Overview

Establishes the License Plate Standardization Study Committee (Study Committee).

History

Pursuant to [A.R.S. § 28-2351](#), the Arizona Department of Transportation (ADOT) is required to provide every vehicle owner one license plate for every vehicle registered upon application and on payment of prescribed fees. In accordance with [A.R.S. § 28-2403](#), special plates may be issued by ADOT in lieu of the regular license plate, upon application. An initial and annual renewal fee of \$25 is required for the special plate in addition to the vehicle registration fees, with outlined exceptions ([A.R.S. § 28-2402](#)). Of the \$25 special plate fee, \$8 is an administrative fee and \$17 is an annual donation to a specified organization.

Special plates are established through statutory authority and require a standard \$32,000 implementation fee from an organization.
