A BILL FOR AN ACT

101 **CONCERNING FORENSIC AUTOPSIES.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)

A coroner would be required to perform a forensic autopsy or have a forensic autopsy performed in the following circumstances:

- ! The death is known or suspected to have been caused by apparent criminal violence;
- ! The death of an infant or child is unexpected or unexplained;
- ! The death is associated with police action;

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
*Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.*

HOUSE
3rd Reading Unamended
February 25, 2011

HOUSE
Amended 2nd Reading
February 24, 2011

- ! The death is apparently nonnatural and occurs in the custody of a local, state, or federal institution;
- ! The death is due to an acute workplace injury;
- ! The death is caused by apparent electrocution;
- ! The death is caused by apparent intoxication by alcohol, drugs, or poison;
- ! The death is caused by unwitnessed or suspected drowning;
- ! The body is unidentified and the autopsy may aid in identification;
- ! The body is skeletonized;
- ! The body is charred;
- ! The decedent is the driver of an automobile who died as the result of an automobile accident either at the scene or before the extent of the injuries could be determined; and
- ! The coroner determines that a forensic autopsy is necessary to determine cause or manner of death or collect evidence.

A forensic autopsy required by the bill must be performed by a board-certified forensic pathologist. A forensic pathologist practicing in Colorado who has not been board-certified as of the effective date of the bill is grandfathered in to perform a forensic autopsy until July 1, 2014. A forensic pathologist who has completed a fellowship may perform a forensic autopsy for up to 4 years from the date of completion of the fellowship before completing board certification. A pathology resident or forensic pathology fellow may perform a forensic autopsy under the direct supervision of a board-certified forensic pathologist.
