

House Bill No. 6603

Special Act No. 23-12

AN ACT CONCERNING A REDUCTION IN DUPLICATIVE HEALTH INSPECTIONS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (*Effective from passage*) The Commissioner of Public Health shall study the requirements concerning each inspection that is required to be conducted by the Department of Public Health pursuant to the general statutes or regulations of Connecticut state agencies and determine whether the inspection is duplicative of any inspection required to be performed by a local or district director of health pursuant to the general statutes or regulations of Connecticut state agencies. Not later than January 1, 2024, the commissioner shall report, in accordance with the provisions of section 11-4a of the general statutes, to the joint standing committee of the General Assembly having cognizance of matters relating to public health regarding the results of such study and the commissioner's recommendations for reducing any duplicative inspections.
