**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

The bill adds rare plants and invertebrates to the species that may be studied and conserved under the current "Nongame, Endangered, or Threatened Species Conservation Act", which is renamed the "Nongame, Endangered, or Threatened Wildlife and Rare Plant Conservation Act". The general assembly is required to make a general fund appropriation to

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.

study invertebrates.

Imperiled or potentially imperiled plants are added to the species conservation trust fund, and this addition allows the money in the fund to be spent for conservation of these plants.

---

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds and declares that:

4 (a) Colorado's policy is to protect and enhance biodiversity  
5 because biodiversity is necessary for ecosystem health; supports  
6 agricultural productivity by aiding pollination, pest control, and soil  
7 fertility; and increases ecosystem resilience to drought and extreme  
8 weather events;

9 (b) Healthy ecosystems underpin delivery of water supplies and  
10 water quality and guard against water-related hazards and disasters;

11 (c) Studies show that 34% of plant species and 40% of animal  
12 species may become extinct and 41% of ecosystems may collapse;

13 (d) Invertebrates provide vital ecosystem services, including  
14 pollination, pest control, nutrient cycling, and sustenance for wildlife;

15 (e) Without conservation, invertebrates will continue to decline,  
16 likely having profound effects on the environment, humans, and wildlife;

17 (f) Native rare plants are essential to both wildlife and humans,  
18 and they contribute to clean air and water, carbon sequestration, food  
19 sources, healthy ecosystems, and wildlife habitat;

20 (g) The state wildlife action plan identifies 75 invertebrates and  
21 117 rare plants as species of greatest conservation need, over half of  
22 which are endemic to Colorado;

23 (h) Information on habitats, threats, and conservation needs is

1 sorely lacking for Colorado's invertebrate and native rare plant species;

2 (i) With a few exceptions, Colorado parks and wildlife does not  
3 have statutory authority over invertebrate species, nor does any state  
4 agency have oversight of native rare plants;

5 (j) Lack of data limits Colorado's ability to assess the status of,  
6 threats to, and conservation needs of invertebrates and rare plants;

7 (k) Creating programs designed to support conservation of native  
8 rare plants and invertebrates can lessen the likelihood that the species will  
9 be added to federal threatened or endangered lists;

10 (l) Addressing data gaps and creating voluntary conservation  
11 programs for native rare plants and invertebrates can affect federal listing  
12 decisions, which undercut private land management with regulations; and

13 (m) Authorizing surveys and investigations on these species  
14 allows the state to fill data gaps; it does not grant the state the authority  
15 to regulate the take of these species without further legislation.

16 (2) Therefore, the general assembly determines that the parks and  
17 wildlife division should study and determine the conservation needs of  
18 native rare plants and invertebrates and implement voluntary programs to  
19 conserve and protect them.

20 **SECTION 2.** In Colorado Revised Statutes, 33-1-102, **add** (28.3)  
21 and (37.5) as follows:

22 **33-1-102. Definitions.** As used in this title 33, unless the context  
23 otherwise requires:

24 (28.3) "NATIVE PLANT" MEANS A PLANT SPECIES THAT IS  
25 INDIGENOUS TO THE STATE OF COLORADO.

26 (37.5) "RARE PLANTS" MEANS NATIVE PLANTS THAT ARE AT RISK  
27 OF EXTINCTION OR ELIMINATION ACROSS THE ENTIRETY OF THEIR

1 DISTRIBUTION DUE TO RESTRICTED RANGE, FEW POPULATIONS OR  
2 OCCURRENCES, STEEP DECLINES, OR SEVERE THREATS.

3 **SECTION 3.** In Colorado Revised Statutes, **amend** 33-2-101 as  
4 follows:

5 **33-2-101. Short title.** ~~This article shall be known and may be~~  
6 ~~cited as~~ THE SHORT TITLE OF THIS ARTICLE 2 IS the "Nongame,  
7 Endangered, or Threatened ~~Species~~ WILDLIFE AND RARE PLANT  
8 Conservation Act".

9 **SECTION 4.** In Colorado Revised Statutes, **amend** 33-2-102 as  
10 follows:

11 **33-2-102. Legislative declaration.** (1) The general assembly  
12 finds and declares that:

13 (a) It is the policy of this state to manage all nongame wildlife,  
14 recognizing the private property rights of individual property owners, for  
15 human enjoyment and welfare, for scientific purposes, and to ensure their  
16 perpetuation as members of ecosystems; ~~that~~

17 (b) Species or subspecies of wildlife indigenous to this state ~~which~~  
18 THAT may be found to be endangered or threatened within the state should  
19 be accorded protection in order to maintain and enhance their numbers to  
20 the extent possible; ~~that~~

21 (c) This state should assist in the protection of species or  
22 subspecies of wildlife ~~which~~ THAT are deemed to be endangered or  
23 threatened elsewhere; and ~~that~~

24 (d) THE GENERAL ASSEMBLY SHOULD MAKE adequate funding ~~be~~  
25 ~~made~~ available to the division annually by appropriations from the  
26 general fund.

27 (2) THE GENERAL ASSEMBLY ALSO FINDS AND DECLARES THAT:

1 (a) RARE PLANTS AND INVERTEBRATES ARE NECESSARY ELEMENTS  
2 OF HEALTHY AND RESILIENT ECOSYSTEMS;

3 (b) IT IS THE POLICY OF THIS STATE TO:

4 (I) PROTECT AND ENHANCE BIODIVERSITY AND RESILIENT  
5 ECOSYSTEMS IN THE FACE OF POPULATION GROWTH, DEVELOPMENT, AND  
6 CLIMATE CHANGE;

7 (II) PROTECT AND CONSERVE RARE PLANTS AND INVERTEBRATES  
8 AS MEMBERS OF ECOSYSTEMS;

9 (III) SUPPORT THE WILDLIFE THAT DEPENDS ON RARE PLANTS AND  
10 INVERTEBRATES; AND

11 (IV) PREVENT THE DECLINE OF RARE PLANTS AND INVERTEBRATES  
12 BEFORE THEIR CONTINUED EXISTENCE IN THE STATE IS IMPERILLED;

13 (c) THE DIVISION SHOULD STUDY AND DETERMINE THE  
14 CONSERVATION NEEDS OF RARE PLANTS AND INVERTEBRATES FOUND IN  
15 THIS STATE AND IMPLEMENT VOLUNTARY PROGRAMS TO PROTECT THESE  
16 SPECIES.

17 **SECTION 5.** In Colorado Revised Statutes, **add** 33-2-104.5 and  
18 33-2-104.6 as follows:

19 **33-2-104.5. Investigations and surveys of rare plants - repeal.**

20 (1) THE DIVISION SHALL CONDUCT INVESTIGATIONS AND SURVEYS OF  
21 RARE PLANTS TO OBTAIN INFORMATION ABOUT POPULATION,  
22 DISTRIBUTION, LIMITING FACTORS, AND OTHER ECOLOGICAL DATA IN  
23 ORDER TO DETERMINE APPROPRIATE CONSERVATION AND MANAGEMENT  
24 MEASURES THAT ENSURE THE CONTINUED ABILITY OF RARE PLANTS TO  
25 PERPETUATE THEMSELVES.

26 (2) THE DIVISION MAY UNDERTAKE VOLUNTARY PROGRAMS  
27 DESIGNED TO CONSERVE, PROTECT, AND PERPETUATE RARE PLANTS.

1 (3) (a) BEGINNING IN JANUARY 2026, AND IN JANUARY EVERY  
2 YEAR THEREAFTER, THE DEPARTMENT SHALL INCLUDE, AS PART OF ITS  
3 PRESENTATION DURING ITS "SMART ACT" HEARING REQUIRED BY SECTION  
4 2-7-203, INFORMATION CONCERNING THE INVESTIGATIONS CONDUCTED IN  
5 ACCORDANCE WITH SUBSECTION (1) OF THIS SECTION.

6 (b) THIS SUBSECTION (3) IS REPEALED, EFFECTIVE JUNE 30, 2029.

7 **33-2-104.6. Investigations and surveys of invertebrates -**  
8 **appropriation - repeal.** (1) WHEN THE DIVISION DETERMINES  
9 APPROPRIATE, THE DIVISION SHALL CONDUCT INVESTIGATIONS AND  
10 SURVEYS OF INVERTEBRATES TO OBTAIN INFORMATION ABOUT  
11 POPULATION, DISTRIBUTION, HABITAT NEEDS, LIMITING FACTORS, AND  
12 OTHER BIOLOGICAL AND ECOLOGICAL DATA IN ORDER TO DETERMINE  
13 APPROPRIATE CONSERVATION AND MANAGEMENT MEASURES THAT ENSURE  
14 THE CONTINUED ABILITY OF INVERTEBRATES TO PERPETUATE  
15 THEMSELVES.

16 (2) THE DIVISION MAY UNDERTAKE VOLUNTARY PROGRAMS  
17 DESIGNED TO CONSERVE, PROTECT, AND PERPETUATE INVERTEBRATES.

18 (3) (a) BEGINNING IN JANUARY 2026, AND IN JANUARY EVERY  
19 YEAR THEREAFTER, THE DEPARTMENT SHALL INCLUDE, AS PART OF ITS  
20 PRESENTATION DURING ITS "SMART ACT" HEARING REQUIRED BY  
21 SECTION 2-7-203, INFORMATION CONCERNING THE INVESTIGATIONS  
22 CONDUCTED IN ACCORDANCE WITH SUBSECTION (1) OF THIS SECTION.

23 (b) THIS SUBSECTION (3) IS REPEALED, EFFECTIVE JUNE 30, 2029.

24 (4) THE GENERAL ASSEMBLY SHALL APPROPRIATE SUFFICIENT  
25 MONEY TO IMPLEMENT THIS SECTION FROM:

26 (a) THE GENERAL FUND; OR

27 (b) THE WILDLIFE CASH FUND CREATED IN SECTION 33-1-112;

1 EXCEPT THAT MONEY FROM THE SALE OF HUNTING AND FISHING LICENSES  
2 OR FROM ASSOCIATED FEDERAL GRANTS IS NOT AVAILABLE FOR  
3 APPROPRIATION TO IMPLEMENT THIS SECTION.

4 ■ ■ ■ ■

5 **SECTION 6. Appropriation.** For the 2024-25 state fiscal year,  
6 \$774,788 is appropriated to the department of natural resources for use  
7 by the division of parks and wildlife. This appropriation is from the  
8 wildlife cash fund created in section 33-1-112 (1)(a), C.R.S., and is based  
9 on an assumption that the division will require an additional 4.0 FTE. To  
10 implement this act, the division may use this appropriation for wildlife  
11 operations.

12 **SECTION 7. Act subject to petition - effective date.** This act  
13 takes effect at 12:01 a.m. on the day following the expiration of the  
14 ninety-day period after final adjournment of the general assembly; except  
15 that, if a referendum petition is filed pursuant to section 1 (3) of article V  
16 of the state constitution against this act or an item, section, or part of this  
17 act within such period, then the act, item, section, or part will not take  
18 effect unless approved by the people at the general election to be held in  
19 November 2024 and, in such case, will take effect on the date of the  
20 official declaration of the vote thereon by the governor.
