursement received by the Department of Human Services and
20 deposited in the various fund accounts of the department; and

21 (2) General revenues transferred from the Division of Youth Services, the
22 Division of Behavioral Health, and the Division of Developmental Disabilities
23 Services for the purposes of repairing, renovating, equipping, acquiring and
24 constructing Department of Human Services facilities with an annual maximum
25 of five million dollars (\$5,000,000). The projects for which these transfers
26 are authorized must be projects which were unanticipated during the preceding
27 regular session of the Arkansas General Assembly and must be projects which,
28 if not carried out in the interim period between regular sessions of the
29 Arkansas General Assembly would cause greater harm to the facilities, clients
30 or programs of the Department of Human Services than to wait until the next
31 regular session.

32 (3) Other non-general revenue funds as may be available within the Department
33 of Human Services that can be used for the purposes of this fund.

34 (d)(1) At the request of the Director of the Department of Human Services,
35 and upon certification of the availability of such funds, the Chief Fiscal
36 Officer of the State shall initiate the necessary transfer documents to

1 reflect the transfer on the books of record of the Treasurer of State, the
2 Auditor of State, the Chief Fiscal Officer of the State, and the Department
3 of Human Services.

4 (2) The Director of the Department of Human Services shall submit any
5 transfer plan to and must receive approval of the plan from the Chief Fiscal
6 Officer of the State, the Governor and the Arkansas Legislative Council prior
7 to the effective date of the transfer.

8 (e) Provided, that any non-general revenue funding that may remain in the
9 fund at the end of any fiscal year shall be carried over into the next fiscal
10 year and all obligated general revenue funding that may remain in the fund at
11 the end of any fiscal year shall be carried over into the next fiscal year to
12 satisfy such legal and contractual obligations that have been entered into
13 prior to the end of the fiscal year.

14 (f) Determining the amount of funds appropriated to a state agency is the
15 prerogative of the General Assembly and is usually accomplished by
16 delineating specific line items and by identifying the appropriation and
17 funding attached to that line item. The General Assembly has determined that
18 the Department of Human Services could be operated more efficiently if some
19 flexibility is given to that agency. That flexibility is being accomplished
20 by providing transfer authority in subsection (d) of this section, and since
21 the General Assembly has granted the agency broad powers under the transfer
22 authority concept, it is both necessary and appropriate that the General
23 Assembly maintain oversight of the utilization of the transfer authority by
24 requiring prior approval of the Legislative Council in the utilization of
25 this transfer authority. Therefore, the requirement of approval by the
26 Legislative Council is not a severable part of this section. If the
27 requirement of approval by the Legislative Council is ruled unconstitutional
28 by a court jurisdiction, this entire section is void.

29 The provisions of this section shall be in effect only from July 1, ~~2013~~
30 2014 through June 30, ~~2014~~ 2015.

31
32 SECTION 17. SPECIAL LANGUAGE. NOT TO BE INCORPORATED INTO THE ARKANSAS
33 CODE NOR PUBLISHED SEPARATELY AS SPECIAL, LOCAL AND TEMPORARY LAW. TRANSFER
34 AUTHORITY. The Director of the Department of Human Services shall have
35 transfer authority provided by the following:

36 (a) DEPARTMENT OF HUMAN SERVICES RENOVATION FUND. The Director of the

1 Department of Human Services is authorized to request fund transfers
2 according to the provisions established by Arkansas Code Ann. 19-5-1020,
3 Department of Human Services Renovation Fund, as amended herein; and

4 (b) MATCH TRANSFER. The Director of the Department of Human Services,
5 with the approval of the Chief Fiscal Officer of the State, is authorized to
6 effect inter-agency and inter-divisional fund transfers for the purpose of
7 providing the State's matching share for payments made to that Division or
8 Office or its service providers for services eligible for federal
9 reimbursement under programs administered by the Department of Human
10 Services. The Department of Human Services shall report to the Legislative
11 Council or Joint Budget Committee on a quarterly basis all fund transfers
12 made in accordance with the authority granted by this section; and

13 (c) YOUTH SERVICES - HOUSING AND SEPARATION APPROPRIATION PROVISIONS. The
14 Division of Youth Services (DYS) is authorized to fulfill its responsibility
15 to house offenders between the ages of 18 and 21 and to separate juvenile
16 offenders by age and seriousness of offense by either employing additional
17 state employees and providing the corresponding operating expenses or
18 entering into professional services contracts. If the Division of Youth
19 Services determines that the Division needs to employ state employees to
20 fulfill the housing and separation requirements, they may transfer up to the
21 total amount appropriated for the DYS - Residential Services Program
22 appropriation to the appropriate DYS appropriation and line items, upon
23 approval of the Chief Fiscal Officer of the State, and prior review by the
24 Legislative Council; and

25 (d) REALLOCATION OF RESOURCES: (1) The Department of Human Services (DHS)
26 provides hundreds of different services to over 1 million Arkansans. The
27 specific mix of service needs and the funding and staffing required to
28 provide them can vary significantly based on many factors, including natural
29 disasters, changing federal mandates and funding sources, demographic shifts,
30 fluctuating court-ordered services, social trends, and job market variations
31 such as nursing shortages. The impact of these factors through the course of
32 any fiscal year make it very difficult for the Department to accurately
33 predict the exact needs for funding, appropriation and positions in each of
34 its over 100 different appropriations. To ensure that it can respond quickly
35 to changing client needs and make the most effective use of the resources
36 allocated to it, the Department of Human Services shall be authorized to

1 utilize the reallocation of resource authority to make the proper adjustments
2 to the budgets within the Department. Therefore, upon determination by the
3 Director of the Department of Human Services that a reallocation of resources
4 within the department is necessary for the efficient and effective operation
5 of the department, the director, with approval of the Governor, shall have
6 the authority to request, from the Chief Fiscal Officer of the State, a
7 transfer of positions, appropriations, line item appropriations, and funds
8 within or between existing and newly created divisions, offices, sections, or
9 units of the department. Provided, however, that no transfer of funds or
10 appropriation that provides direct support or matching support for the
11 Arkansas Medicaid Program shall be made to any other fund account or
12 appropriation that does not directly support the Arkansas Medicaid Program.
13 Further, no positions, funds, or appropriation authorized during the budget
14 process for the Division of Children and Family Services compliance with
15 initiatives established under the Angela R. consent decree shall be
16 transferred to any other division. Nothing in this provision is intended to
17 prevent the one-time transfers of savings in any other program to the
18 Arkansas Medicaid Program, with the exception of the provisions previously
19 cited for the Division of Children and Family Services – Angela R. consent
20 decree. The Division of Developmental Disabilities – Grants to Community
21 Providers line item of the Developmental Disabilities Services - Grants-in-
22 Aid appropriation may not be decreased. The appropriation, funding, and
23 positions provided for the five Human Development Centers shall remain at a
24 level sufficient to ensure quality care for the Centers' residents. The
25 exemptions provided in this subsection whereby certain DHS Programs and
26 Divisions are protected from appropriation, fund, or position transfers are
27 applicable only to the reallocation or transfer authority granted herein, and
28 not by any reductions which are applicable to all state programs.

29 The Director of the Department of Human Services shall submit any requests
30 for transfers to and must receive approval of the requests for transfers from
31 the Chief Fiscal Officer of the State, the Governor, and the Arkansas
32 Legislative Council prior to the effective date of the transfers. Provided,
33 however, that the Department of Human Services shall be limited to submitting
34 no more than two reallocation of resources transfer requests during any
35 fiscal year. In each Departmental request no single division will request
36 reallocation for more than one purpose as listed in this section. Transfer

1 authority for unforeseen purposes shall further be limited to no more than 5%
2 of the total appropriation, funding, and positions authorized for the
3 Department. Reallocation of resources transfers may include multiple items
4 but shall be limited to the following purposes:

5 i). Medicaid Program

6 ii). Facilities and institutions costs, including operational expenses and
7 construction/renovation/equipping expenses

8 iii). Departmental grants and contracts

9 iv). Court ordered settlements and payments

10 v). Payment of administrative expenses, including but not limited to,
11 overtime and other costs of personnel for critical services or functions
12 necessary to carry out the mission of the agency

13 vi). Restructuring efforts as deemed necessary to comply with new and/or
14 unanticipated federal or state mandates

15 vii). Redirecting internal resources, both direct and/or indirect, to meet
16 client needs and services

17 Determining the maximum number of employees and the maximum amount of
18 appropriation and general revenue funding for a state agency each fiscal year
19 is the prerogative of the General Assembly. This is usually accomplished by
20 delineating such maximums in the appropriation act(s) for a state agency and
21 the general revenue allocations authorized for each fund and fund account by
22 amendment to the Revenue Stabilization law. Further, the General Assembly has
23 determined that the Department of Human Services may operate more efficiently
24 if some flexibility is provided to the Department of Human Services
25 authorizing broad powers under the Reallocation of Resources provisions
26 herein. Therefore, it is both necessary and appropriate that the General
27 Assembly maintain oversight by requiring prior approval of the Legislative
28 Council or Joint Budget Committee as provided by this section. The
29 requirement of approval by the Legislative Council or Joint Budget Committee
30 is not a severable part of this section. If the requirement of approval by
31 the Legislative Council or Joint Budget Committee is ruled unconstitutional
32 by a court of competent jurisdiction, this entire section is void.

33 (2) If it is determined that the requested reallocation of resources
34 transfers should be made, the Chief Fiscal Officer of the State shall then
35 initiate the necessary transfer documents to reflect the transfers upon the
36 fiscal records of the Treasurer of State, the Auditor of State, the Chief

1 Fiscal Officer of the State, and the Department of Human Services. In
2 addition, the Chief Fiscal Officer of the State, together with the Co-
3 Chairpersons of the Legislative Council or Joint Budget Committee, may
4 approve, on an emergency basis, requests for utilization of this Section
5 without prior approval of the Arkansas Legislative Council, with any such
6 actions reported at the next meeting of the Arkansas Legislative Council.

7 The provisions of this section shall be in effect only from July 1, ~~2013~~
8 2014 through June 30, ~~2014~~ 2015.

34 *General Assembly, that the Constitution of the State of Arkansas prohibits*

36 *effectiveness of this Act on July 1, 2014, is essential to the operation of*

2 the event of an extension of the legislative session, the delay in the
3 effective date of this Act beyond July 1, 2014, could work irreparable harm
4 upon the proper administration and provision of essential governmental
5 programs. Therefore, an emergency is hereby declared to exist and Sections 1
6 through 19 and 24 through 25 of this Act being necessary for the immediate
7 preservation of the public peace, health and safety shall be in full force
8 and effect from and after July 1, 2014.

9 (b) It is found and determined by the General Assembly of the State of
10 Arkansas that a clarification of voting procedures is necessary to implement
11 the intent of the General Assembly in establishing the Arkansas Health
12 Insurance Marketplace Board of Directors; the maintenance of an appropriate
13 balance to determine the proper course for the Arkansas Health Insurance
14 Marketplace is immediately necessary; that the citizens of this state will be
15 best served by the change in voting procedures of the board required by this
16 act; that the reporting provisions of this act are essential for the
17 assessment and administration of the outcomes-based system mandated by
18 Arkansas Code § 20-47-705 and episodes of care; that in order to meet the
19 deadlines established by this act, the affected providers and state agencies
20 need as much time as possible to assemble and report the required
21 information; and that Sections 20 through 23 of this act are immediately
22 necessary for the administration of important programs and to provide
23 information necessary to make reasoned and prudent decisions concerning the
24 provision of health care for the citizens of this state. Therefore, an
25 emergency is declared to exist, and Sections 20 through 23 of this act, being
26 immediately necessary for the preservation of the public peace, health, and
27 safety, shall become effective on:

28 (1) The date of this act's approval by the Governor;

29 (2) If the bill is neither approved nor vetoed by the Governor,
30 the expiration of the period of time during which the Governor may veto the
31 bill; or

32 (3) If the bill is vetoed by the Governor and the veto is
33 overridden, the date the last house overrides the veto.
