106 applicant state and attest to meeting each eligibility requirement may be
107 waived for any such eligibility requirement verified independently by
108 said commissioner through a federally approved identity verification
109 program or other evidence acceptable to said commissioner. Such
110 electronic system may provide for the transmittal to the Secretary of an
111 applicant's signature on file with said commissioner. The use of any
112 such electronic system shall comply with the National Voter
113 Registration Act of 1993, P.L. 103-31, as amended from time to time.

117 renewal or an identity card meets each eligibility requirement for
118 admission as an elector, including attempting to verify such person's
119 United States citizenship information using the list compiled by the Jury
120 Administrator pursuant to subsection (c) of section 51-222a or using the
121 United States Citizenship and Immigration Services electronic
122 immigration status verification database, said commissioner shall
123 forthwith transmit an application for such person's admission as an
124 elector to the registrars of voters of the town of residence of such person
125 through an electronic system pursuant to this subdivision, in
126 accordance with the provisions of subdivision (1) of this subsection,
127 except that no such application shall be transmitted if such person
128 declines to apply for such admission.

129 (ii) If said commissioner determines that a person applying for a
130 motor vehicle operator's license, a motor vehicle operator's license
131 renewal or an identity card is not a United States citizen, said
132 commissioner shall not provide such person an opportunity to apply for
133 admission as an elector through an electronic system pursuant to this
134 subdivision and shall not transmit any application for such admission
135 on behalf of such person.

136 (iii) If said commissioner cannot determine whether a person
137 applying for a motor vehicle operator's license, a motor vehicle
138 operator's license renewal or an identity card is a United States citizen,
139 such person shall attest to his or her United States citizenship as a
140 precondition of said commissioner processing such person's application
141 for admission as an elector through an electronic system pursuant to this
142 subdivision.

143 Sec. 504. Subsection (b) of section 9-23n of the general statutes is
144 repealed and the following is substituted in lieu thereof (*Effective from*

146 (b) (1) Except as provided in subdivision (2) of this subsection, each
147 voter registration agency shall (A) distribute mail voter registration

149 provided by the agency in completing voter registration application
150 forms, except for applicants who refuse assistance in completing such
151 forms, (C) accept completed voter registration application forms and
152 provide each applicant with an application receipt, on which the agency
153 shall record the date that the agency received the application, using an
154 official date stamp bearing the name of the agency, and (D) immediately
155 transmit all such applications to the registrars of voters of the town of
156 voting residence of the applicants, provided the voter registration
157 agency has, notwithstanding the provisions of section 9-20a, attempted
158 to verify the applicant's United States citizenship information using the
159 list compiled by the Jury Administrator pursuant to subsection (c) of
160 section 51-222a, and made available to such agency pursuant to section
161 506 of this act, or using the United States Citizenship and Immigration
162 Services electronic immigration status verification database. The agency
163 shall provide such receipt whether the application was submitted in
164 person, by mail or through an electronic system pursuant to subdivision
165 (2) of this subsection. If a registration application is accepted within five
166 days before the last day for registration to vote in a regular election, the
167 application shall be transmitted to the registrars of voters of the town of
168 voting residence of the applicant not later than five days after the date
169 of acceptance. Except as provided in subdivision (2) of this subsection,
170 the voter registration agency shall indicate on the completed mail voter
171 registration application form, without indicating the identity of the
172 voter registration agency, the date of its acceptance by such agency, to
173 ensure that any eligible applicant is registered to vote in an election if it
174 is received by the registration agency by the last day for registration to
175 vote in an election. If a state-funded program primarily engaged in
176 providing services to persons with disabilities provides services to a
177 person with a disability at the person's home, the agency shall provide
178 such voter registration services at the person's home. The procedures in
179 subsections (c), (d), (f) and (g) of section 9-23g that are not inconsistent
180 with the National Voter Registration Act of 1993, P.L. 103-31, as
181 amended from time to time, shall apply to applications made under this
182 section. Officials and employees of such voter registration agencies are
183 not admitting officials, as defined in section 9-17a, and may not restore,

184 under the provisions of section 9-46a, electoral privileges of persons
185 convicted of a felony.

186 (2) (A) Each voter registration agency shall provide an electronic
187 system, subject to the approval of the Secretary of the State, to effectuate
188 the purposes of subdivision (1) of this subsection regarding application
189 for admission of an elector, except that the condition that an applicant
190 state and attest to meeting each eligibility requirement may be waived
191 for any such eligibility requirement verified independently by the
192 agency through a federally approved identity verification program or
193 other evidence acceptable to the agency. Such electronic system may
194 provide for the transmittal to the Secretary of an applicant's signature
195 on file with the voter registration agency. The use of any such electronic
196 system shall comply with the National Voter Registration Act of 1993,
197 P.L. 103-31, as amended from time to time.

198 (B) (i) Unless otherwise provided in this subparagraph, if the voter
199 registration agency determines that a person applying for assistance or
200 services provided by the agency meets each eligibility requirement for
201 admission as an elector, including attempting to verify such person's
202 United States citizenship information using the list compiled by the Jury
203 Administrator pursuant to subsection (c) of section 51-222a or using the
204 United States Citizenship and Immigration Services electronic
205 immigration status verification database, the agency shall forthwith
206 transmit an application for such person's admission as an elector to the
207 registrars of voters of the town of residence of such person through an
208 electronic system pursuant to this subdivision, in accordance with the
209 provisions of subdivision (1) of this subsection, except that no such
210 application shall be transmitted if such person declines to apply for such
211 admission.

212 (ii) If the voter registration agency determines that a person applying
213 for assistance or services provided by the agency is not a United States
214 citizen, the agency shall not provide such person an opportunity to
215 apply for admission as an elector through an electronic system pursuant
216 to this subdivision and shall not transmit any application for such

217 admission on behalf of such person.

218 (iii) If the voter registration agency cannot determine whether a
219 person applying for assistance or services provided by the agency is a
220 United States citizen, such person shall attest to his or her United States
221 citizenship as a precondition of the agency processing such person's
222 application for admission as an elector through an electronic system
223 pursuant to this subdivision.
