information, the court shall determine the specific amount of restitution within 63 days. For cases involving juveniles, the deadline for a prosecuting attorney to submit information remains 91 days.

The bill requires a prosecuting attorney to consider a list of allowable and collectable expenses as the prosecuting attorney gathers information from a victim to submit to the court to determine restitution.

The bill creates the division of restitution services planning group (planning group) in the department of human services' (department) office of economic security. The planning group is required to draft a plan that will help facilitate the creation of a new division of restitution services. The planning group must submit a report to the house of representatives judiciary committee and the senate judiciary committee, or any successor committees; the governor; and the department.

The bill creates the division of restitution services (division) in the department's office of economic security. The director of the division is appointed by the governor. Pursuant to the planning group's recommendations, the duties of the division are:

- To coordinate with the planning group to implement its recommendations;
- To collaborate with state agencies to support a centralized state restitution case registry system;
- To support and guide victims seeking restitution;
- To advocate to the general assembly and state agencies on behalf of victims navigating the restitution system; and
- To educate victims, defendants, and other state agencies on the restitution system.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration. (1) The general assembly**
3 **finds and declares that:**

4 **(a) Restitution aims to restore a victim and repair the financial**
5 **harm a crime created in the victim's life;**

6 **(b) Instead of ignoring the harm inflicted on a victim, restitution**
7 **has the ability to repair part of the injury the crime caused;**

8 **(c) Restitution has the ability to rehabilitate an offender, allowing**
9 **the offender to acknowledge the guilt and shame associated with the**
10 **crime, and provides the offender the opportunity to make things right;**

1 (d) What qualifies as an allowable restitution expense is subjective
2 and varies from jurisdiction to jurisdiction;

3 (e) Between January 2020 and April 2021, inmates who were
4 incarcerated in the department of corrections received stimulus checks
5 from the federal government through the "Coronavirus Aid, Relief, and
6 Economic Security Act", Pub.L. 116-136;

7 (f) If an inmate does not meet the inmate's financial obligation to
8 pay restitution to the inmate's victim, the victim and the victim's family
9 suffer financial distress;

10 (g) To alleviate the financial distress of victims, at least eight
11 states and the federal government require that an inmate's federal stimulus
12 checks be used to pay restitution to victims; and

13 (h) Courts, including the United States Court of Appeals for the
14 Tenth Circuit, have ruled that garnishing federal stimulus money from an
15 inmate's bank account to pay restitution to victims is constitutional and
16 enforceable.

17 (2) Therefore, the general assembly finds that, to help restore a
18 victim, there must be efforts to improve the restitution system, including:

19 (a) To expand the list of allowable restitution expenses that are
20 proximately caused by the crime; and

21 (b) To access an inmate's federal stimulus money to pay restitution
22 to the victim.

23 **SECTION 2.** In Colorado Revised Statutes, 18-1.3-602, **add** (2.2)
24 and (3.7) as follows:

15 **(2); and add (11) as follows:**

16 **18-1.3-603. Assessment of restitution - corrective orders.**
17 (2) (a) The court shall base its order for restitution upon information
18 presented to the court by the prosecuting attorney, who shall compile such
19 information through victim impact statements or other means to
20 determine the amount of restitution and the identities of the victims.
21 Further, the prosecuting attorney shall present this information to the
22 court prior to the order of conviction or within ninety-one days, if it is not
23 available prior to the order of conviction. The court may extend this date
24 if it finds that there are extenuating circumstances affecting the
