AN ACT CONCERNING A FAIR WORK WEEK SCHEDULE.

OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 22 \$	FY 23 \$
Labor Dept.	GF - Potential Revenue Gain	Minimal	Minimal

Note: GF=General Fund

Municipal Impact: None

Explanation

The bill, which establishes requirements regarding employee scheduling for certain employers, results in a potential minimal revenue gain to the extent there are violations and therefore civil penalties paid.

The bill allows aggrieved parties to bring an action before Superior Court over alleged violations, which does not result in any cost impact. The court system disposes of over 400,000 cases annually and the number of cases is not anticipated to be great enough to require additional resources.

The bill has no cost impact on the state or municipalities as employers because it is not anticipated that any state or municipal employees would be covered under the bill's requirements.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to the number and nature of violations.
