1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 finds and declares that:

4 (a) It is a priority of the state of Colorado to provide all Colorado
5 children access to high-quality early education;

6 (b) Early childhood education can come in many forms;

7 (c) Coloradans recognize the benefits of nature in education and
8 education in nature;

9 (d) Learning in nature has existed for decades;

10 (e) Learning in nature offers children health benefits and helps
11 provide skills children need in school to succeed; and

12 (f) There are physical, cognitive, and social developmental
13 benefits that occur with nature-based learning compared to what children

1 experience and learn in traditional indoor educational environments.

2 (2) The general assembly finds, therefore, that:

3 (a) Outdoor nature-based preschool programs provide an
4 immersive approach, putting nature at the heart of the educational
5 program for children;

6 (b) Outdoor nature-based preschool programs seek to restore
7 children's interaction with nature; and

8 (c) Colorado has a rich and wondrous outdoor landscape that will
9 offer extensive opportunities for children to learn in nature.
