800 (1) FISCAL YEAR.—The fiscal year of the village shall
801 begin on the first day of October and end on the last day of
802 September of each year.

803 (2) SUBMISSION OF THE BUDGET AND THE BUDGET MESSAGE.—On or
804 before the 15th day of July of each year, the village manager
805 shall submit to the council a budget in accordance with state
806 law. The budget shall outline the financial policies of the
807 village for the ensuing fiscal year; describe the important
808 features of the budget; indicate any major changes from the
809 current year in financial policy, including any changes in
810 budgetary accounting methods from the current year's
811 expenditures and revenues together with the reasons for such
812 changes; summarize the village's debt position; and include such
813 other material as the village manager deems necessary.

814 (3) BUDGET.—The budget shall provide a complete financial
815 plan of all village funds and activities for the ensuing fiscal
816 year and, except as required by law or this charter, shall be in
817 such form as the village manager deems desirable or the council
818 may require for effective management and an understanding of the
819 relationship between the budget and the village's strategic
820 goals. The budget shall begin with a clear general summary of
821 its contents; shall show in detail all estimated revenue,
822 indicating the proposed property tax levy, and all proposed
823 expenditures, including debt service, for the ensuing fiscal
824 year; and shall be so arranged as to show comparative figures

828 (a) The proposed goals and expenditures for the current
829 operations during the ensuing fiscal year, detailed for each
830 fund by department or by other organizational unit, and by
831 program, purpose, or activity; methods of financing such
832 expenditures; and methods to measure outcomes and performance
833 related to the goals.

834 (b) Proposed longer-term goals and capital expenditures
835 during the ensuing fiscal year, detailed for each fund by
836 department or by other organization unit when practical, the
837 proposed method of financing each such capital expenditure, and
838 the methods used to measure outcomes and performance related to
839 the goals.

840 (c) The proposed goals, anticipated revenue and expenses,
841 and profit and loss for the ensuing year for each utility or
842 other enterprise fund or internal service fund operated by the
843 village, and methods to measure outcomes and performance related
844 to goals. For any fund, the total of proposed expenditures shall
845 not exceed the total of estimated revenue plus carried forward
846 fund balances exclusive of required reserves.

847 (4) VILLAGE COUNCIL ACTION ON BUDGET.—The council shall
848 adopt the budget by resolution on or before the 30th day of
849 September of each year. If the council fails to adopt a budget

852 (5) ADMINISTRATION OF BUDGET.—The council shall provide,
 853 by ordinance, the procedures for administering the budget.

854 (6) BUDGET AMENDMENTS AFTER ADOPTION.—

855 (a) Supplemental appropriations.—If, during or before the
 856 fiscal year, the village manager certifies that there are
 857 available for appropriation revenues in excess of those
 858 estimated in the budget, the council by ordinance may make
 859 supplemental appropriations for the year up to the amount of
 860 such excess.

861 (b) Emergency appropriations.—To address a public
 862 emergency affecting life, health, property, or the public peace,
 863 the council may make emergency appropriations. Such
 864 appropriations may be made by emergency ordinance in accordance
 865 with subsection (3) of section 7. To the extent that there are
 866 no available unappropriated revenues or a sufficient fund
 867 balance to meet such appropriations, the council may by such
 868 emergency ordinance authorize the issuance of emergency notes,
 869 which may be renewed.

870 (c) Reductions of appropriations.—If, at any time during
 871 the fiscal year, it appears probable to the village manager that
 872 the revenues or fund balances available will be insufficient to
 873 finance the expenditures for which appropriations have been
 874 authorized, the village manager shall report to the council
 875 without delay, indicating the estimated amount of the deficit,
 876 any remedial action taken by the village manager, and
 877 recommendations as to any other steps to be taken. The council

ENROLLED

878 shall then take such further action as it deems necessary to
 879 prevent or reduce any deficit, and for that purpose it may, by
 880 ordinance, reduce or eliminate one or more appropriations.

881 (d) Transfer of appropriations.—At any time during the
 882 fiscal year, the council may by resolution transfer part or all
 883 of the unencumbered appropriation balance from one department,
 884 fund, service, strategy, or organizational unit to the
 885 appropriation for other departments or organizational units or a
 886 new appropriation. The village manager may transfer funds among
 887 programs within a department, fund, service, strategy, or
 888 organizational unit and shall report such transfers to the
 889 council, in writing, in a timely manner.

890 (e) Limitation; effective date.—No appropriation for debt
 891 service may be reduced or transferred, and no appropriations may
 892 be reduced below any amount required by law to be appropriated,
 893 or by more than the unencumbered balance thereof. The
 894 supplemental and emergency appropriations and reduction of
 895 transfer of appropriations authorized by this section may be
 896 made effective immediately upon adoption.

 908 publish in one or more newspapers of general circulation within
 909 the village a summary of the capital program and a notice of at
 910 least two public hearings on the capital program. The council,
 911 by resolution, shall adopt the capital program with or without
 912 amendments after the public hearings and on or before the 15th
 913 day of August of the then-current fiscal year.

914 (c) Public records.—Copies of the budget, capital program,
 915 and appropriation and revenue ordinances shall be public records
 916 and shall be made available to the public at suitable and
 917 published access places in the village, and shall be available
 918 for purchase at a reasonable price.

919 (8) ANNUAL INDEPENDENT AUDIT.—The council shall provide
 920 for an annual independent audit of all village accounts and
 921 pursuant to general law may provide for more frequent audits as
 922 it deems necessary. Such audits shall be made by a certified
 923 public accountant or a firm of such accountants who have no
 924 personal interest, direct or indirect, in the fiscal affairs of
 925 the village government or in any of its officers. Residency in
 926 the village shall not be construed as a prohibited interest.
