**Joint Budget Committee.** For this state fiscal year and for the next 4 state fiscal years, the state treasurer is conditionally required to transfer money from the general fund to the capital construction fund and the highway users tax fund (Senate Bill 228 transfers). The Senate Bill 228 transfers are a percentage of the total general fund revenues, but they

may be reduced or eliminated if the state has to refund excess state revenues in accordance with the taxpayer's bill of rights.

The bill requires the state treasurer to transfer from the general fund to the:

- ! Capital construction fund, \$49.8 million on June 30, 2016, and \$52.7 million on June 30, 2017; and
- ! Highway users tax fund, \$199.2 million on June 30, 2016, and \$158 million on June 30, 2017.

These transfers replace the first 2 years of the Senate Bill 228 transfers. The formula for determining the last 3 years of the Senate Bill 228 transfers is not amended.

The bill also repeals the provision that delayed the Senate Bill 228 transfers until a personal income trigger was met, and now that the trigger has occurred, identifies the actual years for the transfers.
