WHEREAS, the mission of the SWNA Education and Scholarship Task Force is to join forces with educators, parents, and the community at large, with the common goal of empowering Southwest youth to complete primary, middle, secondary, and college/technical education, thereby enabling them to fully participate in the workforce and community;

33 WHEREAS, the dedicated efforts of the SWNA Education and Scholarship Task Force
34 include not only awarding scholarships to students in zip code 20024, but also supporting
35 neighborhood school groups, organizing students to participate in local and virtual college fairs
36 and workshops, and promoting internships and part-time employment opportunities for Southwest
37 youth;

38 WHEREAS, the SWNA Education and Scholarship Task Force has worked collaboratively
39 in partnership with the SWNA Youth Activities Task Force to help ensure that Southwest youth
40 are identified, guided, and oriented toward the importance of education and regularly advising
41 them about future scholarship opportunities;

42 WHEREAS, the SWNA Education and Scholarship Task Force gratefully acknowledges
43 the support of our parents and guardians, their dedicated and committed volunteers and generous
44 donors who have contributed to our success and longevity;

45 WHEREAS, the impact of the SWNA Scholarship Program has been profound, as
46 evidenced by the awarding of 599 scholarships to 261 deserving Southwest students, totaling more
47 than \$580,000; and

48 WHEREAS, the SWNA Scholarship Program, having garnered immense community
49 support over the years, will hold its 50th celebration in 2023, marking half a century of
50 empowering Southwest youth through educational opportunities.
