SB 1382: municipal employee assistance; notice

Sponsor: Senator Petersen, LD 12

House Engrossed

Overview

Outlines the requirements for a city or town to print a notice on all applications for a permit, license or other authorization.

History

Current law stipulates that for any written communication between a city or town and a person, the city or town is required to provide the name, telephone number and email address of an employee who is authorized to give information about the communication if the communication does any of the following: 1) demands payment of a tax, fee, penalty, fine or assessment; 2) denies an application for a permit or license issued by the city or town; or 3) requests revisions or additional information or materials necessary for approval of any application for a permit, license or other authorization that is issued by the city or town. If the employee is authorized and able to provide the information, the employee must respond to the person within five business days of receiving the communication ([A.R.S. § 9-495](#)).

Provisions

1. Directs a city or town to print a notice of the statutory requirements relating to employees providing assistance on all applications for a permit, license or other authorization issued by the city or town. (Sec. 1)
