886 2. A permitted medical gas manufacturer may not distribute
887 a medical gas without obtaining the applicable permit, except
888 that it may engage in wholesale distribution of medical gases
889 that it manufactured without obtaining a medical gas wholesale
890 distributor permit if it complies with this part and the rules
891 adopted under this part that apply to a wholesale distributor.

892 3. A permitted medical gas manufacturer shall comply with
893 all of the requirements applicable to a wholesale distributor

2014836c2

900 be based on a prescription or an order from a practitioner
901 authorized by law to prescribe. A pharmacy licensed under
902 chapter 465 does not require a permit as a medical oxygen retail
903 establishment.

904 1. A medical oxygen retail establishment may not possess,
905 purchase, sell, or trade a medical gas other than medical
906 oxygen, unless otherwise authorized under this chapter.

907 2. A medical oxygen retail establishment may fill and
908 deliver medical oxygen to an individual patient based on an
909 order from a practitioner authorized by law to prescribe. The
910 medical oxygen retail establishment must comply with all
911 appropriate state and federal good manufacturing practices.
912 Medical oxygen sold or delivered by a medical oxygen retail
913 establishment pursuant to an order from a practitioner may not
914 be returned into the retail establishment's inventory.

915 3. A medical oxygen retail establishment shall comply with
916 all of the requirements applicable to a wholesale distributor
917 under this part, except for those requirements that pertain
918 solely to nitrous oxide.

919 (3) An out-of-state wholesale distributor that engages in
920 wholesale distribution into this state must be legally
921 authorized to engage in the wholesale distribution of medical
922 gases as a wholesale distributor in the state in which it
923 resides and provide proof of registration as set forth in s.
924 499.93(3), if required.

925 (4) A wholesale distributor may not operate from a place of
926 residence, and a place of residence may not be granted a permit

930 (5) If wholesale distribution is conducted at more than one
931 location within this state or more than one location
932 distributing into this state, each location must be permitted by
933 the department.

934 Section 16. Section 499.831, Florida Statutes, is created
935 to read:

936 499.831 Permit application.-

974 the applicant seeking to distribute into this state and any such
975 disciplinary actions against such applicant's principals,
976 owners, directors, or officers.

977 (d) A complete disclosure of all of the applicant's past

984 information contained in its application is complete and
985 accurate.

986 (5) An applicant must submit a reasonable fee, to be

588-03596-14

2014836c2

994 (6) Upon approval of the application by the department and
995 payment of the required fee, the department shall issue a permit
996 to the applicant pursuant to the rules adopted under this part.

997 Section 17. Section 499.832, Florida Statutes, is created
998 to read:

999 499.832 Expiration and renewal of a permit.—

1000 (1) A permit issued under this part automatically expires 2
1001 years after the last day of the month in which the permit was
1002 originally issued.

1003 (2) A permit issued under this part may be renewed by
1004 submitting an application for renewal on a form furnished by the
1005 department and paying the appropriate fee. The application for
1006 renewal must contain a statement by the applicant attesting that
1007 the information is true and correct. Upon approval of a renewal
1008 application by the department and payment of the required
1009 renewal fee, the department shall renew a permit issued under
1010 this part pursuant to the rules adopted under this part.

1011 (3) A renewal application may be accepted up to 60 days
1012 after the expiration date of the permit if, along with the
1013 permit renewal fee, the applicant submits an additional renewal
1014 delinquent fee of \$100. A permit that expired more than 60 days
1015 before a renewal application was submitted or postmarked may not

588-03596-14

2014836c2

1016 be renewed.

1017 (4) Failure to renew a permit in accordance with this
1018 section precludes future renewal. If a permit has expired and
1019 cannot be renewed, the person, entity, or establishment holding
1020 the permit must cease all permit related activities. In order to
1021 engage such activities, the person, entity, or establishment
1022 must submit an application for a new permit, pay the applicable
1023 application fee, the initial permit fee, and all applicable
1024 penalties, and be issued a new permit by the department before
1025 engaging in an activity that requires a permit under this part.

1026 (5) The department shall adopt rules to administer this
1027 section, including setting a reasonable fee for a renewal
1028 application.

1029 Section 18. Section 499.833, Florida Statutes, is created
1030 to read:

1031 499.833 Permitholder changes.—

1032 (1) A permit issued under this part is valid only for the
1033 person or entity to which it is issued and is not subject to
1034 sale, assignment, or other transfer, voluntarily or
1035 involuntarily.

1036 (2) A permit issued under this part is not valid for an
1037 establishment other than the establishment for which it was
1038 originally issued.

1039 (3) The department may approve the following permit
1040 changes:

1041 (a) Change of location.—A person or entity permitted under
1042 this part must notify and receive approval from the department
1043 before changing location. The department shall set a change-of-
1044 location fee not to exceed \$100.

588-03596-14

2014836c2

1045 (b) Change in ownership.—If a majority of the ownership or
1046 controlling interest of a permitted establishment is transferred
1047 or assigned or if a lessee agrees to undertake or provide
1048 services such that legal liability for operation of the
1049 establishment will rest with the lessee, an application for a
1050 new permit is required. Such application must be submitted and
1051 approved by the department before the change of ownership takes
1052 place. However, if a permitted wholesale distributor or
1053 manufacturer is changing ownership and the new owner has held
1054 another permit that allows the wholesale distribution of medical
1055 gas under this chapter for the preceding 18 months without
1056 having been found in violation of the provisions of this chapter
1057 relating to medical gases, then the new owner may operate under
1058 the permit of the acquired entity if the new owner submits the
1059 application for a new permit by the first business day after
1060 ownership is transferred or assigned. A new owner operating
1061 under the original permit is responsible for compliance with all
1062 laws and regulations governing medical gas. If the application
1063 is denied, the new owner shall immediately cease operation at
1064 the establishment until a permit is issued to the new owner.

1065 (c) Change of name.—A permitholder may make a change of
1066 business name without submitting a new permit application.
1067 However, the permitholder must notify the department before
1068 making the name change.

1069 (d) Closure.—If an establishment permitted under this part
1070 closes, the owner must notify the department, in writing, before
1071 the effective date of the closure and must:

- 1072 1. Return the permit to the department; and
- 1073 2. Indicate the disposition of any medical gas authorized

588-03596-14

2014836c2

1074 to be distributed or dispensed under the permit, including the
1075 name, address, and inventory, and provide the name and address
1076 of a person to contact regarding access to the records that are
1077 required to be maintained under this part. Transfer of ownership
1078 of medical gas may be made only to persons authorized to receive
1079 medical gas pursuant to this part.

1080 (e) Change in information.—Any change in the information
1081 required under this part, other than the changes in paragraphs
1082 (a)-(d), shall be submitted to the department within 30 days
1083 after such change occurs.

1084 (4) A permitholder in good standing may change the type of
1085 permit issued by completing a new application for the requested
1086 permit, meeting the applicable permitting requirements for the
1087 new permit type, and paying any difference between the permit
1088 fees. A refund may not be issued if the fee for the new permit
1089 is less than the fee that was paid for the original permit. The
1090 new permit retains the expiration date of the original permit.

1091 Section 19. Section 499.834, Florida Statutes, is created
1092 to read:

1093 499.834 Minimum qualifications.—The department shall
1094 consider all of the following factors in determining eligibility
1095 for, and renewal of, a permit for a person or entity under this
1096 part:

1097 (1) A finding by the department that the applicant has
1098 violated or been disciplined by a regulatory agency in any state
1099 for violating a federal, state, or local law relating to
1100 prescription drugs.

1101 (2) Felony convictions of the applicant under a federal,
1102 state, or local law.

1118 considers relevant to and consistent with the public health and
1119 safety.

1120 Section 20. Section 499.84, Florida Statutes, is created to
1121 read:

1122 499.84 Minimum requirements for the storage and handling of
1123 medical gases.—

1197 read:

1198 499.86 Examination of materials.-

1199 (1) A wholesale distributor must visually examine a medical
1200 gas container upon receipt from the manufacturer in order to
1201 identify the medical gas stored within and to determine if the
1202 container has been damaged or is otherwise unfit for
1203 distribution. Such examination must occur in a manner that would
1204 reveal damage to the container which could suggest possible
1205 adulteration or misbranding.

1206 (2) A medical gas container that is found to be damaged or
1207 otherwise unfit pursuant to subsection (1) must be quarantined
1208 from the stock of medical gas until a determination is made that

1210 (3) An outgoing shipment must be inspected to identify the
