

# ARIZONA HOUSE OF REPRESENTATIVES

Fifty-fifth Legislature  
Second Regular Session

---

**HB 2576: appropriation; Flagstaff; downtown connection center**  
**Sponsor: Representative Blackman, LD 6**  
**Committee on Transportation**

## **Overview**

Appropriates \$6,000,000 from the state General Fund (GF) in FY 2023 to the Arizona Department of Transportation (ADOT) to distribute to the Northern Arizona Intergovernmental Public Transportation Authority for the capital costs of the Flagstaff downtown connection center project.

## **History**

An intergovernmental public transportation authority (authority) may be organized in any county with a population of two hundred thousand people or less. A governing body of one or more incorporated cities or towns may petition the county board of supervisors (BOS) to establish an authority consisting of the incorporated area of the municipality or municipalities. Statute describes the process the BOS must take to establish the authority and the organization and makeup of its board of directors (A.R.S. §§ [28-9102](#), [28-9121](#)).

The board of directors and each member governmental entity will enter into an intergovernmental agreement that the authority has the sole authority for designing, operating and maintaining the public transportation system in the authority. The board of directors will coordinate and implement the establishment and development of the public transportation system within the authority and participating governmental entities ([A.R.S. § 28-9124](#)).

## **Provisions**

1. Appropriates \$6,000,000 from the GF in FY 2023 to ADOT to distribute to the Northern Arizona Intergovernmental Public Transportation Authority for the capital costs of the Flagstaff downtown connection center project. (Sec. 1)
