17 through contract; operation, maintenance, and service cost;
18 contingency management programs authorized by a managing entity,
19 and subject to limitations on value imposed by the Federal
20 Government or established by department rule, in which
21 participants are provided noncash incentives for positive
22 progress in their recovery while under the care of a publicly
23 funded substance abuse treatment provider; depreciation of
24 facilities; and such other expenditures as may be approved by
25 the district administrator. Such expenditures do not include
26 expenditures for compensation to members of a community agency
27 board, except the actual and necessary expenses incurred in the
28 performance of official duties, or expenditures for a purpose
29 for which state payment is claimed under any other provision of
30 law.
