

## HOUSE OF REPRESENTATIVES STAFF FINAL BILL ANALYSIS

**BILL #:** HB 91 Transportation Facility Designations

**SPONSOR(S):** Clemons, Mooney and others

**TIED BILLS:**           **IDEN./SIM. BILLS:** CS/SB 84

---

**FINAL HOUSE FLOOR ACTION:** 119 Y's      0 N's            **GOVERNOR'S ACTION:** Pending

---

### SUMMARY ANALYSIS

HB 91 passed the House on February 15, 2024, and subsequently passed the Senate on March 5, 2024.

State law authorizes legislative designations of transportation facilities, such as bridges, interchanges, or portions of roads, for honorary or memorial purposes or to distinguish a particular facility. Legislative designations do not change the official names of the facilities and do not require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone number system listings to account for the designations. The Department of Transportation (DOT) may not erect markers for a designation unless the appropriate city or county commission enacts a resolution supporting the designation. Additionally, if the designated facility is located in multiple cities or counties, each affected local government must pass a resolution in support of the designation before DOT can install the markers.

The bill designates the "Jimmy Buffett Memorial Highway" in Monroe, Miami-Dade, Broward, Palm Beach, Martin, St. Lucie, Indian River, Brevard, Volusia, Flagler, St. Johns, Duval, and Nassau Counties. The bill also directs DOT to erect suitable markers for the designation by August 30, 2024.

The bill will have an insignificant negative fiscal impact to the State Transportation Trust Fund associated with erecting suitable markers for the designation. The cost can be absorbed within DOT's existing resources.

Subject to the Governor's veto powers, the effective date of this bill is upon becoming a law.

## I. SUBSTANTIVE INFORMATION

### A. EFFECT OF CHANGES:

#### Present Situation

##### Transportation Facility Designations

Under current law, the Legislature may designate a transportation facility, such as a bridge, an interchange, or a portion of a road, for honorary or memorial purposes or to distinguish a particular facility. Legislative designations do not officially change the existing names of the facilities and do not require local governments or private entities to change street signs, mailing addresses, or 911 emergency telephone number system listings to account for the designations.<sup>1</sup>

Regarding the naming of state buildings and other facilities, state law provides that, except as specifically provided by law, state buildings, roads, bridges, parks, recreational complexes, and other similar facilities may not be named for a living person.<sup>2</sup>

##### Transportation Facility Markers

When the Legislature establishes transportation facility designations, the Department of Transportation (DOT) is required to place a marker at each terminus or intersection of the highway segment or bridge designated and may erect other markers it deems appropriate for the designated transportation facility.<sup>3</sup> Markers may not be erected until the appropriate city or county commission passes a resolution in support of the particular designation. Additionally, if the designated facility is located in multiple cities or counties, each affected local government must pass a resolution in support of the designation before DOT can install the markers.<sup>4</sup>

##### Jimmy Buffett

Jimmy Buffett was a singer-songwriter whose recording career spanned more than fifty years and whose music often celebrated the culture of the Florida Keys.<sup>5</sup> Some of his greatest hits include “Margaritaville,” “Come Monday,” and “It’s Five O’Clock Somewhere.”<sup>6</sup> In 1974, Jimmy Buffett released an album entitled “A1A” that included songs such as “A Pirate Looks at Forty” and “Nautical Wheelers.”<sup>7</sup> In his album notes, Jimmy Buffett explained that “A1A is the beach access road that runs occasionally on and off U.S. 1. It can take you to some of the prettiest beaches in Florida east of St. Augustine, right through the middle of ‘Wrinkle City’, better known as Miami Beach, and ending suddenly 90 miles north of Havana and four blocks from my house.”<sup>8</sup>

Jimmy Buffett passed away on September 1, 2023.<sup>9</sup>

#### Effect of the Bill

The bill designates all of those portions of S.R. A1A located in Monroe, Miami-Dade, Broward, Palm Beach, Martin, St. Lucie, Indian River, Brevard, Volusia, Flagler, St. Johns, Duval, and Nassau Counties as “Jimmy Buffett Memorial Highway.”

The bill directs DOT to erect suitable markers for the designation by August 30, 2024.

## II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

### A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

DOT estimates a cost of \$1,800 per designation for the appropriate markers, which provides for two signs per designation at \$900 per sign. Therefore, the bill has an estimated negative fiscal impact of \$1,800 to the State Transportation Trust Fund. However, this cost can be absorbed within existing DOT resources.

### B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

### C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

### D. FISCAL COMMENTS:

None.
