Chairman Phil Mendelson
at the request of the Mayor

A PROPOSED RESOLUTION

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To confirm the appointment of Ms. Sapna D. Pandya as a member of the Commission on Asian and Pacific Islander Community Development.

RESOLVED, BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the "Commission on Asian and Pacific Islander Community Development Sapna D. Pandya Confirmation Resolution of 2012".

Sec. 2. The Council of the District of Columbia confirms the appointment of:

Sapna D. Pandya
1626 Oak Street, N.W.
Washington, D.C. 20010
(Ward 1)

as a public voting member of the Commission on Asian and Pacific Islander Community Development, established by section 305 of the Fiscal Year 2002 Budget Support Act of 2001, effective October 3, 2001 (D.C. Law 14-28; D.C. Official Code § 2-1374), replacing Richard Tagle, to complete the remainder of an unexpired vacant term to end April 17, 2014.

Sec. 3. The Council of the District of Columbia shall transmit a copy of this resolution, upon its adoption, to the nominee and to the Office of the Mayor.

Sec. 4. This resolution shall take effect immediately.

SAPNA DILIP PANDYA

OBJECTIVE

To utilize my academic training and gained expertise in order to:

1. build capacity for immigrant & other under-served communities to achieve greater health equity through staff & volunteer trainings, community-based workshops and effective communication;
2. develop targeted curricula and learning programs to achieve cultural and linguistic competence of health service organizations; and
3. advocate for sustainable legislation, programs, and funding that address the needs of marginalized communities.

JOB SKILLS

Aptitude for networking and mobilizing community at local, national, and international level on the health of marginalized communities (i.e. immigrant health, LGBT issues);

Technical expertise in the areas of health disparities, HIV/AIDS, cultural competence and language services (i.e. interpretation & translation);

Strong oral presentation skills & solid writing skills, including technical reports and journal articles;

Expertise in Microsoft Office applications, including Word, Excel, Access and PowerPoint.

Proficient in English, Hindi/Urdu, and Spanish.

WORK EXPERIENCE

Executive Director, December 2010 – present

Many Languages One Voice, Washington DC

(Many Languages One Voice was incorporated in December 2010 to administer the DC LAC)

- Manage a minimum of three full-time staff members, as well as up to 8 Americorps VISTA* members.
- Program management to ensure MLOV's work is intact with the mission, values, and strategic vision of the organization.
- Fundraise through grant writing, seeking individual donations and other sources.
- Financial management, funds allocation, and compliance monitoring for current funding.
- Create new linkages and maintain current relationships with other organizations doing language access advocacy and organizing nationally and locally.
- Provide opportunities for staff professional development and organize regular meetings and staff morale events.
- Lead the transition of MLOV to a 501©3 organization, including working with capacity building consultants to recruit a Board and submit necessary legal paperwork.

Co-Director, May 2010- November 2010

DC Language Access Coalition, Washington DC

- Provide leadership to the vision and evaluation of the Coalition's work.
- Serve as Lead supervisor for three full-time and one part-time staff people and share in supervision of two full-time staff with Coalition's other Co-Director.
- Fundraise for the Coalition, taking the lead on funding support for the Coalition's organizing and advocacy programs in the areas of health & education.
- Work with other Co-Director to develop and maintain relationships with foundation contacts, participate in events and trainings organized by foundation, write and review grant proposals, reports & renewal requests.

- Work with the Coalition's fiscal sponsor and other Co-Director to oversee financial management, funds allocation, and compliance to current funding.
- Program management to ensure Coalition's work is intact with the mission, values, and strategic vision of the organization.
- Create new linkages and maintain current relationships with other organizations doing language access advocacy nationally and locally.
- Co-Chair monthly Coalition meetings and maintain a relationship with Coalition members.
- Provide opportunities for staff professional development and organize regular meetings and staff morale events.
- Assist in the transition of the Coalition into a 501(c)(3) organization, including working with capacity building consultants to recruit a Board and submit necessary legal paperwork.

Immigrant Health Analyst, February 2010 – present

DC Language Access Coalition, Washington DC

- Co-Chair the Coalition's Health Committee
- Train and involve LEP/NEP community members in research activities regarding language access in health care settings.
- Lead the advocacy work of the Coalition's health committee by researching and mapping how the passage of new health care legislation impacts LEP/NEP individuals' access to care.
- Develop culturally and linguistically appropriate methods for LEP/NEP community members to be involved in health research.
- Develop options and opportunities for LEP/NEP community members to engage in policy and legislative advocacy using priorities identified through the health organizing.
- Identify point people and develop relationships with providers, Language Access Coordinators at Department of Health and Department of Health Care Finance, Managed Care Organizations (MCOs), and District governments.
- Explore legislative and oversight partnerships with DC Council.

Consultant, August 2009 – present

Advocates for Youth, Washington DC

- Co-author a 2-page fact sheet (including literature review) on Muslim Youth and their reproductive health, sexual health (including HIV/AIDS) and sexual identity issues.
- Co-develop and co-facilitate two trainings with community-based organizations that are receiving capacity building assistance from Advocates for Youth on the Muslim Youth project.
- Convene community advisory board for Muslim Youth project, of community based organizations, faith based organizations, youth groups, and other advocates working on related issues.

Consultant, September – October 2009

Asian Pacific Islander Domestic Violence Resource Project (API/DVRP), Washington DC

- Develop and facilitate training with bilingual advocates of intimate partner violence on effective interpretation and translation skills.

Director of Programs, June 2008–August 2009; Project Coordinator, June 2004–May 2008

South Asian Health Initiative (SAHI), Center for Immigrant Health, NYU, NY, NY

- Coordinate public health outreach activities with and for the South Asian community in New York City, primarily in the areas of hypertension, diabetes, cancer, infectious disease & health access.
- Recruit a 30-member consortium of community leaders, professionals, students, media, researchers, and others interested in South Asian health issues; organize quarterly meetings of the same.
- Recruit network of community health providers working and coordinate provider training in ADA standards and individualized, linguistically & culturally appropriate patient education via community nurse educator for providers' diabetic patient base.
- Manage community-based participatory research activities (focus group facilitation, questionnaire development & dissemination) by forming and maintaining community coalitions in various health-related areas, supported by public and private funding programs.
- Organize and direct the execution and promotion of at least 2 community health screenings, educational workshops and trainings per month.
- Conduct trainings in "Providing Culturally & Linguistically Competent Care" for employees (200 per week) at health care institutions in NYC.

- Recruit and supervise an active base of 10-15 volunteers and interns to assist with project activities.
- Engage in media advocacy and general advocacy activities advancing the interests of API communities in the NYC area through participation in Kellogg/API Health Forum funded Project CHARGE, the largest and only API health coalition in the city

Consultant, November 2007 – Feb 2008

Aahung, Karachi, Pakistan

- Design community-based assessment (survey tool development & testing) of post-abortion care knowledge, attitudes & practices for women living in low-income area of Karachi.
- Training of community health workers to administer survey tools

Consultant, June 2003-present

The Humsafar Trust (HST), Bombay, India

- Technical support on quantitative study of HIV risk among male commercial sex workers; data collection, analysis, and report preparation. alition in the city. Execute ongoing focus group discussions (FGDs) with male truck drivers (clients of male CSWs).
- Interview key stakeholders and explore archived information to document the past ten years of HT's work with men having sex with men (MSM).

Consultant, May-Dec 2003

Senior Program Assistant, Aug 2001-May 2003

Population Services International (PSI), Washington D.C. & PSI/India, Bombay, India

- Program Management of PSI Asia Programs, including budget review, facilitating communication between PSI Headquarters and Program Offices, assisting in review of program outcomes.
- Product Champion for Safe Birthing Kit and programs to address maternal & infant mortality
- Developed print materials (reports, case studies) to evaluate and document Operation Lighthouse HIV/AIDS Prevention Program reach and purpose for internal and external (donor, project partner) audiences
- Authored analysis highlighting barriers to the adoption of HIV preventive behaviors based on PSI baseline data, reviewed written quantitative reports and provided guidance on the same.

HIV/AIDS Intern, Jan – April 2001

The Humsafar Trust, Bombay, India

- Designed retrospective study on risk factors for HIV among Men having Sex with Men (MSM) in Bombay, India, including development of study tool and statistical data analysis using SPSS
- Aided in general HIV/AIDS IEC development with field-based NGO, document/proposal editing, and administrative duties

RESEARCH

South Asians Engaging in Hypertension Awareness and Treatment (SAEHAT)

Role: Project Coordinator
Funding agency: National Institutes of Health
Period: 2006-2009

A community-based intervention to evaluate the efficacy of a culturally and linguistically tailored print and video education about hypertension with first generation South Asians

Queens South Asian Action for Diabetes Education and Treatment Program

Role: Project Coordinator
Funding agency: New York State Health Foundation
Period: 2008-2009

To develop and study the impact of a culturally and linguistically tailored diabetes education intervention for South Asians with poorly controlled diabetes in Queens, NY.

The Portal Project: Ensuring Immigrant Access to Health Care Services

Role: Trainer
Funding agency: New York Community Trust
Period: 2006-2008

To facilitate New York City's underserved immigrant patients', particularly those who are limited English proficient and/or undocumented access to health care at selected local hospitals.

Arab American Breast Cancer Education and Referral Program (AMBER)

Role: Research Coordinator
Funding agency: Susan G. Komen Breast Cancer Foundation
Period: 2007-2008

To increase access to breast cancer screening and services for Arabic-speaking immigrant women.

Project CHARGE (Coalition for Health Access to Reach Greater Equality)

Role: Coalition Member
Funding agency: Asian & Pacific Islander American Health Forum (APIAHF) & W.K. Kellogg Foundation.
Period: 2008-2011

To increase financial access to healthcare, through capacity building and the implementation of an advocacy & policy project for Asian American & Pacific Islander Communities.

Smokeless Tobacco, Oral Pathology Prevention and Awareness Network (STOP PAAN)

Role: Project Coordinator
Funding agency: NYS Department of Health, Office of Minority Health
Period: 2003-2006

To evaluate the feasibility of conducting community-based oral cancer screenings with first generation South Asian immigrant adults in NY. To develop and test culturally appropriate oral cancer education materials for the community.

NYU Center for the Study of Asian American Health - Research Center of Excellence

Role: Project Coordinator
Period: 2004-2005
Funding agency: NIH/National Center on Minority Health and Health Disparities
Type: P60MD000538

To address, alleviate, and eliminate Asian American health disparities through an interdisciplinary and community-based collaborative research approach

Community Tuberculosis Prevention Program

Role: Outreach Educator
Period: 2006-2007
Funding agency: New York City Department of Health

To determine the optimal strategies for latent TB infection outreach, screening and case management.
