## APPENDIX

C.R.S. Section	Section in bill	Reason
Legislative declaration	1	Expresses intent that the revisor of statutes update the United States supreme court case citation added to section 1-45-103 (12)(c) by this bill when the information becomes available.
1-45-103 (12)(c)	2	Updates an incomplete citation to the United States supreme court, a denial of certiorari in the case of the Independence Institute v. Coffman appearing in HB10-1370. (See HB10-1370, chapter 270, page 1241.)
2-2-1404 (5)(c)	3	Repeals "federal" from the funding provisions, which conflicts with the broader spectrum of "public" or "private" providers associated with direct or indirect costs associated with the economic poverty reduction task force. The error originated in the introduced version of HB09-1064. (See HB09-1064, chapter 379, page 2064.)
8-20-404	4	Conforms this section with section 8-20-402 to correct an oversight in HB01-1373 in which the conforming amendment to this section was overlooked. (See HB01-1373, chapter 296, page 1120.)
8-73-107 (7)(a)(III)(E)	5	Adds "or any successor agency" to avoid an inaccurate reference to the agency name that has changed and that may continue to undergo name changes.
8-76-103 (3)(e)	6	With the various codifications of the statutes, the arrangement and numbering system employed changed, resulting in this incorrect reference being carried forward. This section as it first appeared in the 1941 supplement to CSA 1935 was subsequently divided out in 1953 ultimately resulting in "annual payroll" only being applicable for purposes of this section. (See SB41-364, chapter 224, p. 773; chapter 167A §7, 1941 supplement to CSA 1935; §§ 82-6-1 to 82-6-4, CRS 1953 and C.R.S. 1963, and §§ 8-76-101 to 8-76-104, C.R.S.)
11-71-103 (1)(f)(I) and (1)(f)(II)(B)	7	Repeals obsolete provisions relating to potential problems associated with the year 2000 date change, commonly referred to as Y2K. (See HB99-1295, chapter 75, page 212, and SB99-222, chapter 178, page 591.)

12-22-703 (1)(f)	8	The division of alcohol and drug abuse was redesignated as the unit in the department of human services that administers behavioral health programs and services, including those related to mental health and substance abuse by SB10-175; however, the conforming amendment in this provision was missed. (See SB10-175, chapter 188, page 675.)
12-23-106 (4)(b)	9	Repeals reference to the exam authorized in section 12-23-104 (2)(i) due to the repeal of this provision, effective January 1, 2011. (See HB09-1136, chapter 407, page 2244.)
12-32-107.2 (2)(b)	10	Repeals a reference to section 12-32-115 due to the repeal of this section by HB10-1224, effective July 1, 2010. (See HB10-1224, chapter 420, page 2159.)
12-32-109.3 (3)	11	Corrects an error arising from the senate health and human services committee report amending the reengrossed version of HB10-1260 in which section 12-36-107.3 was stricken from the bill and this conforming amendment overlooked. (See the Senate Journal for April 5, 2010, page 772, lines 35 through 37, and HB10-1260, chapter 403, page 1979.)
