- to municipalities in the county; and
- ! Authorizes each county to levy a property tax, taking into account other available money, at a rate sufficient to fund the county road and bridge budget.

The bill prohibits a county from reducing the rate of the property tax unless it notifies all municipalities located within the county of its intent to do so, and either:

- ! A majority of the municipalities consent to the reduction; or
- ! The county annually makes an additional payment to each municipality that compensates the municipality fully for the reduction in the amount of tax revenues that it receives due to the rate reduction.

1 *Be it enacted by the General Assembly of the State of Colorado:*
