Any such person, firm or corporation that fails or refuses to file an application for such issuance electronically upon the request of the commissioner shall pay a fee of twenty-five dollars to the commissioner for each such application submitted.

Each license may be renewed biennially according to renewal schedules established by the commissioner to effect staggered renewal of such licenses. Not less than forty-five days prior to the date of expiration of each such license, the commissioner shall send or transmit to each licensee, in a manner determined by the commissioner, an application for renewal.
