AN ACT CONCERNING THE CERTIFICATION OF MENTAL
HEALTH FIRST AID TRAINING PROGRAMS.

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

Current law requires applicants for paramedic licensure to have successfully completed mental health first aid training provided by a National Council for Behavioral Health-certified instructor. This bill allows applicants to complete this training by other organizations with substantially similar certification requirements. This bill has no fiscal impact as the Department of Public Health has the staff expertise to handle this requirement.
