***AN ACT CONCERNING A PROPERTY OWNER'S LIABILITY FOR THE EXPENSES OF REMOVING A FALLEN TREE OR TREE LIMB.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (NEW) (*Effective October 1, 2023*) (a) If a tree located on  
2 private real property, or a limb from such tree, falls on an adjoining  
3 private property owner's land, the owner of the private real property  
4 from which such tree or limb fell shall be presumed liable for the  
5 expenses of removing such tree or limb from such adjoining private  
6 property owner's land, if, prior to such tree or limb falling: (1) An  
7 arborist inspected the tree and documented that the tree or limb was  
8 diseased, decayed or damaged and likely to fall within five years of the  
9 date of such inspection; (2) the adjoining private property owner  
10 provided written notice by certified mail, return receipt requested, to  
11 the owner of the real property from which such tree or limb fell that  
12 the tree or limb was diseased, decayed or damaged and likely to fall  
13 within five years of the date of such inspection and requested that the  
14 condition be cured by removal, pruning, spraying or any other  
15 appropriate method; and (3) the owner of the private real property  
16 from which such tree or limb fell failed to cure the condition by

17 removal, pruning, spraying or any other appropriate method within  
18 ninety days of the date of receiving such written notice. No property  
19 owner shall be required to provide access to his or her property for  
20 inspection by an arborist. An arborist's inability to access property for  
21 such inspection shall not waive the requirement of this subsection that  
22 an arborist make a determination that a tree or limb is diseased,  
23 decayed or damaged and likely to fall within five years of the date of  
24 such inspection. Written notice provided by a private property owner  
25 pursuant to this subsection shall be deemed personal to the particular  
26 owner providing such notice and shall not run with the land.

27 (b) The presumption in subsection (a) of this section may be  
28 rebutted upon a showing that: (1) After notice was given as described  
29 in subdivision (2) of subsection (a) of this section, an arborist inspected  
30 the tree or limb and documented that the tree or limb was not  
31 diseased, decayed or damaged and likely to fall; or (2) such tree or  
32 limb fell due to a reason other than the condition described in such  
33 notice, including, but not limited to, a motor vehicle collision, fire,  
34 lightning strike or other act of God.

35 (c) The provisions of this section shall not affect any rights of a  
36 policyholder under a liability insurance policy, except that the  
37 insurance company that issued such insurance policy may deduct from  
38 any amount owed to such insured for a covered loss arising from such  
39 tree or limb falling, the amount recovered by the policyholder  
40 pursuant to subsection (a) of this section, to the extent that such  
41 amount would have been a covered loss under such insurance policy.

42 (d) The provisions of this section shall not be construed to limit any  
43 person's right to pursue any additional civil remedy otherwise allowed  
44 by law.

45 (e) As used in this section (1) "private real property" does not  
46 include: (A) Real property owned by the state, a political subdivision  
47 of the state, a water company, as defined in section 25-32a of the  
48 general statutes, or a nonprofit organization qualified as a tax-exempt

49 organization under Section 501(c)(3) of the Internal Revenue Code of  
50 1986, or any subsequent corresponding internal revenue code of the  
51 United States, as amended from time to time; (B) real property that is  
52 subject to a conservation easement held by such nonprofit  
53 organization; (C) timber land, as described in section 12-97 of the  
54 general statutes; or (D) farm land, forest land or open space land, as  
55 such terms are defined in section 12-107b of the general statutes; and  
56 (2) "arborist" has the same meaning as provided in section 23-61a of the  
57 general statutes.

This act shall take effect as follows and shall amend the following sections:
