HOUSE  
2nd Reading Unamended  
February 8, 2013

Guard member or reservist is called to active duty or an active duty member of the military is deployed to a zone in which he or she will encounter hostile fire. It is not entirely clear under federal tax law and guidance issued by the federal internal revenue service whether grants received from the fund are included in federal taxable income for purposes of determining a taxpayer's federal income tax liability. For income tax years commencing on or after January 1, 2014, the bill subtracts from the federal taxable income of a Colorado taxpayer, for purposes of determining the taxpayer's Colorado income tax liability, any amount of a grant received by the taxpayer from the fund that is included in the taxpayer's federal taxable income.
