1       D. Except as provided in section 45-563.02, if a person uses  
2 groundwater to water plants [~~in containers~~] [OR WINE GRAPES] pursuant to  
3 subsection B of this section, the total amount of water used by the person  
4 for that purpose and for any irrigation uses on the certificated acres may  
5 not exceed the amount allowed by the irrigation water duty for the farm.

6       E. The director may not register credits to the flexibility account  
7 established pursuant to section 45-467 for a farm in any year in which the  
8 person who holds the certificate of irrigation grandfathered right for the  
9 farm uses groundwater to water plants [~~in containers~~] [OR WINE GRAPES] on  
10 or above the surface of the certificated acres pursuant to subsection B of  
11 this section.

12      F. On request by the owner of a certificate of irrigation  
13 grandfathered right, the director shall separate the certificate into two  
14 certificates, with one certificate for those certificated acres on which  
15 plants [~~in containers~~][ OR WINE GRAPES THAT] are watered with groundwater  
16 pursuant to subsection B of this section and one certificate for those  
17 certificated acres on which groundwater is used for an irrigation use. If  
18 the director separates a certificate of irrigation grandfathered right  
19 into two certificates pursuant to this subsection, the certificated acres  
20 associated with each certificate shall be considered a separate farm for  
21 **THE** purposes of subsection E of this section. The director may not  
22 separate a certificate of irrigation grandfathered right into two  
23 certificates pursuant to this subsection if it would result in the  
24 issuance of a certificate of irrigation grandfathered right with less than  
25 two certificated acres.

26      G. For the purposes of this section, "certificated acres" means the  
27 acres described on the certificate of irrigation grandfathered right.
