Overview

Prescribes the requirements for specified proposed rules to be ratified by the Legislature before enactment.

History

The mission of the Office of Economic Opportunity (OEO) is to expand economic opportunities for people in Arizona by leading the analysis and evaluation of Arizona's population and economy and investing in communities to power the state's economic growth ([OEO](#)).

Statute designates the Administrative Rules Oversight Committee (AROC) to oversee the adoption of rules by state agencies. The 11-member committee includes: 1) five members of the House of Representatives appointed by the Speaker; 2) five members of the Senate appointed by the President; 3) the Governor or designee. Legislative Council serves as the staff for AROC ([A.R.S. § 41-1046](#)).

Statute prohibits state agencies from conducting rulemaking without prior written approval of the Governor. State agencies may not adopt any new rule that would increase existing regulatory burdens on the free exercise of property rights or the freedom to engage in lawful business or occupation unless: 1) the rule reduces regulatory restraints or burdens; or 2) is necessary to implement statutes or is required by a final court order or decision ([A.R.S. § 41-1038 et al.](#)).

A similar bill was introduced in the 56th Legislature, 1st Regular Session and was [vetoed](#) by the Governor (SB 1255 regulatory costs; rulemaking; ratification).
