**SUMMARY ANALYSIS**

Under current law, the Legislature may designate a transportation facility, such as a bridge, interchange, or portion of a road, for honorary or memorial purposes or to distinguish a particular facility. Legislative designations do not change the official names of the facilities. The Department of Transportation (DOT) erects markers for each designation, but may not do so until the appropriate city or county commission passes a resolution in support of the designation.

The bill designates “Reverend Murray Hamilton, Sr., Highway” in Santa Rosa County. The bill directs DOT to erect suitable markers for the road designation.

The bill will have an insignificant negative fiscal impact to the State Transportation Trust Fund associated with erecting suitable markers for the designation. The cost can be absorbed within DOT’s existing resources.

The bill provides an effective date of July 1, 2022.

## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

##### Present Situation

###### Transportation Facility Designations

Under current law, the Legislature may designate a transportation facility, such as a bridge, interchange, or portion of a road, for honorary or memorial purposes or to distinguish a particular facility. Legislative designations do not change the official names of the designated facilities, and do not require local governments or private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings to account for the designations.<sup>1</sup>

Current law sets standards for the naming of state buildings and other facilities. The law provides that except as specifically provided by law, state buildings, roads, bridges, parks, recreational complexes, and other similar facilities may not be named for a living person.<sup>2</sup>

###### Road Markers

The Department of Transportation (DOT) must place a marker at each terminus or intersection of a designated road, bridge, or other transportation facility and erect other markers it deems appropriate for the facility.<sup>3</sup> Road markers may not be erected until the appropriate city or county commission passes a resolution in support of a particular designation. Additionally, if a designated facility extends through multiple cities or counties, a resolution must be passed by each affected local government before the road markers can be erected by DOT.<sup>4</sup>

###### Reverend Murray Hamilton, Sr.

Reverend Murray Hamilton, Sr., served in the United States Navy and worked for Monsanto/Solutia for 37 years. His life's work revolved around building the community, and he was influential in developing many programs and organizations in Milton, Florida. Reverend Hamilton passed away on January 25, 2021.<sup>5</sup>

##### Effect of the Bill

Under the bill, that portion of U.S. 90 between Canal Street and Stewart Street in Santa Rosa County is designated as "Reverend Murray Hamilton, Sr., Highway." The bill directs DOT to erect suitable markers for this designation.

#### B. SECTION DIRECTORY:

**Section 1:** Designates "Reverend Murray Hamilton, Sr., Highway" and directs DOT to erect suitable markers.

**Section 2:** Provides an effective date of July 1, 2022.

### II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

#### A. FISCAL IMPACT ON STATE GOVERNMENT:

##### 1. Revenues:

<sup>5</sup> Email from Sydney Fowler, Legislative Aide, Office of Representative Jayer Williamson, HB 315, (Oct. 27, 2021).

None.

2. Expenditures:

DOT estimates a cost of \$1,040 for the appropriate markers, which provides for two signs per designation at \$520 per sign.<sup>6</sup> Therefore, the bill has an estimated negative fiscal impact of \$1,040 to the State Transportation Trust Fund. This cost can be absorbed within existing DOT resources.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

D. FISCAL COMMENTS:

None.
