

ARIZONA STATE SENATE
Fifty-Sixth Legislature, Second Regular Session

FACT SHEET FOR H.B. 2426

~~technical correction; traffic violations~~
(NOW: off-highway vehicle; temporary registration)

Purpose

Allows a 30-day temporary general use registration to be issued to a nonresident for an off-highway vehicle (OHV) that is titled in another state.

Background

A temporary general use registration allows a person to operate a motor vehicle for no more than 30 days in a 12-month period. The Director of the Arizona Department of Transportation (ADOT) may authorize the issuance of a temporary general use registration to a person who: 1) does not qualify for a special 90-day nonresident registration or as a foreign nonresident or nonresident daily commuter, as prescribed; 2) complies with state requirements for motor vehicle insurance; and 3) displays the registration so that it is clearly visible from outside the vehicle. An applicant for a temporary general use registration must submit proper evidence of ownership or authorized possession of the vehicle and pay the registration fee of \$15 (A.R.S. §§ [28-2003](#) and [28-2156](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.

Provisions

1. Allows ADOT to authorize the issuance of a temporary general use registration to a nonresident who owns an OHV that is titled in another state and otherwise meets statutory requirements for OHVs.
2. Excludes a temporary general use registration for a nonresident's OHV from the limitation on issuing one 30-day registration in a 12-month period.
3. Defines an *OHV* as an OHV that:
 - a) is designed primarily for recreational nonhighway all-terrain travel;
 - b) has a maximum unladen weight of 2,500 pounds and a maximum width of 80 inches;
 - c) travels on four or more nonhighway tires; and
 - d) has a steering wheel for steering control, a rollover protective structure and an occupant retention system.
4. Makes technical and conforming changes.
5. Becomes effective on the general effective date.
