### SUMMARY ANALYSIS

HB 991 passed the House on March 5, 2024, as SB 1078.

The Department of Financial Services (DFS) has broad duties, including licensure and regulation of insurance agents, agencies, and adjusters; insurance consumer assistance and protection; and holding and attempting to return unclaimed property to its rightful owner. DFS has a number of regulatory responsibilities over the Florida insurance market. DFS regulates insurance adjusters, which includes public adjusters, independent adjusters, and company employee adjusters.

The bill creates a public record exemption within s. 626.171, F.S., for cellular telephone numbers held by the DFS, associated with a person's application for licensure for insurance agents, customer representatives, adjusters, service representatives, and reinsurance intermediaries. The exemption applies to cellular telephone numbers held by the DFS before, on, or after the effective date of the bill.

The bill provides that the exemption is subject to the Open Government Sunset Review Act, and will be repealed on October 2, 2029, unless reviewed and saved from repeal through reenactment by the Legislature. The bill also provides a statement of public necessity as required by the Florida Constitution.

The bill may have an insignificant negative fiscal impact on state government. See Fiscal Comments.

**Article I, s. 24(c) of the Florida Constitution requires a two-thirds vote of the members present and voting for final passage of a newly created public record exemption. The bill creates a public record exemption; thus, it requires a two-thirds vote for final passage.**

## I. SUBSTANTIVE INFORMATION

### A. EFFECT OF CHANGES:

#### **Background**

#### **Public Records**

The Florida Constitution sets forth the state's public policy regarding access to government records, guaranteeing every person a right to inspect or copy any public record of the legislative, executive, and judicial branches of government.<sup>1</sup> The Legislature, however, may provide by general law an exemption<sup>2</sup> from public record requirements provided that the exemption passes by a two-thirds vote of each chamber, states with specificity the public necessity justifying the exemption, and is no broader than necessary to meet its public purpose.<sup>3</sup>

Current law also addresses the public policy regarding access to government records by guaranteeing every person a right to inspect and copy any state, county, or municipal record, unless the record is exempt.<sup>4</sup> Furthermore, the Open Government Sunset Review (OGSR) Act<sup>5</sup> provides that a public record exemption may be created, revised, or maintained only if it serves an identifiable public purpose and the "Legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exemption."<sup>6</sup> An identifiable public purpose is served if the exemption meets one of the following purposes:

- Allow the state or its political subdivisions to effectively and efficiently administer a governmental program, which administration would be significantly impaired without the exemption;
- Protect sensitive personal information that, if released, would be defamatory or would jeopardize an individual's safety; however, only the identity of an individual may be exempted under this provision; or
- Protect trade or business secrets.<sup>7</sup>

Pursuant to the OGSR Act, a new public record exemption, or the substantial amendment of an existing public record exemption, is repealed on October 2<sup>nd</sup> of the fifth year following enactment, unless the Legislature reenacts the exemption.<sup>8</sup>

#### **Organization of the Department of Financial Services**

The Chief Financial Officer (CFO) is an elected member of the Cabinet, serves as the state's chief fiscal officer,<sup>9</sup> and is designated as the State Fire Marshal. The CFO is the head of the Department of Financial Services (DFS). Effective January 2003, the Department of Insurance, Treasury, State Fire Marshal, and the Department of Banking and Finance were merged to form DFS. DFS consists of 13 divisions and several specialized offices.<sup>10</sup> DFS is composed of the following divisions and independent office:

- Accounting and Auditing;

The Division of Workers' Compensation within DFS administers the workers' compensation system through enforcement of coverage requirements,<sup>13</sup> administration of workers' compensation health care delivery system,<sup>14</sup> data collection,<sup>15</sup> and assisting injured workers, employers, insurers, and providers in fulfilling their responsibilities.<sup>16</sup> DFS also administers the rehabilitation and liquidation of insolvent insurers.

No person may be, act as, or advertise, or hold himself or herself out to be an insurance agent, insurance adjuster, or customer representative unless he or she is currently licensed by DFS and appointed by an appropriate appointing entity or person.<sup>17</sup> There are several types of insurance representatives. These include:

If the general lines agent wishes to represent health insurers that are not also property and casualty insurers, they must be licensed as a health insurance agent.<sup>27</sup>

### Title Agents and Agencies

Title insurance insures owners of real property (owner's policy) or others having an interest in real property, as well as lenders (mortgagee policies) against loss by encumbrance, defective title, invalidity, or adverse claim to title. It is a policy issued by a title insurer that, after evaluating a search of title, insures against a number of covered risks, including title defects or liens that are not identified as exceptions. In Florida, title insurers operate on a monoline basis, meaning that the insurer can only transact title insurance and cannot transact any other type of insurance.<sup>28</sup>

### Public Adjusters

A public adjuster, excluding duly licensed attorneys, is any individual who, for compensation or any other valuable consideration, directly or indirectly prepares, completes, or submits an insurance claim for an insured or third-party claimant.<sup>29</sup> Additionally, it includes those who, for compensation, act on behalf of or assist an insured or third-party claimant in negotiating or settling a covered insurance claim.<sup>30</sup> The term also encompasses individuals advertising as adjusters for such claims, as well as those who, for compensation, solicit, investigate, or adjust these claims on behalf of the public adjuster, an insured, or a third-party claimant.<sup>31</sup>

### **Effect of the Bill**

The bill creates a public record exemption within s. 626.171, F.S., for cellular telephone numbers held by the DFS pertaining to applications for licensure for insurance agents, customer representatives, adjusters, service representatives, and reinsurance intermediaries. Additionally, the bill provides that the exemption is subject to the Open Government Sunset Review Act, and will be repealed on October 2, 2029, unless reviewed and saved from repeal through reenactment by the Legislature. The bill also provides a statement of public necessity as required by the Florida Constitution.
