

General Assembly

January Session, 2025

Proposed Bill No. 5922

LCO No. 2165

Referred to Committee on ENERGY AND TECHNOLOGY

Introduced by:
REP. FONCELLO, 107th Dist.

**AN ACT PROHIBITING CERTAIN POWER PURCHASE AGREEMENTS
BASED ON WHOLESALE PRICES AND REQUIRING JOINT
SOLICITATIONS FOR CERTAIN CLEAN ENERGY PROJECTS.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 That the general statutes be amended to (1) prohibit the
2 Commissioner of Energy and Environmental Protection or any electric
3 distribution company from entering into a power purchase agreement
4 that provides for the purchase of electricity at a rate exceeding one
5 hundred fifty per cent above the wholesale price of electricity calculated
6 over the preceding twelve-month average rate or the market rate for the
7 subsequent twelve-month period, and (2) require the Commissioner of
8 Energy and Environmental Protection to conduct a solicitation for any
9 clean energy project with a capacity that exceeds twenty megawatts
10 with two or more other states.

Statement of Purpose:

To (1) prohibit the Commissioner of Energy and Environmental Protection or any electric distribution company from entering into a power purchase agreement that provides for the purchase of electricity at a rate exceeding one hundred fifty per cent above the wholesale price

of electricity, and (2) require the commissioner to solicit any clean energy project with a capacity exceeding twenty megawatts with two or more other states.
