

ARIZONA STATE SENATE
Fifty-Fifth Legislature, Second Regular Session

FACT SHEET FOR H.B. 2131

~~HOAs; artificial grass ban prohibited~~
(NOW: artificial grass ban prohibited; HOAs)

Purpose

Prohibits a planned community association (HOA) that allows natural grass on a member's property from prohibiting the installation or usage of artificial turf on any member's property, unless certain conditions are met. Allows an HOA to adopt reasonable rules and regulations regarding the installation and appearance of the artificial turf and outlines requirements related to the regulation of artificial turf by an HOA.

Background

An HOA may adopt, amend and enforce covenants, conditions or restrictions related to the use, occupancy or appearance of the separately owned lots, parcels or units in a real estate development (A.R.S. §§ [33-1802](#) and [33-1817](#)). An HOA may send a notice of a violation of the community documents to a member who may respond to the HOA's notice within 21 business days. Within 10 business days of the HOA's receipt of the member's response, an HOA must respond with the: 1) provision of the community documents that has allegedly been violated; 2) date of the violation or the date the violation was observed; 3) first and last name of the person or persons who observed the violation; and 4) process the member must follow to contest the notice ([A.R.S. § 33-1803](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.
