1 House Memorial

2 A memorial to the Congress of the United States,
3 urging Congress to repeal the Patient Protection and
4 Affordable Care Act signed into law by President Obama
5 in 2010.

6
7 WHEREAS, the health insurance mandate within the Patient
8 Protection and Affordable Care Act is a form of government
9 interference in the free market and an all-out assault on
10 personal liberties, and

11 WHEREAS, the mandate for individuals to purchase health
12 insurance exceeds the scope and authority of Congress, and

13 WHEREAS, as the United States economy continues to struggle
14 and the unemployment rate holds steadfast at alarming
15 percentages, the employer mandate to provide health insurance to
16 employees will raise the cost of hiring new employees and have
17 an adverse effect on the state of our economy, NOW, THEREFORE,

18
19 Be It Resolved by the Legislature of the State of Florida:

20
21 That the Florida Legislature urges the United States
22 Congress to repeal the Patient Protection and Affordable Care
23 Act signed into law by President Obama in 2010.
