1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds and declares that:

4 (a) A grassroots effort in Boston, Massachusetts, in the early
5 2010s, resulted in supporters placing stickers with an updated design over
6 the most recognizable symbol of access, the white wheelchair with a head
7 icon. As a result, people all over the world started advocating for an
8 improvement to the symbol by depicting instead an accessible icon with
9 a more dynamic character who leans forward in the wheelchair and who
10 shows a sense of movement.

11 (b) The forward head indicates the forward motion of the person
12 through space and shows the person as the driver or decision-maker about
13 his or her mobility;

14 (c) The arm angle that points backwards suggests dynamic
15 mobility of a chair user, one who actively navigates the world;

16 (d) By including white angled knockouts of the wheel, the symbol
17 presents the wheel as being in motion;

18 (e) The leg has been moved forward to allow for more space
19 between it and the wheel, which allows for better readability and cleaner
20 application of the icon as a stencil;

21 (f) In order to avoid a confusion with established and widely used
22 icons, the human depiction in the accessible icon is still consistent with
23 other body representations found in the International Organization for
24 Standardization's pictograms;

25 (g) An example of the accessible icon can be obtained for free at
26 <http://www.accessibleicon.org>;

1 (h) The accessible icon has been adopted by the National Football
2 League's Jacksonville Jaguars, the state of New York, and other localities,
3 businesses, and schools in the United States and abroad; and

4 (i) Because history shows that the shape and form of what people
5 see and hear works on a person's cognitive understanding of the world, it
6 is important for the state to start using the accessible icon for accessibility
7 signage in any newly acquired, newly built, or newly renovated facility.

8 **SECTION 2.** In Colorado Revised Statutes, **add** 24-30-1312 as
9 follows:

10 **24-30-1312. Accessibility signage for facilities.** INSTEAD OF THE
11 INTERNATIONAL SYMBOL OF ACCESSIBILITY ICON OF A CHARACTER IN A
12 WHEELCHAIR, ANY REQUIRED ACCESSIBILITY SIGNAGE IN A FACILITY MUST
13 DEPICT AN ACCESSIBLE ICON WITH A MORE DYNAMIC CHARACTER WHO
14 LEANS FORWARD IN THE WHEELCHAIR AND WHO SHOWS A SENSE OF
15 MOVEMENT.

16 **SECTION 3. Act subject to petition - effective date -**
17 **applicability.** (1) This act takes effect at 12:01 a.m. on the day following
18 the expiration of the ninety-day period after final adjournment of the
19 general assembly (August 5, 2020, if adjournment sine die is on May 6,
20 2020); except that, if a referendum petition is filed pursuant to section 1
21 (3) of article V of the state constitution against this act or an item, section,
22 or part of this act within such period, then the act, item, section, or part
23 will not take effect unless approved by the people at the general election
24 to be held in November 2020 and, in such case, will take effect on the
25 date of the official declaration of the vote thereon by the governor.

26 (2) This act applies to:

27 (a) Any facility constructed, renovated, or remodeled with a date

1 of completion on or after the applicable effective date of this act; and
2 (b) Any facility acquired after the applicable effective date of this
3 act.
