**FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

- 14 Department of Health Care Policy and Financing, Executive Director's Office, General Administration, Health, Life, and Dental -- The General Fund appropriation includes a decrease of \$891,256 that is equal to 5.0 percent of the General Fund portion of estimated base salary for the Department. The reduction in this General Fund appropriation is in lieu of a 5.0 percent personal services base reduction and provides the Department with increased flexibility to absorb the reduction and engage in more considered targeted reductions across all department divisions and programs. This reduction is not intended to reduce the Health, Life, and Dental benefit provided to state employees. It is the General Assembly's intent that Health, Life, and Dental costs for employees, as approved in budget actions, be fully paid within personal services appropriations augmented by Department allocations from central benefits appropriations.
- 15 Department of Health Care Policy and Financing, Executive Director's Office, General Administration, General Professional Services and Special Projects -- This line item includes \$62,000 total funds, including \$31,000 General Fund, the purpose of which is the autism waiver program evaluation required by Section 25.5-6-806 (2)(c)(I), C.R.S. It is the General Assembly's intent that the Department also use the \$62,000 total funds to evaluate the new behavioral therapy benefit through the Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) program.
